**STATEMENT OF DIRECTORS' RESPONSIBILITIES**

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that year. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**DISCLOSURE OF INFORMATION TO AUDITORS**

In the case of each director in office at the date the directors' report is approved, the following applies

- (a) so far as the director is aware, there is no relevant audit information of which the company's auditors are unaware, and
- (b) he has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

**GOING CONCERN**

The directors believe that preparing the financial statements on the going concern basis is appropriate due to the continued financial support of the ultimate parent company Development Securities PLC. The directors have received confirmation that for the foreseeable future, Development Securities PLC intends to support the company such that it can meet its liabilities as they fall due.

**INDEPENDENT AUDITORS**

The auditors, PricewaterhouseCoopers LLP, have indicated their willingness to continue in office and a resolution concerning their re-appointment will be proposed at the annual general meeting.

**NOTES TO THE FINANCIAL STATEMENTS**  
**for the year ended 28 February 2013**

**1 ACCOUNTING POLICIES**

**Basis of preparation**

These financial statements are prepared in accordance with the Companies Act 2006, and in accordance with applicable United Kingdom accounting standards and under the historical cost convention. The accounting policies adopted are consistent with the prior period.

**Going concern**

The directors believe that preparing the financial statements on the going concern basis is appropriate due to the continued financial support of the ultimate parent company Development Securities PLC. The directors have received confirmation that for the foreseeable future, Development Securities PLC intends to support the company such that it can meet its liabilities as they fall due.

**Cash flow statement and related party disclosures**

The company is a wholly-owned subsidiary of Development Securities PLC and is included in the consolidated financial statements of Development Securities PLC, which are publicly available. Consequently, the company has taken advantage of the exemption from preparing a cash flow statement under the terms of Financial Reporting Standard number 1 "Cash flow statements" (revised 1996). The company is also exempt under the terms of Financial Reporting Standard number 8 "Related party disclosures" from disclosing related party transactions with wholly-owned entities that are part of the Development Securities PLC group.

**Turnover**

Rental income, which excludes value added tax, is accrued based on the amounts earned in the period. Any incentives for lessees to enter into lease agreements are spread evenly over the periods to the earlier of the lease expiry and the first review date on which rent is adjusted to the market rate.

**Lease incentives**

Lease incentives are held in the balance sheet and recognised in the profit and loss accounts over the shorter of the lease term and the date of the next rent review.

**Taxation**

Current tax, including United Kingdom corporation tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred taxation is provided in full on timing differences that result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in financial statements. Deferred tax is not provided on timing differences arising from the revaluation of fixed assets where there is no binding contract to dispose of these assets. Deferred tax assets are recognised to the extent that it is regarded as more likely than not that they will be recovered. Deferred tax assets and liabilities are not discounted.
