8.11 Sale of assets

A Receiver may sell, exchange, convert into money and realise any Charged Property by public auction, tender or private treaty in any manner and on any terms and with or without such advertisement and in such lot or lots and together or separately as the Receiver thinks fit. - (b) take such steps as may be reasonably necessary (including, without limitation, the institution of legal proceedings and the incurring of advertising expenditure) to police such Specified Intellectual Property in any territory and to prevent third parties infringing it and otherwise to maintain and preserve its value.

9. Application of Proceeds

Subject to the terms of the Intercreditor Deed, any monies received by the Security Trustee or any Receiver after this Deed has become enforceable shall be applied in the following order of priority (but without prejudice to the right of the Security Trustee to recover any shortfall from the Chargors):

- (a) in satisfaction of or provision for all costs and expenses incurred by the Security Trustee or any Receiver and of all remuneration properly due to any Receiver under this Deed;
- (b) in or towards payment of the Secured Liabilities or such part of them as is then due and payable to the Security Trustee; and
- (c) in payment of the surplus (if any) to any Chargor or other person entitled to it.

10. Expenses and Indemnity

Immediately upon demand, each Chargor shall pay all other costs and expenses (including legal fees and VAT) incurred from time to time in connection with the enforcement of or preservation of rights under this Deed by the Security Trustee, or any Receiver, attorney, manager, agent or other person appointed by the Security Trustee under this Deed or by statute, and keep each of them indemnified against any failure or delay in paying the same.

11. Delegation

The Security Trustee and any Receiver may, for the time being and from time to time, delegate by power of attorney or in any other manner (including, without limitation, under the hand of any manager of the Security Trustee) to any person any right, power or discretion exercisable by the Security Trustee or such Receiver (as the case may be) under this Deed. Any such delegation may be made upon the terms (including, without limitation, power to sub-delegate) and subject to any regulations which the Security Trustee or such Receiver (as the case may be) may think fit. Neither the Security Trustee nor any Receiver will be in any way liable or responsible to any Chargor for any loss or liability arising from any act, default, omission or misconduct (other than gross negligence or wilful misconduct) on the part of any such delegate or sub-delegate who shall be entitled to all the indemnities to which his appointor is entitled under this Deed.

12. Further Assurances

12.1 General

Each Chargor shall, at its own expense, execute and do all such acts, deeds and things (including, without limitation, payment of all stamp duties and registration fees) the Security Trustee or a Receiver may reasonably require for:

- (a) perfecting or better perfecting or protecting or better protecting and/or registering the security intended to be created by this Deed or any standard security (and/or assignation of rents relating to property located in Scotland) over any Charged Property or Scottish Heritable Property; and
- (b) after the security constituted by this Deed has become enforceable, facilitating the realisation of any Charged Property or Scottish Heritable Property or the exercise of any right, power or discretion exercisable, by the Security Trustee or any Receiver in respect of any Charged Property, or Scottish Heritable Property including, without limitation, the execution of any transfer, conveyance, assignment or assurance of any property whether to the Security Trustee or to its nominees, and the giving of any notice, order or direction and the making of any registration, which in any such case, the Security Trustee may think necessary or desirable.

12.2 Further Subsidiaries

- (a) Each Chargor undertakes to ensure that each company which is required to grant security pursuant to the terms of the Facility Agreement, and which becomes a Subsidiary (whether direct or indirect) of any Chargor after the date of this Deed shall, promptly upon being required to do so by the Security Trustee but subject to any applicable local law requirements or limitations, execute a Deed of Accession in substantially the form set out in Schedule 8 (*Deed of Accession*) (and such other security documents in relation to property located in Scotland or otherwise governed by Scots law as required pursuant to the terms of the Facility Agreement) and such company shall on the date which such Deed of Accession is executed by it become a party to this Deed in the capacity of a Chargor and this Deed shall be read and construed for all purposes as if such company had been an original party to this Deed as a Chargor (but for the avoidance of doubt the security created by such company shall be created on the date of the Deed of Accession).
- (b) The Security Trustee or any other Finance Party may specify any amendments or changes to the form or manner in which any such new Chargor gives such security provided it is no more onerous than the terms hereof or, in the case of property located in Scotland or otherwise governed by Scots law or the laws of any other jurisdiction, the existing agreed form of the applicable security document (including an acceptance of a limit on the liability of such new Chargor) which in the opinion of the Security Trustee is necessary in order that such security may lawfully be given.
- (c) The Company shall procure that all registrations or other steps necessary to perfect any security created by a Deed of Accession or other applicable security document are completed as soon as is practicable after its execution and in any event within any applicable time limit.
- (d) Each Chargor (other than the Company) by its execution of this Deed or any Deed of Accession, irrevocably appoints the Company to execute on its behalf any Deed of Accession without further reference to or the consent of such Chargor and such Chargor shall be bound by any such Deed of Accession as if it had itself executed such Deed of Accession.
- (e) Without limiting the other provisions of this Clause 12.2 (*Further Subsidiaries*), each Chargor acknowledges that any Subsidiary which executes a Deed of Accession will become bound by,

and entitled to the benefit of all provisions of this Deed applicable as between the Chargors themselves.

13. Power of Attorney

Each Chargor, by way of security, irrevocably and severally appoints the Security Trustee, each Receiver and any of their delegates or sub-delegates to be its attorney and on its behalf and in its name or otherwise to execute and do all such acts, deeds and things which such Chargor is obliged to take under this Deed and generally, on its behalf and in its name, to exercise all or any of the powers, authorities and discretions conferred by or pursuant to this Deed on the Security Trustee or any Receiver. Each Chargor hereby ratifies and confirms and agrees to ratify and confirm whatever any attorney does or purports to do pursuant to its appointment under this Clause.

14. Continuing Security

14.1 Additional Security

The security constituted by this Deed is in addition to and is not in any way prejudiced by any other security now or subsequently held by the Security Trustee for any of the Secured Liabilities.

14.2 Continuing Security

The security constituted by this Deed is continuing and will extend to the ultimate balance of all the Secured Liabilities, regardless of any intermediate payment or discharge in whole or in part.

14.3 Reinstatement

If any payment by a Chargor or any discharge given by the Security Trustee (whether in respect of the obligations of any Obligor or any security for those obligations or otherwise) is avoided or reduced as a result of insolvency or any similar event:

- (a) the liability of each Chargor shall continue as if the payment, discharge, avoidance or reduction had not occurred; and
- (b) the Security Trustee shall be entitled to recover the value or amount of that security or payment from each Chargor, as if the payment, discharge, avoidance or reduction had not occurred.

14.4 Waiver of defences

The obligations of each Chargor under this Deed will not be affected by an act, omission, matter or thing which, but for this Clause, would reduce, release or prejudice any of its obligations under this Deed (without limitation and whether or not known to it or the Security Trustee) including:

- (a) any time, waiver or consent granted to, or composition with, any Obligor or other person;
- (b) the release of any other Obligor or any other person under the terms of any composition or arrangement with any creditor of any Obligor or any other person;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Obligor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of an Obligor or any other person;

- (e) any amendment (however fundamental) or replacement of a Finance Document or any other document or security;
- (f) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or security; or
- (g) any insolvency or similar proceedings.

14.5 Immediate recourse

Each Chargor waives any right it may have of first requiring the Security Trustee to proceed against or enforce any other rights or security or claim payment from any person before enforcing the security constituted by this Deed. This waiver applies irrespective of any law or any provision of a Finance Document to the contrary.

14.6 Appropriations

At any time after the service of a notice under Clause 22.12 (*Acceleration*) of the Facility Agreement and until all the Secured Liabilities have been irrevocably paid in full, the Agent may:

- (a) refrain from applying or enforcing any other monies, security or rights held or received by the Security Trustee in respect the Secured Liabilities and no Chargor shall be entitled to the benefit of the same; and
- (b) hold in an interest-bearing suspense account any monies received from any Chargor or on account of any Chargor's liability in respect of the Secured Liabilities.

14.7 Deferral of Chargors' rights

Until all the Secured Liabilities have been irrevocably paid in full and unless the Security Trustee otherwise directs, no Chargor will exercise any rights which it may have by reason of performance by it of its obligations under the Finance Documents:

- (a) to be indemnified by an Obligor;
- (b) to claim any contribution from any other guarantor of any Obligor's obligations under the Finance Documents; and/or
- (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any of the Finance Party's or Security Trustee's rights under the Finance Documents or of any other guarantee or security taken pursuant to, or in connection with, the Finance Documents by the Security Trustee or any other Finance Party.

15. Miscellaneous

15.1 Covenant to pay

Each Chargor, as primary obligor and not merely as surety, covenants with the Security Trustee that it will pay when due and payable the Secured Liabilities.

15.2 The Land Registry

In respect of the Mortgaged Property, if required by the Security Trustee, each Chargor undertakes to make or procure that there is made due application to the Chief Land Registrar (at the same time as registering each legal mortgage in Clause 2.1(a)):

- (a) for a restriction in the following terms to be entered on the Register of Title relating to any Mortgaged Property registered at The Land Registry in its name and against which this Deed may be noted:

“No disposition of the registered estate by the proprietor of the registered estate is to be registered without a written consent signed by the proprietor for the time being of the charge dated [] 2019 in favour of Wells Fargo Capital Finance (UK) Limited referred to in the charges register.”; and

- (b) to enter into an obligation to make further advances on the register of title relating to it.

15.3 New Accounts

If the Security Trustee receives, or is deemed to be affected by, notice, whether actual or constructive, of any subsequent charge or other interest affecting any Charged Property and/or the proceeds of sale of any Charged Property, the Security Trustee may open a new account for any Chargor. If the Security Trustee does not open a new account, it shall nevertheless be treated as if it had done so at the time when it received or was deemed to have received notice. As from that time all payments made to the Security Trustee will be credited or be treated as having been credited to the new account and will not operate to reduce any amount for which this Deed is security and, furthermore, the Security Trustee shall be under no obligation to advance any monies or provide or continue to provide any credit facility to any Borrower.

15.4 Tacking

The Security Trustee covenants with each Chargor that it shall perform its obligations under any document creating or evidencing the Secured Liabilities (including any obligation to make available further advances).

15.5 Separate Charges

This Deed shall, in relation to each Chargor, be read and construed as if it were a separate Deed relating to such Chargor to the intent that if any Security Interest created by any other Chargor in this Deed shall be invalid or liable to be set aside for any reason, this shall not affect any Security Interest created under this Deed by such first Chargor.

15.6 Invalidity

If, at any time, any provision of this Deed is or becomes invalid, illegal or unenforceable in any respect under any law the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired.

16. Release

16.1 Expiry of Security Period

Upon the expiry of the Security Period (but not otherwise), the Security Trustee shall, at the request and cost of the Chargors, take whatever action is necessary to release the Charged Property from the security constituted by this Deed and/or reassign the benefit of the Charged Property to the Chargors. If the Security Trustee has reasonable grounds for believing that any payment made in or towards the discharge of any of the Secured Liabilities is capable of being avoided or set aside under any law applicable to liquidation, administration, receivership or insolvency, then the Security Trustee may defer taking the action contemplated by this Clause 16.1 for such period as it may deem appropriate, provided that period does not extend beyond the statutory period during which such payment is capable of being avoided.

16.2 Other Accounts

At any time before the security created by this Deed shall have become enforceable, in the absence of any directions from the Security Trustee to the contrary, any amounts permitted by the terms of the Finance Documents to be paid into an Other Account shall upon payment into such account stand released from the fixed charge over Book Debts created pursuant to Clause 2 (*Fixed Security*) and shall stand subject to the relevant floating charge created by Clause 3 (*Floating Charge*), provided that such release shall in no respect prejudice the continuance of the fixed charge created pursuant to Clause 2 (*Fixed Security*) in respect of all other Book Debts.

16.3 Purchased Receivables

Where any Receivables are sold to the Agent by a Borrower under the Receivables Finance Facility, such Receivables shall upon title to them validly passing to the Agent under the terms of the Facility Agreement stand released from the Security Interests created by this Deed.

17. Rights and Remedies

The rights of the Security Trustee under this Deed are cumulative, may be exercised as often as considered appropriate and are in addition to the general law. Such rights (whether arising hereunder or under the general law) shall not be capable of being waived or varied otherwise than by an express waiver or variation in writing and, in particular, any failure to exercise or delay in exercising any of such rights shall not operate as a waiver or variation of that or any other such right, any defective or partial exercise of any such rights shall not preclude any other or further exercise of that or any other such right, and no act or course of conduct or negotiation by the Security Trustee or on its behalf shall in any way preclude it from exercising any such right or constitute a suspension or any variation of any such right.

18. Notices

Any notice or other communication to be made or given under this Deed shall be made or given, and shall be deemed to have been received, in accordance with the provisions of Clause 30 (*Notices*) of the Facility Agreement.

19. Counterparts

This Deed may be executed in any number of counterparts and this has the same effect as if the signatures on the counterparts were on a single copy of this Deed.

20. Governing Law

This Deed and any non-contractual obligations arising out of or in connection with it shall be governed by and shall be construed in accordance with English law.

21. Jurisdiction

- (a) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Deed (including a dispute regarding the existence, validity or termination of this Deed) (a **Dispute**).
- (b) The parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no party will argue to the contrary.
- (c) This Clause 21 is for the benefit of the Security Trustee only. As a result, the Security Trustee shall not be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Security Trustee may take concurrent proceedings in any number of jurisdictions.

This Deed has been entered into as a deed on the date stated at the beginning of this Deed.
