AUDITOR'S REPORT
to the Members of Shopready Limited

We have audited the financial statements on pages 5 to 10.

Respective responsibilities of Directors and Auditors

The Directors are responsible for preparing the Directors' report and, as described on page 2, the financial statements in accordance with applicable United Kingdom law and accounting standards. Our responsibilities, as independent auditors, are established in the United Kingdom by statute, the Auditing Practices Board and by our profession's ethical guidance.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act. We also report to you if, in our opinion, the Directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all of the information and explanations we require for our audit, or if information specified by law regarding Directors' remuneration and transactions with the Company is not disclosed.

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by Directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the Company's affairs as at 31 December, 2000 and of its loss for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

NOTES TO THE FINANCIAL STATEMENTS
at December 31, 2000

1 Accounting policies

Basis of preparation

These financial statements have been prepared under the historical cost convention and in accordance with applicable accounting standards.

Valuation of fixed asset investments

The investment is recorded in the balance sheet at cost less amounts provided for any permanent diminution in value. The investment has been restated at the exchange rate ruling at the year end and the exchange gain arising taken to reserves.

Format of financial statements

The Company does not produce a cash flow statement by virtue of an exemption contained in FRS 1 (Revised 1996). The Company's ultimate parent company, Deutsche Bank AG, presents a cash flow statement in its Annual Report.

The Company has taken advantage of the exemption in FRS 8 from disclosing transactions with related parties which are part of the Deutsche Bank AG worldwide group.

Both of the exemptions above also rely on Deutsche Bank AG consolidated financial statements being publicly available (see Note 12).

Foreign currency translations

As foreign currency borrowings have been used to finance the Company's foreign equity investments, exchange gains or losses arising on the borrowings are offset as reserve movements against exchange differences arising on the retranslation of the net investments as permitted by Statement of Standard Accounting Practice No. 20.

Interest income/expense

Interest income and expense is accounted for on an accruals basis.

2 Directors' emoluments

No Directors' emoluments were paid during the year (1999 - £nil).

3 Auditors' remuneration

The remuneration of the auditors is borne by a group undertaking.

4 Taxation

No provision has been made for corporation tax due to tax losses made during the year.

5 Staff costs

The total staff costs have been borne by a Deutsche Bank Group Company without recharge. No staff costs have therefore been included in these financial statements.
