TXU Europe Group Plc (In Liquidation) (Formerly in Administration) (High Court of Justice, Number 7611/2002)
(All subject to a Company Voluntary Arrangement) (together the "Companies")

I write, in accordance with Rule 2.44 of the Insolvency (England and Wales) Rules 2016, to provide creditors and members with my final report on the progress of the company voluntary arrangement (CVA) of the Companies. This report covers the period from 28 January 2022 to 6 April 2022 and should be read in conjunction with our previous reports and the CVA proposals which can be located on the website <http://txuinfo.co.uk>.

Summary of progress since last report

As previously reported, a ninth and final distribution was made to the creditors of the certain CVA companies on 2 September 2021. A summary of the distributions paid across all CVA companies is enclosed at Appendix 2.

I can confirm that no further assets are available for distribution in the CVAs and there are no outstanding creditor claims to be adjudicated.

The unclaimed distributions and Top Up payments from the final distribution have been transferred to an unclaimed distribution account operated by the Joint Liquidators of TXU Europe Group PLC ("TXUEG"), in accordance with the modification to the CVA proposals dated 1 September 2021. Any creditors with unclaimed distributions or Top Up payments should contact the Joint Liquidators of TXUEG to arrange for payment of their entitlements at txuuk@uk.ey.com or by writing to the Joint liquidators of TXUEG at Ernst & Young LLP, 1 More London Place, London, SE1 2AF.

In accordance with the terms of the CVA, any unclaimed distributions or Top Up payments remaining in the unclaimed distribution account after 2 September 2022 will be transferred to the registered charity Aspire.

Full implementation of the arrangement

I can confirm that there has been no departure from the terms of the terms of the CVA as originally had effect other than where modified and notified to you.

I enclose with this report at Appendix 3, a copy of the notice of full implementation dated 6 April 2022. The notice and this report will be delivered to Companies House and will be filed with the court shortly. The Joint Supervisors will vacate office once the notice has been delivered and filed.

Receipts and payments account

The only movements in the period since our last report were the transfer of unclaimed distributions in TXU Europe Energy Trading Limited (in Administration & subject to a Company Voluntary Arrangement) in the sum of £53,751.13 and TXU UK Limited (In Administration & subject to Company Voluntary Arrangement) in the sum of £65 to the unclaimed distribution account held by Joint Liquidators of TXUEG.

Apart from the above, there were no substantial movements in the Companies for the period between 28 January 2022 to 6 April 2022. A receipts and payments summary for each of the Companies from the date of approval of the CVA to the date of completion are attached at Appendix 1.

Joint supervisors' remuneration

The statutory provisions relating to remuneration and expenses are set out in Rule 2.43 of the Insolvency (England and Wales) Rules 2016. Further information, including information on creditors' rights, is given in the Association of Business Recovery Professionals' publication 'A creditors' guide to insolvency practitioners' fees under voluntary arrangements', a copy of which may be accessed from the web site of the Institute of Chartered Accountants in England and Wales at <https://www.icaew.com/-/media/corporate/files/technical/insolvency/creditors-guides/2017/voluntary-arrangement-creditor-fee-guide--6-april-2017.ashx?la=en> or is available in hard copy upon written request to me.

For details of how the Joint Liquidators, Joint Administrators and CVA Supervisors are drawing their remuneration and expenses, together with the associated approval process for time incurred from 28 January 2005 onwards, I refer you to Clauses 14 and 26 of the CVA proposals.

To simplify the closure of the CVA, administration and liquidation of the Companies, it was agreed by the Creditors' Committee of TXUEG that time costs incurred after the final CVA distribution to creditors (completed in September 2021) would be met by TXUEG. Please note that TXUEG has no recourse to the estate of the Companies for settlement of these fees.

In accordance with Statement of Insolvency Practice 9 ('SIP9'), I have attached at Appendix 4 a summary of the combined time costs for TXUEG and other TXU entities, for the period 28 January 2022 to 6 April 2022. This time summary includes time costs incurred in respect of all TXU companies over which Office Holders at EY are appointed, a proportion of which relates to the CVA, administration and liquidation of the Companies.

To date, Joint Supervisors' fees totalling approximately £6.48 million plus VAT and disbursements have been billed across the CVA Companies. Any time costs incurred in concluding the CVA, liquidation and administration of the Companies will be met by TXUEG in accordance with the above approval process

The Joint Liquidators', Joint Administrators' and CVA Supervisors' remuneration has been charged at the rates agreed in respect of the administration of the TXU group of companies. The current agreed rates, which are lower than Ernst & Young LLP standard rates, are set out in Appendix 4.

A summary of tasks undertaken in the same period is enclosed at Appendix 5.

Nominees' fees and expenses

Clause 14.1 of the CVA proposals state that the Office Holders shall be remunerated in respect of their work in preparing, implementing and operating the CVAs and all acts reasonably incidental thereto, at the rates and in the manner from time to time applicable to each administration or liquidation. It also states that the Officeholders will not seek any additional remuneration in relation to the work done by them in their capacity as nominees in relation to the CVAs.

Completion of Administrations and Compulsory Liquidation

The Joint Administrators will shortly take steps to conclude the administrations which will involve an application to Court to discharge the Administration Order and allow the relevant companies to proceed to dissolution.

The liquidation of TXUEG will be concluded once any unclaimed distributions and Top-Up payments have been fully paid out to entitled creditors coming or transferred to the registered charity Aspire in accordance with the terms of the CVA. This is likely to be completed in September 2022.

If you have any questions concerning the content of the report or any other aspect of the CVA, please contact Ellie Emery at this office on the direct line above.

Yours faithfully
for the Companies
