DIRECTORS' REPORT

The directors present their Annual Report and the audited Financial Statements of Moorgate Servicing Limited ('the Company'), registration no 3303751, for the year ended 30 September 2010

BUSINESS REVIEW AND PRINCIPAL ACTIVITIES

The Company is a subsidiary of The Paragon Group of Companies PLC ('the Group') The Company acts as a holding company The movements on fixed assets investments are as detailed in note 6 and these comprise the holdings in other group companies

As shown in the Company's profit and loss account on page 5, profit on ordinary activities after taxation has increased from £nil to £2,000,000

The balance sheet on page 6 of the Financial Statements shows the value of investments the Company currently holds Details of amounts owed to other group companies are shown in note 9

The directors recommend no final dividend (2009 £nil) which, given the interim dividend of £1,000,000 per share (2009 £nil), means a total dividend for the year of £1,000,000 per share (2009 £nil)

The Group manages its operations on a centralised basis For this reason, the Company's directors believe that further key performance indicators for the Company are not necessary or appropriate for an understanding of the development, performance or position of the business

PRINCIPAL RISKS AND UNCERTAINTIES

The Company's primary financial assets and liabilities are with other group companies, therefore the directors do not consider that the Company is exposed to any significant cash flow, credit or liquidity risks

After considering the above, the directors have a reasonable expectation that the Company will have adequate resources to continue in operational existence for the foreseeable future This is further supported by the Group holding sufficient cash resources to support the Company's obligations as they fall due For this reason, they continue to adopt the going concern basis in preparing the Financial Statements

ENVIRONMENT

The Group recognises the importance of its environmental responsibilities, monitors its impact on the environment, and designs and implements policies to reduce any damage that might be caused by the Group's activities The Company operates in accordance with Group policies, which are described in the Group's Annual Report, which does not form part of this Report

EMPLOYEES

The Company has no employees All operational services are provided by employees of the Group The Group's employment policies are described in its Annual Report, which does not form part of this Report

STATEMENT OF DIRECTORS' RESPONSIBILITIES
in relation to Financial Statements

The directors are responsible for preparing the Annual Report and the Financial Statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that year. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF MOORGATE SERVICING LIMITED

We have audited the Financial Statements of Moorgate Servicing Limited for the year ended 30 September 2010 which comprise the profit and loss account, the statement of movement in shareholders' funds, the balance sheet and the related notes 1 to 10. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Statement of Directors' Responsibilities, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements.

Opinion on Financial Statements

In our opinion the Financial Statements

- give a true and fair view of the state of the company's affairs as at 30 September 2010 and of its profit for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the Financial Statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit.
