7.4.4 To the extent that the Company does not make payment of the Redemption Monies in accordance with article 7.4.3:

- (a) the Redemption Monies shall accrue interest on a daily basis at the rate of 15 per cent. per annum from the fifth Business Day after the receipt by the Company of the valid Redemption Notice until the date of actual payment;

- 10.9.2** ABF1P (or the relevant Permitted Transferee holding such Relevant Equity Securities, as the case may be) shall procure that any such Permitted Transferee to whom such rights are so assigned, or by whom such rights are so exercised in accordance with article 10.9.1, shall (if not already bound by the terms of the Shareholders Agreement) execute a deed pursuant to which such Permitted Transferee agrees to be bound by the terms of the Shareholders Agreement and which deed shall be delivered to the Company and each other member of the Company.

### **11.1 Transfer notices**

## **11.2 Calculation of the Sale Price**

The Sale Price shall be the price agreed by the Vendor and the Board (excluding the Vendor if the Vendor is also a director) (with the written approval of a Investor Majority). If the Vendor and such directors are unable to agree a price within 28 days of the Transfer Notice being given or being deemed to have been given the Sale Price will instead be the price which the Independent Expert shall certify to be in his opinion a fair value thereof. In arriving at his opinion the Independent Expert will value the shares on a going concern basis as between a willing seller and a willing buyer ignoring any reduction or enhancement in value which may be ascribed to the Sale Shares by virtue of the fact that they represent a minority or majority interest or Controlling Interest and on the assumption that the Sale Shares are capable of transfer without restriction and, if relevant, that they do not have restrictions on voting. The decision of the Independent Expert as to the Sale Price shall (in the absence of manifest error) be final and binding.

## **11.3 Compulsory Employee Transfer Sale Price**

Notwithstanding article 11.2, where an Employee Member is deemed to have served a Transfer Notice in accordance with article 10.8, the Sale Price pursuant to a Compulsory Employee Transfer in respect of such Employee Member shall be the lesser of:

11.3.1 the original subscription price paid in respect of the relevant Shares; or

11.3.2 the Sale Price calculated in accordance with article 11.2.

## **11.4 Right of Vendor to reject partial sales**

A Transfer Notice (but not a Deemed Transfer Notice) may contain a condition (a "Total Transfer Condition") that unless all the shares comprised therein are sold by the Company pursuant to these articles none shall be sold. Any such provision shall be binding on the Company.

## **11.5 Certification of the Sale Price and right of Vendor to cancel**

If the Independent Expert is asked to certify the fair value in accordance with these articles his certificate shall be delivered to the Company. As soon as the Company receives the certificate it shall deliver a copy of it to the Vendor. The Vendor shall be entitled by notice in writing given to the Company within 10 days of the service upon him of the copy certificate to cancel the Transfer Notice unless the shares are to be sold pursuant to a Deemed Transfer Notice. The cost of obtaining the certificate shall be paid by the Vendor unless the relevant Independent Expert states in writing to the Company and the Vendor that, in his sole discretion, the highest Sale Price proposed by the Company in its negotiations with the Vendor in accordance with these articles was below the fair value as certified by such Independent Expert, in which event the cost of obtaining the certificate shall be paid by the Company.

## **11.6 Pre-emptive offers - general**

Once the Sale Price has been determined then unless the Vendor validly cancels the Transfer Notice under article 11.5 above the Sale Shares shall be offered for sale as

set out below. All offers made by the Company shall give details of the number and Sale Price of the Sale Shares.

#### **11.7 *First offer***

As soon as Sale Shares become available (being the date of the Transfer Notice or Deemed Transfer Notice or, if later, the date upon which the Sale Price is agreed or certified by the Independent Expert (and in the case of a certification after the expiry of the 10 day period referred to in article 11.5)), they shall be forthwith offered for sale by the Company to all holders of shares of the same class as the Sale Shares (in each case other than the Vendor) pro rata with respect to each class of Sale Share as nearly as may be to the respective numbers of shares of the same class as such Sale Shares held by such members.

Any offer made by the Company under this sub-article will invite the relevant members to state in writing the maximum number of the shares offered to them they wish to purchase and will remain open for 21 days (the "**First Offer Period**").

#### **11.8 *Second and subsequent offers to holders of the same class***

If at the end of the First Offer Period there are any Sale Shares offered which have not been allocated the Company shall offer such shares to such members as have stated in writing their willingness to purchase all the shares previously offered to them.

This offer will invite the relevant members to state in writing the maximum number of shares they wish to purchase. If there are insufficient Sale Shares to meet the demand then the directors will allocate the Sale Shares pro rata as nearly as may be in proportion to the number of shares of the same class as such Sale Shares held by the relevant members. This offer will remain open for a further period of 21 days.

Thereafter the Company shall continue to make offers on the same terms while any member continues to state in writing his willingness to purchase all shares offered to him.

#### **11.9 *Offers to all holders of shares***

Provided that no member to whom an offer has been made in accordance with articles 11.7 and 11.8 continues to state in writing his willingness to purchase all the shares so offered to him, to the extent that any Sale Shares have not been allocated (the "**Outstanding Sale Shares**") such shares shall be forthwith offered for sale by the Company to all holders of Shares (other than the Vendor) pro rata as nearly as may be to the respective numbers of Shares held by such members.

Any offer made by the Company under this sub-article will invite the relevant members to state in writing the maximum number of the shares offered to them they wish to purchase and will remain open for 21 days (the "**First General Offer Period**").

If at the end of the First General Offer Period there are any Outstanding Sale Shares offered which have not been allocated the Company shall offer such shares to such members as have stated in writing their willingness to purchase all the shares previously offered to them.

This offer will invite the relevant members to state in writing the maximum number of shares they wish to purchase. If there are insufficient Outstanding Sale Shares to meet the demand then the directors will allocate the Outstanding Sale Shares pro rata as nearly as may be in proportion to the number of Shares held by the relevant members. This offer will remain open for a further period of 21 days.

Thereafter the Company shall continue to make offers on the same terms while any member continues to state in writing his willingness to purchase all shares offered to him.

#### **11.10 *Transfer procedure for pre-emptive offers***

If the Company finds a purchaser(s) for all or (subject to article 11.4) any of the Sale Shares under the terms of this article 11 the Vendor shall be bound upon receipt of the Sale Price to transfer the Sale Shares (or such of the same for which the Company shall have found a purchaser or purchasers) to such persons. If the Vendor defaults in transferring Sale Shares the Company shall if so required by the person or persons willing to purchase such Sale Shares receive and give a good discharge for the purchase money on behalf of the Vendor and shall authorise some person to execute transfers of the Sale Shares in favour of the purchaser(s) and shall enter the names of the purchasers in the Register of Members as the holder of such of the Sale Shares as shall have been transferred to them. The Company shall continue to hold the purchase monies for the Vendor in a separate bank account pending delivery to the Company of the share certificates for the Sale Shares or an indemnity in respect of lost certificates in a form reasonably acceptable to the Company whereupon the Company shall pay the purchase monies to the Vendor without interest.

#### **11.11 *Transfers free of pre-emption***

If the Company does not find purchasers for all of the Sale Shares under the terms of this article 11 the Vendor shall at any time within six months after the final offer by the Company to its members be free to sell and transfer such of the Sale Shares as have not been so sold to any person at a price which is no less than the Sale Price. However if the Sale Shares were the subject of a Total Transfer Condition such a sale may only be made of all the shares and not part only.

#### **11.12 *Effect of non-compliance***

Any purported transfer of shares otherwise than in accordance with the provisions of these articles shall be void and have no effect.

### **12 *Transfer of Control***

#### **12.1 *Transfers prohibited absolutely***

Save as provided in article 12.2, no sale or transfer of the legal or beneficial interest in any shares in the Company may be made or validly registered if as a result of such sale or transfer and registration thereof a Controlling Interest would be obtained in the Company by a company in which one or more of the members of the Company (or persons acting in concert with them) has a Controlling Interest.

#### 12.4 *Drag Along Right*

If an offeror for shares in the Company, having made offers to all the members of the Company (each member having, for the avoidance of doubt, been offered the same price per Share as each other member (other than as provided pursuant to article 12.3)) receives valid acceptances which would, on completion, result in such offeror being accepted by an Investor Majority in respect of all Shares held by such persons, then:

12.4.1 any holder of Shares who has accepted such offer may give notice to any non-accepting holder of Shares requiring him to accept the offer within 14 days and stating that, failing such acceptance, he shall be deemed to have

The Company shall continue to hold the purchase monies for such member in a separate bank account pending delivery to the Company of the share certificates for such members shares or an indemnity in respect of lost certificates in a form reasonably acceptable to the Company whereupon the Company shall pay the purchase monies to such member without interest;
