TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 DECEMBER 2017

The trustees are pleased to present their annual directors' report together with the financial statements of the charity for the year ending 31 December 2017 which are also prepared to meet the requirements for a directors' report and accounts for Companies Act purposes.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016).

We are pleased to report that during the year, the core charity activities were maintained and a number of individually funded projects managed.

OBJECTIVES AND ACT	TIVITIES
,	
Objects & principal activities of the charity	 The company is registered to assist with the relief of poverty: Providing access to affordable household items. To advance the development and education of people by providing opportunities to volunteer and to train, so as to develop work skills, social skills, gain work experiences and encourage social integration. Recycling of furniture which would otherwise be thrown away and by advancing more sustainable waste management practices.
Sustainability	Key to long term sustainability of the company has been the acquisition of property from which to provide its services.
	Renovations on the processing facility adjacent to our Ynyshir showrooms were completed in 2017 and we were successful to receive funding from The Big Lottery People & Places to start the renovations on our building in Treorchy to turn it into our third charity showroom. Works for this building will start in early 2018.
Providing access to affordable household items	The company operates two charity showrooms. One from its building at Ynyshir and the second from a rented unit in Aberaman (Upper Cynon Community First area). Within the showrooms, donated goods are offered for sale at second hand market value after they have been sorted, cleaned and safety checked. The company also operates an electrical & gas domestic appliances re-use facility that complies with all WEEE & Gas Safe regulations.
sign of their	iacinty that complies with all vvece & das date regulations.
Helping low income households	The company offers free or discounted furniture packages to individuals referred to them for help and at times of crisis.
	Events are organised during the year to target low income households.
	The company sources donations of graded mattresses for re-sale to match up with pre-owned beds to meet the level of demand from referrals.

OBJECTIVES AND A	CTIVITIES (continued)
Providing opportunities to volunteer & train	The organisation aims to increase social skills and employment opportunities by providing volunteers with work based learning throughout its range of activities. The trainer has developed a work based learning that can be assessed and verified and is now accredited by Agored Cymru.
	School placements are also supported for work based experience taster sessions.
Recycling & waste management	The company provides residents of Rhondda Cynon Taf with a reliable free collection service for household items that are toogoodtowaste. People can also drop items off for re-use. Items received are sorted, cleaned and tested before being offered for sale within their charity showrooms. The company also offers a collection service for re-useable household goods, to commercial organisation (end-of-line or returned goods).
	The company operates an Ethical House Clearance Service to the public, solicitors, landlords and housing associations. This professional, income generating service aims to recycle or re-use the products cleared by working with partner organisations.

TRUSTEES REPORT (CONTINUED)(INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 DECEMBER 2017

PUBLIC BENEFIT

The trustees have referred to the guidance contained in the Charity Commissions' general guidance on public benefit. I he trustees will continue to consider how planned activities will contribute to the aims and objectives they have set.

Significant
activities
undertaken to
further its
charitable
purposes for
public benefit

All services, including buying from the charity showrooms are open to everyone in order to maximise the volume of items re-used and income generated to support the charitable aims and objectives of this organisation.

Low income households are provided with discounted delivery charge and those people who are referred by a partner organisation as being 'in need' are offered free or discounted essential furniture items, as a means of alleviating the effects of poverty.

The organisation has also created its own hardship budget, to cover the costs of stock provided free of charge to individuals who have no other means of financial support to cover the essential items they need.

We work in partnership with other organisations that provide 'emotional or housing support' (e.g. social services departments, Women's Aid, drug & alcohol support services, churches, mental health groups, etc.) The practical help provided by this organisation enhances the work of its partners, therefore increasing the overall impact of the assistance provided. For example, a child receiving help on a bed wetting programme with a partner organisation, can be provided with a replacement bed because the organisations are working together. Or, a homeless person being provided with their first tenancy can be provided with furniture, household items, curtains, cutlery, etc., as a start-up package, thus turning an empty property into a home.

Many of the people referred to this organisation for help are in crisis situations without any financial support. The organisation helps immediately to people affected by domestic violence and other life affecting crisis situations.

The organisation values the contribution received from its volunteers and strives to provide services that help customers and beneficiaries feel positive about the help received.

With high levels of unemployment in the area and few opportunities for people to gain work experience, the organisation is committed to developing its ability to deliver work-based learning. The training room and use of ICT equipment and software, gives us the opportunity to provide volunteers and placements with transferable skills to enhance their employment opportunities.

Items are quality control checked. Minor repairs and cleaning is provided where necessary before being resold through our charity shops (Ynyshir and Aberdare). External grants are sought to provide match funding for our activities.

ACHIVEMENTS AI	ND PERFORMANCE
The organisation h securing new comr	as seen significant growth in 2017 by retaining key staff, increased opening hours and mercial contracts.
Sustainability	
,	In 2015 we purchased and partially renovated an 8,000 sq. ft. warehousing unit adjacent to our facility in Ynyshir.
	2017 saw the refurbishment completed of this building using capital funding from Communities Facility Programme and our own reserves.
	Our application to the Big Lottery Fund's People and Places programme was successful and we secured a grant of £500,000 to renovate our building which will assist us to open a charity showroom, workshop and extensive community space in Treorchy.
Providing access to affordable household items	Our Aberdare branch has now extended its opening hours and is now open 7 days per week to increase accessibility to our services.
	Our Ynyshir branch continues to be open 7 days per week.
	Over 10,000 customers used the services of toogoodtowaste in 2017. Customers selected over 74,000 re-use items from our charity showrooms in 2017 (62,000 in 2016).
Maintaining & increasing quality & quantity of goods	The partnership working with DHL/Dixon Group has continued providing access to returns and re-usable domestic appliances WEEE.
available	We continue to work with Airsprung & Gainsborough beds which gives us access to nearly new beds and mattresses that have been returned from retailers.
	We have also signed agreements with the John Lewis Partnership and IKEA to receive returned furniture and electrical stock.
·	Partnership working with Play it Again Sport has enabled the supply of a large selection of bargain sports kit which is available to buy in both our showrooms.
Helping low income households	We worked with 18 different referral partners to identify individuals and families in need, 357 requests were received benefitting 609 people. The value of furniture provided to those people referred to us for help for furniture and equipment was over £62,000.
	Our 12 days of Christmas anti-poverty event offered free furniture to a further 4 families and helped them choose the essential items they needed totaling £928, at one of the most expensive times of the year for families.
	Our team of volunteers and staff, participated in BBC Children in Need appeal raising £290 through a variety of fun events and donating all delivery charges paid by customers on the day.

ACHIEVEMENTS AND PERI	FORMANCE (continued)
Providing opportunities to volunteer & train	Our aim is to facilitate and develop a learning culture within this organisation that nurtures talent every day for everyone. All participants were provided with instruction into their role and health and safety training. Individuals were also able to access specific work based training to improve their skills and qualifications within various roles in the organisation. A competency based training programme has been introduced within different roles in the organisation to enable individuals to gain skills and measure their performance (similar to the NVQ format).
	In 2017 we became an Agored Cymru Recognised Training Centre; all staff completed their Agored Cymru Assessor training and our Training Coordinator also successfully completed his Agored Cymru Internal Verifier Training. We are now able to offer Agored Cymru accredited training to our volunteers & placements.
	In total, 282 people supported us in an unpaid capacity and they provided the organisation with 53,455 hours in an unpaid capacity. We worked with 29 external organisations that identified potential volunteers and placements that were looking to expand their work experience or learn new skills. These placements included many individuals who were referred for work-taster sessions, who are considered to be furthest away from the labour market and/or difficult to engage. 19 people finished their volunteering/work placement with us to start paid employment.
Special Events and Celebrating volunteering	Recognising and valuing the support of volunteers is at the heart of this organisation. As part of volunteers week the team celebrated with trips out to Porthcawl, West Midlands Safari Park & Quad Biking. We then celebrated the end of the year with a Christmas meal held at our Ynyshir showroom with awards presented to individuals who had made a significant difference to the organisation or others during the year.

ACHIEVEMENTS AND PERI	FORMANCE (continued)
Recycling & waste management	729 tonnes of waste was diverted from landfill in 2017, an increase of 10 Tonnes from 2016.
	The number of items donated for re-use in 2017 rose to over 87,000, an increase of 17%.
·	Partnership working with other organisations continued in 2017 and these provided new and innovative ways of increasing community re-use. For example: Vision Aid (Invalid Aids), Specsavers (Spectacles).
	In 2017 IKEA donated over 2,756 new metal bins which were destined for landfill which we were then able to re-sell at a much reduced price through the charity showrooms.
	A large donation of duvets and pillows were donated to us from the Ministry of Defence and we were able to help 24 different animal rescues.
	As part of the Furniture Reuse network, partnership working has been established with:
	 DHL and Dixon Carphone for domestic appliance re-use Airsprung & Gainsborough for beds and mattresses IKEA for furniture and electrical products John Lewis for Furniture Items LG for Electrical items
Social Enterprise – Property Clearance Project	Income generated from our Ethical House Clearance project and related online sales was £36,495 and 94 clearances were completed, collecting over 9,000 items.
	We have started to gain referrals through probate solicitors and now work actively with 8 practices on a regular basis.

FINANCIAL REVIEW	and the second s
Income from donations and legacles	Income generated from Gift Aid Retail Scheme was £25,158.
Income from Charitable Activities	The Service level agreement with RCT Environmental services was maintained at £20,000 for the year.
	Income generated through our two showrooms from the supply of household items increased by 13% to £691,666 in the year. The increase has been achieved by maintaining the services, increasing the number of beneficiaries that use our services and the expansion of commercial contracts as part of the Furniture Reuse Network (FRN).
	The value of performance related grants was £122,562. (£45,160 Revenue and £77,702 Capital)
:	£51,741 of grant income was the remainder of capital funding towards the renovations of the warehouse and processing facility.
Expenditure for Charitable Activities	The cost of providing Charitable activities increased in the year to £898,338 (£751,229 in 2016).
	To support the growing needs of the organisation, the staff and volunteer personnel were increased in the year which resulted in an increase in costs to £546,448 (£488,110 in 2016). Increases were also seen in adverting due to the re-brand to Toogoodtowaste Limited and in Legal and professional costs for consultancy work into potential franchise models. Where possible, operating costs for telephones and administration were reduced.
	Included in the above costs for Charitable activities are depreciation costs of £94,883, an increase on the previous year of £48,228.
Net movement in funds	The increase in own generated income has helped cover the reduced amount of revenue funding received in the year with an overall operating surplus on unrestricted funds of £2,221 for 2017.
	A loss of £1,529 in restricted funds is as a result of the depreciation charge for renovations to the processing unit where the income has been received in previous years.
	The £2,221 unrestricted surplus for the year will be retained within the General Fund.

FINANCIAL REVIEW (conti	nued)
Reserves Policy	The organisation aims to retain adequate reserves to fund both fixed assets and working capital. It is the Trustees' view that working capital reserves amounting to three months' expenditure are adequate. Whilst this remains the organisations objective, recent investment into infrastructure has reduced working capital reserves below three months' expenditure. The free reserves i.e. those not tied up in fixed assets held at 31st December 2017 amounted to £40,844 (2016: £43,047) whereas three
,	months' expenditure (excluding depreciation) is £200,000. While this is significantly below the figure set by the trustees, the intention remains to rebuild reserves to the desired level as soon as feasible. The trustees are aware of the risks of not having sufficient reserves and the reserves policy will be reviewed in 2018 as part of our future strategy planning.
Pay Policy for senior staff	The pay of senior staff is reviewed annually by the board of directors. The organisation, guided by the board of directors, have adopted a set of principles when setting charity staff remuneration so as to achieve a balance between fair pay to attract and keep appropriately qualified staff to lead, manage and support or deliver the charity's aims.

RISK MANAGEMENT	
Risk review	The board of directors have a risk management strategy which comprises: • An annual review of the principal risks and uncertainties that the charity faces; • the establishment of new policies, systems and procedures to mitigate those risks identified in the annual review; and • The implementation of procedures designed to minimise or manage any potential impact on the charity should those risks materialise. Main Risks identified are: • Compliance with environmental legislation • Change in Government position on volunteering • Lack of Income • Fraud Attention is also focused on non-financial risks by having a proactive approach to Health & Safety, which is managed by a NEBOSH qualified member of the organisation. As part of the induction process all new personnel (paid and unpaid) receive health & safety awareness and manual handling training.
	No RIDDOR notifications were required to be reported to the HSE.

FUTURE PLANS	
People and Places	Our application to the Big Lottery Fund's People and Places programme in 2017 was successful and we secured a grant of £500,000 to open a charity showroom, workshop and community space in Treorchy. This funding will enable us to create a vibrant new facility which will engage the community in training, life-long learning and volunteering to deliver anti-poverty, re-use and recycling services and our aim is to give the building the life it had as a school and for local people to love it again. The building will be developed to create a large charity showroom, displaying safe, clean and affordable pre-owned items of furniture, electrical, clothing and household items at affordable prices, a large workshop, a customer carpark and community spaces.
·····	The building work is scheduled to commence early in 2018 with the planned opening for October 2018.
Increase accessibility	Continue to open both branches to the public 7 days per week.
	Explore and trial late night opening in our Ynyshir branch is help working families who are unable to access our services in the day due to other commitments.
Increase turnover	 Negotiate more contracts for end-of-use furniture items supplied by commercial organisations. Additional retail outlet (consideration will be given to a pop-up or temporary shop). Target more affluent areas to increase donations of higher-value items. Increase demand for property clearance service (ideally via service level agreements with landlords and/or solicitors). Increase Gift Aid donations. Improve stock flow and quality control.
Development	Develop own capacity: Management team to scale up the organisation to meet increased turnover and effectively manage and deliver the growth of services.
	Management team (with support of staff team) to develop improved processes flows (stock, people, reporting) to effectively manage use of additional premises.
	Improve evaluation and monitoring.

FUTURE PLANS (co	ontinue	1)
Volunteering and based learning	Work	Improve the recruitment and retention of Volunteers throughout the organisation: Training staff and key volunteers in supervision and monitoring. Renewing our Investors in Volunteering Award Targeting a range of volunteers including those who have academic qualifications (e.g. Graduates) that would benefit from the work based learning and training we offer. Maximise the number of volunteers who sign up and complete our internal training and development programmes. Aim to get some of our training and development programmes accredited/approved and/or aligned with recognised standards. Using the Social Impact Tracker software, evaluate and report on the engagement of volunteers and use of this information to better plan the use of our resources for recruitment and training.
Waste minimisation	1	Continue to maintain a free collection service for all re-usable goods.

TRUSTEES REPORT (CONTINUED)(INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 DECEMBER 2017

STRUCTURE, GOVERNANCE & MANAGEMENT

The organisation by special resolution on 30th May 2017 changed its name to toogoodtowaste Limited. (Previous name Valleys Furniture Recycling Limited).

The organisation registered as a charity in September 1994 and incorporated on 2 December 1996. On 19 June 2000 it registered as a company limited by guarantee and adopted its Memorandum and Articles of Association. The business of the company is managed and administered by a Board of Directors (trustees) who are accountable to the members of the company. The Board of Trustees can have up to 15 members (12 elected at the Annual General Meeting [AGM]) and 3 co-opted members.

Full Board Meetings and Finance, Employment and Marketing Sub Committee meetings are held quarterly, on alternate months (where possible).

Appointment of Trustees

As set out in the Articles of Association, new trustees are nominated and seconded by FULL members of the company prior to the Annual General Meeting. Only a FULL member can be proposed for nomination. A third of trustees must retire by rotation (longest in office) at each AGM, but may put themselves forward for re-election provided they are nominated and seconded by FULL members. The trustees have the power to co-opt a further three individuals to fill specialist roles. Co-opted Trustees must retire prior to the next AGM but may present themselves for nomination. The Chair of the Trustees is elected by the Board at the first full board meeting following the AGM.

Trustee recruitment: Induction and training

Potential new trustees are provided with an induction pack and encouraged to attend an informal meeting with representatives from existing Board members to discuss the Values, Aims and Objectives of the company and their obligations under Charity and Company Law, prior to nomination. Official checks are undertaken to ensure applicants meet the legal requirements of acting as a charity trustee. Following appointment, new trustees undergo an induction process which includes familiarisation with key documents including: Memorandum and Articles of Association, Business Plan and Financial Budgets. During the induction process, new trustees are encouraged to spend some time within the organisation, meeting current paid and unpaid personnel, customers and stakeholders. Specific training on governance is also provided.

Company Members

The directors may admit to 'FULL' membership, individuals over the age of 18 years and/or any society, unincorporated association or company, who are in agreement with the objects of the company. The directors may also accept employees of the company or their immediate family as an 'ASSOCIATE' Member (an associate member cannot be nominated as a trustee).

As at December 2017, there were 64 paid up members of the company (77 in 2016) (27 Full members, 14 Organisations, 23 Associate members)

The liability of the members of the company is limited to £1 each. Every member of the company undertakes to contribute £1 to the company assets, if the company should be dissolved whilst she/he is a member.

TRUSTEES REPORT (CONTINUED)(INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 DECEMBER 2017

The trustees (who are also directors of Toogoodtowaste Limited for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- · select suitable accounting policies and then apply them consistently;
- · observe the methods and principles in the Charities SORP;
- · make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

Auditors

The auditors, MHA Broomfield Alexander, will be proposed for re-appointment at the forthcoming Annual General Meeting.

Small company exemptions

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

The trustees report was approved by the Board of Trustees.

INDEPENDENT AUDITOR'S REPORT

TO THE TRUSTEES OF TOOGOODTOWASTE LIMITED

Opinion

We have audited the financial statements of toogoodtowaste Limited (the 'charity') for the year ended 31 December 2017 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 December 2017 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
 and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the accounts section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the accounts in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

TO THE TRUSTEES OF TOOGOODTOWASTE LIMITED

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees report; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the statement of trustees responsibilities, the trustees, who are also the directors of the charity for the purpose of company law, are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditors under section 145 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: http://www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2017

1 Accounting policies

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's [governing document], the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The charity is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the accounts, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the accounts.

1.3 Charitable funds

General funds are unrestricted funds which are available for use at the discretion of the Board in furtherance of the general objectives of the Society and which have not been designated for other purposes.

Designated funds are unrestricted funds of the charity which the trustees have decided at their discretion to set aside to use for a specific purpose the aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors which have been raised by the Society for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

1.4 Incoming resources

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Income consists of the invoiced value (excluding VAT) of goods sold/supplied to third parties and members.

No amounts are included in the financial statement for services donated by volunteers.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the Bank.

Membership and Subscriptions income is credited to the Statement of Financial Activities in the year in which they are due. Income received in advance is deferred to the appropriate financial year.

Sponsorship income is credited to the Statement of Financial Activities in the year in which they are due.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the and the amount can be measured reliably and is not deferred. Capital grants are released to the SOFA in the year of receipt. Fixed assets relating to capital grants are capitalised, and depreciation charged is offset against the grant income, in a restricted fund.

Income from furniture supplied

A minimum fixed price is required for each item of furniture supplied and is accounted for on a receipts basis.

Furniture auction income and other donations

These sources of income are accounted for on a receipts basis.

Income from donated goods is recognised when the donated goods are sold.

Assets for distribution are recognised only when distributed. Assets given for use by the charity are recognised when receivable.

Turnover is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods and services provided in the normal course of business, net of discounts, VAT and other sales related taxes.

1 Accounting policies (Continued)

1.5 Resources expended

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Costs of raising funds comprise the costs in relation to generating income such as fundraising activities.
- By helping to meet the furniture and household items needs of people on a low income, by, but not limited to, recycling household items which would otherwise be thrown away and by advancing more sustainable waste management practices.
- By advancing the education and development of people, through providing opportunities to volunteer, train, develop work and social skills, gain work experience and encourage social integration.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

Allocation of costs

Expenditure by the charity, in the year, has been split between unrestricted and restricted funds and analysed between charitable activities, governance costs and the cost of generating funds. Expenditure was allocated on the basis of staff time spent on the various activities.

Liabilities Policy

Liabilities are recognised in the Statement of Financial Activities as they become payable.

1.6 Tangible fixed assets

Fixed assets purchased are included at cost. Assets donated to the company are included at market value. All fixed assets are held for the company's own use.

Depreciation or amortisation of fixed assets is calculated to write off their cost or valuation less any residual value over their estimated useful lives on an annual basis as follows:

Freehold property
Leasehold improvements
Office equipment
Tools and equipment
Motor vehicles

12 1/2

5-20% per annum 20% on cost 25% on cost 33.3% on cost 25% per annum

Freehold land is not depreciated.

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

Community asset transfer:

Landnot depreciatedCAT construction costs5% on costEntrust20% on costRank20% on costWelsh Church Act20% on costProfessional/other fees100% on cost

Any tools or equipment costing less than £500 are immediately written off against revenue.

1.7 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount. An impairment loss is recognised immediately in income/ (expenditure for the year, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Recognised impairment losses are reversed if, and only if, the reasons for the impairment loss have ceased to apply. Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset in prior years. A reversal of an impairment loss is recognised immediately, unless the relevant asset is carried in at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase.

1.8 Stocks

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost comprises direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the stocks to their present location and condition.

Unsold donated items are not included in closing stock since their cost is nil and their value is uncertain until sold.

1.9 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2017

1 Accounting policies (Continued)

1.10 Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

1.11 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.12 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

1.13 Debtors

Basic financial assets

Basic financial assets, which include cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Derecognition of financial assets

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the charity transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

1.14 Creditors and provisions

Basic financial liabilities

Basic financial liabilities, including creditors and are initially recognised at transaction price. Financial liabilities classified as payable within one year are not amortised.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.15 Taxation

As a registered charity, Valleys Furniture Recycling Ltd is entitled to the exemption from taxation in respect of income and capital gains received with sections 478-489 of the Corporation Tax Act 2010 and section 256 of the Taxation of Chargeable Gains Act 1992 to the extent that these are applied to its charitable objects purposes only.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2017

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

20 Designated funds

The income funds of the charity include the following designated funds which have been set aside out of unrestricted funds by the trustees for specific purposes:

		Movement in funds			
	Balance at 1 January 2017	Incoming resources	Resources expended	Balance at 31 December 2017	
	£	£	£	£	
Project closure costs	20,000			20,000	
	20,000	-	-	20,000	

Project closure - The board recognise the need to maintain a reserve to cover the closure costs arising from a significant reduction in income. Due to substantial investment in infrastructure in 2016 and 2017 this figure remains at £20,000 for this year but will be increased to £80,000 in future years when funds become available.

Contributions for membership for individuals were set at £5 for waged and £1 for unwaged. Organisations contributed £25 for membership. Each member's liability is limited to £1. At 31 December 2017, there were 64 members of the company (2016: 77).

26 Related party transactions

No related party transactions occurred during the current or previous year which are required to be disclosed under FRS 102.

Remuneration of key management personnel

The remuneration of key management personnel is as follows.

	2017	2016
	£	£
Aggregate compensation	89,169	109,352
		

The key management personnel of the charity comprise of the Chief Executive Officer, General Manager, Operations Manager and Finance Manager.

The charity has purchased insurance to protect it from loss arising from the neglect or defaults of its trustees and employees, and to indemnify the trustees against the consequences of any neglect or default on their part. The cost of this insurance is included within the overall cost of a specialist charity policy which includes property insurance and employer's liability insurance and cannot therefore be separately identified.
