Appendix B of this report includes a schedule of the cumulative eighth distribution dividend percentages. To date, CVA distributions totalling approximately £2.0 billion have been made, of which £1.8 billion relates to the EY CVA Companies and £0.2 billion relates to KPMG CVA Companies. In addition £0.2 billion has been paid to TEG as shareholder of Group.

As previously reported, the final distribution and the conclusion of the liquidation/administrations and CVAs will take place once we have reached a conclusion on a number of outstanding issues. The focus of the Office Holders continues to be to:

- Reaching an agreement with KPMG, being the Office Holder of TEG, on a mechanism to deal with the contingent asbestos claims in TXU UK and the treatment of the funds held in TXU UK and certain other monies derived from TXU UK; and
- Working towards paying a ninth and final distribution. The timing will depend upon the progress that can be made in concluding the above

Further detail on the above is outlined in Section 2. The Office Holders will provide a further specific update on the final date for distribution in due

Administration progress

2005 and resolving issues with outstanding creditors' claims. These are principally implementing the terms of the CVAs, realising the remaining assets referred to in the Chairman's report dated 28 January The Office Holders of each CVA Company have continued to perform the functions required by them in accordance with their duties and powers

2018 is set out in Appendix A An updated receipts and payments accounts for the six administration companies and the liquidation of Group for the six months to 27 January

Specific commentary on the progress of certain matters is included below.

2.2 TXU UK – Treatment of asbestos claim and application of surplus funds

In the last report to creditors, the Joint Administrators of TXU UK held funds of c.£13.1 million. As at the date of this report, the funds held total

asbestos related injuries legal advisors, to explore the exit options available to them in respect of persons who have, or might in the future have, claims against TXU UK for under certain assumptions, to be significantly in excess of the £13.1 million funds. The Office Holders of TXU UK continue, in consultation with their TXU UK's Office Holders believe that TXU UK may have future liabilities in respect of asbestos related claims whose aggregate value is estimated

The outcome of any eventual exit option undertaken will not affect the TXU UK creditors who have already received distributions totalling 100p in

injury claims. Under the most recent report dated 31 May 2016, the discounted future asbestos liabilities have been estimated, under certain assumptions, at between c.£4.9 million and c.£45.8 million (between £6.9 million and £61.1 million when not discounted), based upon claims advised up to 31 May 2016. The Administrators have commissioned that a new report be prepared to assess the latest future liabilities to latent personal injury claims and this is currently being prepared As mentioned in the previous report, the Administrators commissioned a report assessing possible future liabilities in relation to latent personal

This relates to cash which was transferred from TXU UK and Direct Sales as a part of the sixth and seventh distributions In addition to the £13.1 million reserve for the future asbestos related liabilities in TXU UK, there are funds totalling c£16.7 million (including

deal with TXU UK and its contingent asbestos claims. These discussions are ongoing to explore the possibility of a consensual agreement with TEG, being the ultimate shareholder of TXU UK and to discuss the options available to In the reporting period a number of discussions and meetings have been held between the parties and the Administrators and their legal advisors

2.3 Tax

should be noted that now Group is in liquidation, losses generated by the holding companies are no longer available to the CVA Companies (apart from Group) and therefore tax will be payable on interest earned / other gains going forward As previously reported, the Joint Administrators have obtained the UK corporation tax clearance to 31 March 2014 in relation to the Companies. The above dividend percentages exclude payments to Top-Up Creditors in accordance with Annex 5 of the CVA document.

A dash is shown where CVA companies have no known External Creditors and so a Distribution percentage has not been calculated or where in previous rounds, a company's cumulative Distribution percentage reached 100% and therefore no further payments to creditors are due.

Any casting differences are due to rounding only.
