Principal activity and business review

The Company qualifies as a small company in accordance with sections 381-382 of the Companies Act 2006 (the 'Act'). B&B's ultimate parent undertaking is UK Asset Resolution Limited ('UKAR'), a private limited company incorporated and domiciled in the United Kingdom, which is wholly owned by the Treasury Solicitor as nominee for HM Treasury. The Company considers the UK Government to remain its ultimate controlling party.

Directors' Report (continued)

Risk management and control

The Director has responsibility for the overall system of internal control and for reviewing its effectiveness. The effectiveness of the risk management is then monitored on an ongoing basis. Further discussion in the context of the B&B Group as a whole is provided in that Group's 2018 Annual Report & Accounts which do not form part of this Report and Financial Statements.

Directors' indemnities

Qualifying third party indemnity provision for the benefit of all Directors was in force during the year under review and remains in force as at the date of approval of the Directors' Report and Financial Statements.

UKAR has arranged Directors' and Officers' Insurance on behalf of the Directors in accordance with the provisions of the Companies Act 2006.

Statement of Directors' Responsibilities

The Directors are responsible for preparing the Strategic Report, Directors' Report and the Financial Statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare Financial Statements for each financial year. Under that law the Directors have prepared the Financial Statements in accordance with International Financial Reporting Standards ('IFRS') as adopted by the European Union. Under company law the Directors must not approve the Financial Statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these Financial Statements, the Directors are required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgements and accounting estimates that are reasonable and prudent;
- State whether applicable IFRS as adopted by the European Union have been followed, subject to any material departures disclosed and explained in the Financial Statements; and
- Prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the Financial Statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Notes to the Financial Statements

1 Principal accounting policies

The Company is an unlimited company incorporated and domiciled in the United Kingdom.

(a) Statement of compliance

The Company's Financial Statements have been prepared and approved by the Directors in accordance with International Financial Reporting Standards as adopted by the EU ('adopted

The Financial Statements comply with the relevant provisions of Part 15 of the Companies Act 2006 and regulations made thereunder.

(b) Basis of preparation

The Financial Statements are prepared on the historical cost basis.

The Financial Statements are presented in pounds sterling, which is the currency of the Company's primary operating environment, and on a going concern basis. The validity of the going concern basis of accounting is dependent upon the funding position of the Company. At the date of approval of these Financial Statements, the B&B Group is reliant upon the financing facilities and the guarantee arrangements provided to B&B by HM Treasury. Withdrawal of the financing facilities or the guarantee arrangements would have a significant impact on the B&B Group's and the Company's operations and their ability to continue as a going concern, in which case adjustments may have to be made to reduce the carrying value of assets to recoverable amounts and to provide for further liabilities that might arise. At the date of signing these Financial Statements, HM Treasury has confirmed its intentions to continue to provide funding until at least 1 January 2020.

The Director considers that the accounting policies set out in this note are the most appropriate to the Company's circumstances, have been consistently applied by the Company in dealing with items which are considered material, and are supported by reasonable and prudent estimates and judgements.

The Financial Statements have been prepared in accordance with EU adopted IFRS, IFRIC interpretations issued by the IFRS Interpretations Committee (formerly the International Financial Reporting Interpretations Committee) and with those parts of the Companies Act 2006 applicable to companies reporting under IFRS. The preparation of the Financial Statements in conformity with these accounting policies and generally accepted accounting principles requires the use of estimates and assumptions that affect the reported values of assets and liabilities at the date of the Financial Statements and the reported amounts of revenues and expenses during the reporting period. Although these estimates are based on management's best knowledge of the amounts, events or actions, actual results ultimately may differ from those estimates.
