DIRECTORS' RESPONSIBILITIES STATEMENT

The Directors are responsible for preparing the annual report and financial statements in accordance with applicable law and regulations

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

HAMMERSON ORACLE PROPERTIES LIMITED

INDEPENDENT AUDITOR'S REPORT TO THE SOLE MEMBER OF HAMMERSON ORACLE PROPERTIES LIMITED

We have audited the financial statements of Hammerson Oracle Properties Limited for the year ended 31 December 2011 which comprise the profit and loss account, the balance sheet, the statement of total recognised gains and losses, the reconciliation of movements in shareholder's funds and the related notes 1 to 13. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the Company's sole member in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's member those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's sole member, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the Directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the Company's affairs as at 31 December 2011 and of its profit for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

HAMMERSON ORACLE PROPERTIES LIMITED

INDEPENDENT AUDITOR'S REPORT TO THE SOLE MEMBER OF HAMMERSON ORACLE PROPERTIES LIMITED (CONTINUED)

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of Directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit, or
- the Directors were not entitled to take advantage of the small companies exemption in preparing the Directors' Report

NOTES TO THE ACCOUNTS **Year ended 31 December 2011**

1. ACCOUNTING POLICIES

The following principal accounting policies have been applied consistently throughout the current and preceding year

(a) Basis of accounting

The financial statements have been prepared under the historical cost convention as modified by the revaluation of investment properties in accordance with all applicable law and United Kingdom accounting standards, with the exception of the depreciation of investment properties as explained below

(b) Going concern

The current economic conditions have created a number of uncertainties which are likely to affect the Company's future performance. The key risks relate to tenant default and property valuations which are closely monitored by the Directors. The financial position of the Company is as set out in the Balance Sheet

The Directors have reviewed the current and projected financial position of the Company, making reasonable assumptions about the future trading performance. After making enquiries, the Directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the annual report and financial statements

(c) Cash flow statement

As the Company is a wholly owned subsidiary it has taken exemption under the terms of Financial Reporting Standard 1 (revised 1996) from preparing a cash flow statement, as its cash flows are included in the consolidated financial statements of Hammerson plc, which are publicly available

(d) Joint arrangements

The financial statements include the financial statements of the Company together with the Company's share of results, assets, liabilities and cashflows arising from joint arrangements. The Company is exempt from the requirement to prepare group accounts, as it is a wholly owned subsidiary of Hammerson plc. The Company's results are included in the group accounts of Hammerson plc, a company registered in England and Wales. Hammerson Oracle Properties Limited has an interest of 50% in the profits and assets of Oracle Shopping Centre Limited

HAMMERSON ORACLE PROPERTIES LIMITED

NOTES TO THE ACCOUNTS Year ended 31 December 2011

1. ACCOUNTING POLICIES (continued)

(e) Net rental income

Rental income from property leased out under an operating lease is recognised in the profit and loss account on a straight-line basis over the lease term. Contingent rents, such as turnover rents, rent reviews and indexation are recorded as income in the periods in which they are earned. Rent reviews are recognised when such reviews have been agreed with tenants.

Lease incentives and costs associated with entering into tenant leases are added to the costs of property and are amortised over the period to the first break option or, if the probability that the break option will be exercised is considered low, over the lease term.

Property operating expenses are accounted for on an accruals basis and any property operating expenditure not recovered from tenants through service charges is charged to the profit and loss account.

(f) Net finance costs/income

Net finance costs/income include interest payable on borrowings and interest receivable on funds invested.

(g) Taxation

Current tax is the expected tax payable on the taxable income for the year, using tax rates applicable at the balance sheet date, together with any adjustment in respect of previous years.

In accordance with Financial Reporting Standard 19 "Deferred Tax", deferred tax is provided in respect of all timing differences that may give rise to an obligation to pay more or less tax in the future.

(h) Investment properties

Investment properties are stated at fair value, being market value determined by professionally qualified external valuers, and changes in fair value are taken to the revaluation reserve.

All costs directly associated with the purchase and construction of a property are capitalised.

HAMMERSON ORACLE PROPERTIES LIMITED

NOTES TO THE ACCOUNTS Year ended 31 December 2011

1. ACCOUNTING POLICIES (continued)

(i) Depreciation

In accordance with Statement of Standard Accounting Practice No 19, no depreciation is provided in respect of freehold properties or leasehold properties with over twenty years to expiry. This is a departure from the requirements of the Companies Act 2006, which requires all properties to be depreciated. Such properties are not held for consumption, but for investment, and the Directors consider that to depreciate them would not give a true and fair view. Depreciation is only one amongst many factors reflected in the annual valuation of properties and accordingly the amount of depreciation, which might otherwise have been charged, cannot be separately identified or quantified. The Directors consider that this policy results in the accounts giving a true and fair view.

(j) Fixed asset investments

Investments in the Company's subsidiaries are stated at cost less provision for impairment.

2. ADMINISTRATION EXPENSES
