BHP BILLITON GROUP LIMITED

DIRECTORS' RESPONSIBILITIES STATEMENT FOR THE YEAR ENDED 30 JUNE 2017

The directors are responsible for preparing the Strategic Report, the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK accounting standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 101 *Reduced Disclosure Framework*.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- assess the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

BHP BILLITON GROUP LIMITED

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF BHP BILLITON GROUP LIMITED

Opinion

We have audited the financial statements of BHP Billiton Group Limited ("the company") for the year ended 30th June 2017 which comprise the Statement of profit and loss and other comprehensive income, Balance sheet, Statement of changes in equity, and related notes, including the accounting policies in note 1.

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 30th June 2017 and of its profit for the year then ended;
- have been properly prepared in accordance with UK accounting standards, including FRS 101 *Reduced Disclosure Framework*; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities are described below. We have fulfilled our ethical responsibilities under, and are independent of the company in accordance with, UK ethical requirements including the FRC Ethical Standard. We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion.

Going concern

We are required to report to you if we have concluded that the use of the going concern basis of accounting is inappropriate or there is an undisclosed material uncertainty that may cast significant doubt over the use of that basis for a period of at least twelve months from the date of approval of the financial statements. We have nothing to report in these respects.

Strategic report and directors' report

The directors are responsible for the strategic report and the directors' report. Our opinion on the financial statements does not cover those reports and we do not express an audit opinion thereon.

Our responsibility is to read the strategic report and the directors' report and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work:

- we have not identified material misstatements in the strategic report and the directors' report;
- in our opinion the information given in those reports for the financial year is consistent with the financial statements; and
- in our opinion those reports have been prepared in accordance with the Companies Act 2006.

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in these respects.

BHP BILLITON GROUP LIMITED

Directors' responsibilities

As explained more fully in their statement set out on page 4, the directors are responsible for: the preparation of the financial statements and for being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our opinion in an auditor's report. Reasonable assurance is a high level of assurance, but does not guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

A fuller description of our responsibilities is provided on the FRC's website at www.frc.org.uk/auditorsresponsibilities.

The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

BHP BILLITON GROUP LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2017

1. ACCOUNTING POLICIES

1.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

BHP Billiton Group Limited is a private company incorporated, domiciled and registered in England in the UK. The registered number is 3298904 and the registered address is Nova South, 160 Victoria Street, London SW1E 5LB. The Company is exempt by virtue of s400 of the Companies Act 2006 from the requirement to prepare group financial statements. These financial statements present information about the Company as an individual undertaking and not about its group.

The financial statements have been prepared under the historical cost convention and in accordance with Financial Reporting Standard 101 'Reduced Disclosure Framework' and the Companies Act 2006. The amendments to FRS 101 (2014/15 Cycle) issued in July 2015 have been applied.

In preparing these financial statements, the Company applies the recognition, measurement and disclosure requirements of International Financial Reporting Standards as adopted by the EU ("Adopted IFRSs"), but makes amendments where necessary in order to comply with Companies Act 2006 and has set out below where advantage of the FRS 101 disclosure exemptions has been taken.

The preparation of financial statements in compliance with FRS 101 requires the use of certain critical accounting estimates. It also requires management to exercise judgment in applying the Company's accounting policies (see note 2).

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

1.2 FINANCIAL REPORTING STANDARD 101 - REDUCED DISCLOSURE EXEMPTIONS

The company has taken advantage of the following disclosure exemptions under FRS 101:

- the requirement in paragraph 38 of IAS 1 'Presentation of Financial Statements' to present comparative information in respect of paragraph 79(a)(iv) of IAS 1
- the requirements of paragraphs 10(d), 10(f), 16, 38A, 38B, 38C, 38D, 40A, 40B, 40C, 40D, 111 and 134-136 of IAS 1 Presentation of Financial Statements
- the requirements of IAS 7 Statement of Cash Flows
- the requirements of paragraphs 30 and 31 of IAS 8 Accounting Policies, Changes in Accounting Estimates and Errors
- the requirements of paragraph 17 of IAS 24 Related Party Disclosures
- the requirements in IAS 24 Related Party Disclosures to disclose related party transactions entered into between two or more members of a group, provided that any subsidiary which is a party to the transaction is wholly owned by such a member
- the requirements of paragraphs 134(d)-134(f) and 135(c)-135(e) of IAS 36 Impairment of Assets.

1.3 GROUP ACCOUNTS

The Company is exempt by virtue of section 400 of the Companies Act 2006 from the requirement to prepare group financial statements. These financial statements present information about the Company as an individual undertaking and not about its group.

The Company's ultimate parent undertaking, BHP Billiton Plc includes the Company in its consolidated financial statements. The consolidation financial statements of BHP Billiton Plc are prepared in accordance with International Financial Reporting Standards and are available to the public and may be obtained from Nova South, 160 Victoria Street, London SW1E 5LB.

BHP BILLITON GROUP LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2017

1. ACCOUNTING POLICIES (continued)

1.4 GOING CONCERN BASIS

The financial statements have been prepared on a going concern basis. The Company has current liabilities in excess of current assets by US\$12,621,788,000 (2016: US\$12,557,555,000) and net assets of US\$5,689,442,000 (2016: US\$5,751,175,000) at 30 June 2017. The Directors believe that the going concern basis is appropriate, given the Company's net assets position and that they expect further funding as necessary to be available from the parent company. In addition, a letter of undertaking has been obtained from BHP Billiton Finance B.V. to not seek repayment of the outstanding loan payable within 12 months.

1.5 VALUATION OF INVESTMENTS

Investments in subsidiary companies are carried at Directors' valuation, which are determined periodically, in accordance with the Alternative Accounting Rules set out in Schedule 1 Part 2 Section C Paragraph 32 in the Small Companies and Groups (Accounts and Directors' Report) Regulations 2008.

The value of investments is reviewed annually to determine whether the carrying amount exceeds the recoverable amount, being the amount of cash that the asset will generate over its life through its use and disposal. Valuations for the purpose of assessing the recoverability of the investments are based on a discounted cash flow methodology which reflects current estimates of available reserves and relevant economic assumptions including: price, costs, inflation, cost of capital, and foreign exchange rates. In circumstances where investments are determined to be carried at an amount in excess of their recoverable amount, they are written down to the greater of value in use and expected sale value less disposal costs. Prior to 1 July 2006, fixed asset investments in subsidiaries were individually recorded at cost less provisions for impairments.

1.6 DEBTORS

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

1.7 CREDITORS

Creditors are obligations to pay as a consequence of Company's financing and investing activities and comprise amounts owed to the group undertakings

Creditors are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method.

1.8 FINANCIAL INSTRUMENTS

The Company classifies financial instruments, or their component parts, on initial recognition as a financial asset, a financial liability or an equity instrument in accordance with the substance of the contractual arrangement.

Financial assets and financial liabilities are recognized on the Company's balance sheet when the Company becomes party to the contractual provisions of the instrument and are initially recognized at fair value.

BHP BILLITON GROUP LIMITED

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2017**

1. ACCOUNTING POLICIES (continued)

1.9 FOREIGN CURRENCY TRANSLATION

Functional and presentation currency

The company's functional and presentational currency is USD.

Transactions and balances

Foreign currency transactions are translated into the functional currency using the spot exchange rates at the dates of the transactions.

At each year end foreign currency monetary items are translated using the closing rate. Non-monetary items measured at historical cost are translated using the exchange rate at the date of the transaction and non-monetary items measured at fair value are measured using the exchange rate when fair value was determined.

Foreign exchange gains and losses resulting from the settlement of transactions and from the translation at period-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the Profit and loss account except when deferred in other comprehensive income as qualifying cash flow hedges.

Foreign exchange gains and losses that relate to borrowings and cash and cash equivalents are presented in the Profit and loss account within 'finance income or costs'. All other foreign exchange gains and losses are presented in the Profit and loss account within 'other operating income'.

1.10 FINANCE COSTS

Finance costs are charged to the profit and loss account over the term of the debt using the effective interest method so that the amount charged is at a constant rate on the carrying amount. Issue costs are initially recognised as a reduction in the proceeds of the associated capital instrument.

1.11 DIVIDENDS

Equity dividends are recognised when they become legally payable. Dividends on shares recognised as liabilities are recognised as expenses and classified within interest payable.

1.12 INTEREST INCOME

Interest income is recognised in the Profit and Loss account using the effective interest method.

BHP BILLITON GROUP LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2017

1. ACCOUNTING POLICIES (continued)

1.13 TAXATION

Tax is recognised in the Income Statement, except to the extent that it is attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity in which case it is recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the balance sheet date in the countries where the Company operates and generates income.

Reductions in the UK corporation tax rate to from 20% to 19% (effective from 1 April 2017) and from 19% to 17% (effective 1 April 2020) were substantively enacted on 26 October 2015 and 6 September 2016.

2. JUDGMENTS IN APPLYING ACCOUNTING POLICIES AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In preparing the financial statements, management is required to make estimates and assumptions that affect the amounts represented in the financial statements and related disclosure. Use of available information and the application of judgement is inherent in the formation of estimates. Actual results in the future could differ from these estimated which may be material to the financial statements.

The recognition and measurement of impairment of investments in subsidiaries requires the use of significant judgements and estimates in which investments in subsidiaries are reviewed for impairments where events or changes in circumstances indicate that the carrying amount of the investment may not be recoverable. If the asset is determined to be impaired, an impairment loss will be recorded and the asset written down based on the amount by which the asset carrying amount exceeds the higher of fair value less cost of disposal and value in use. An impairment loss is recognized immediately in the income statement.

Additional information relating to the significant judgments and estimates of impairments of investments in subsidiaries is embedded within Note 9 Investments.

3. OPERATING RESULTS

The operating loss is stated after (crediting) / charging:

	2017 \$000	2016 \$000
Auditor's remuneration	15	23
Impairment on investments	-	3,903,423

United Kingdom taxation

The Company is a member of a group for purposes of relief under Part 5 Corporation Tax Act 2010. The Company has provided group relief to other group companies at the tax cost of the relief provided (2016: group relief was provided at the tax cost of the relief provided).

There are no timing differences that result in a provision for deferred tax for either the year ended 30 June 2017 or the year ended 30 June 2016.

8. Unrecognised Deferred Taxation

The Company has unused income and capital losses of US\$100,606,762 and US\$19,694,627 respectively (US\$95,755,338 and US\$19,694,627 as at 30 June 2016). Deferred tax assets have not been recognised in respect of these unused losses as it is not probable that there will be future taxable profits against which these unused tax losses can be utilised.
