## **Grosvenor (Basingstoke) Limited**

### **Directors' Report**

The directors present their annual report together with the audited financial statements of the company for the year ended 31 December 2014.

#### **Review of the Business**

The company is a wholly owned subsidiary of Grosvenor Group Limited, its ultimate parent company. Grosvenor Limited is the immediate holding company and is responsible for the operations of the Grosvenor Group in the United Kingdom and Ireland.

The principal activity of the company during the year was property investment in the United Kingdom through the company's holding in Grosvenor Festival Place Fund (GFPPF). The partnership with GFPPF will cease in 2015 and the Company's activities are expected to decrease accordingly in 2015.

Grosvenor Limited co-ordinates its cash flows, liquidity position and borrowing facilities on a group basis and further disclosures relating to these matters are included in the annual report of Grosvenor Limited. Principal risks, uncertainties and key performance indicators are identified and managed at a group level.

As at 31 December 2014, the company had net liabilities of £5,704,360. The ultimate parent company, Grosvenor Limited, has provided the directors of the company with a letter of support confirming that provided that the company remains a wholly owned subsidiary of Grosvenor Limited, it is their intention to continue to support the company for a period of not less than twelve months from the date of signing of the accounts by enabling them to meet their liabilities as they fall due. The directors have made enquiries and understand that the intermediate holding company has adequate resources to be able to provide this financial support.

Given the expectation that the Company's only investment will cease to trade in 2015, the directors do not consider the company to be a going concern and the accounts have been prepared on a basis other than going concern.

The directors have taken advantage of the special provisions available to small companies provided by s.415A of the Companies Act 2006 in respect of preparing the directors' report and in preparing a strategic report.

The Registered Office of Grosvenor (Basingstoke) Limited is 70 Grosvenor Street, London, W1K 3JP.

#### **Results and Dividends**

The results of the company for the year are shown in the Profit and Loss Account. Loss on ordinary activities before taxation was £91,035 (2013 - Profit of £ 75,390).

The balance sheet shows that the company's net liabilities increased from £ 5,613,325 to £5,704,360 during the year.

#### **Directors' Responsibilities Statement**

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the directors are required by law to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. The directors are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Each of the persons who is a director at the date of approval of this report confirms that:

- so far as the director is aware, there is no relevant audit information of which the company's auditors are unaware; and
- the director has taken all reasonable steps that he ought to have taken to make himself aware of any relevant audit information and to establish that the auditors are aware of that information.

This information is given and should be interpreted in accordance with s.418 of the Companies Act 2006.

**Independent Auditor's Report to the Members of**  
**Grosvenor (Basingstoke) Limited**  
**For the Year Ended 31 December 2014**

We have audited the financial statements of Grosvenor (Basingstoke) Limited for the year ended 31 December 2014 which comprise the profit and loss account, balance sheet and the related notes 1 to 11. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

**Respective Responsibilities of Directors and Auditor**

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

**Scope of the Audit of the Financial Statements**

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

**Opinion on Financial Statements**

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2014 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

**Emphasis of Matter – Financial Statements prepared other than on a Going Concern Basis**

In forming our opinion on the financial statements, which is not modified, we have considered the adequacy of the disclosure made in note 1 to the financial statements, which explains that the financial statements have been prepared on a basis other than that of a going concern.

**Independent Auditor's Report to the Members of**  
**Grosvenor (Basingstoke) Limited**  
**For the Year Ended 31 December 2014**

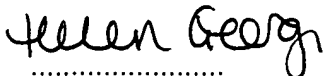

**Opinion on Other Matters Prescribed by the Companies Act 2006**

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

**Matters on Which we are Required to Report by Exception**

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies exemption from preparing a strategic report or in preparing the directors' report.

## **Grosvenor (Basingstoke) Limited**

### **Notes to the Financial Statements**

#### **Basis of accounting**

The financial statements have been prepared under the historical cost convention and in accordance with applicable United Kingdom law and accounting standards. The accounting policies have been applied consistently throughout the current and preceding year.

The company is a wholly owned subsidiary of Grosvenor Group Limited, its ultimate parent undertaking, which is incorporated in Great Britain and registered in England and Wales and prepares consolidated financial statements. Consequently the company is not required to prepare consolidated financial statements.

#### **Going Concern**

The company has prepared financial statements on a basis other than going concern. Refer to the Directors' Report for further details. As required by FRS 18 Accounting Policies, the directors have prepared the financial statements on the basis other than that of a going concern. Nevertheless the company remains in the position to discharge all its outstanding liabilities. Grosvenor Limited has confirmed that it intends to continue to support the company's obligations. The only adjustment arising from this change in the basis of preparation is the transfer of the Company's investment from Fixed Assets to Current Assets.

#### **Cash flow statement**

The directors have taken advantage of the exemption in FRS1 'Cash flow statements' from including a cash flow statement in the financial statements on the grounds that the company is wholly owned and is a member of a group that publishes a consolidated cash flow statement.

#### **Turnover**

The turnover shown in the profit and loss account represents income from fixed asset investments in the year, excluding VAT.

#### **Investments**

Investments held as current assets, including subsidiaries, joint ventures and associates are stated at cost less provision for impairment. In the event that the directors consider it probable that the investments will be realised within twelve months, the investment is reclassified to current assets.

#### **Taxation**

All current and deferred tax charges or credits (after the application of group relief, to the extent relevant) are recognised in the company's profit and loss account.

Current UK corporation tax is recognised at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

The company's taxation obligations are settled on its behalf by the intermediate holding company Grosvenor Limited. The benefit of this arrangement is recognised as a capital contribution from Grosvenor Limited to the company (or distribution from the company to Grosvenor Limited where a tax credit arises) with all current and deferred tax assets and liabilities recorded in the balance sheet of Grosvenor Limited.

## **Grosvenor (Basingstoke) Limited**

### **Notes to the Financial Statements**

#### **Taxation (continued)**

Deferred taxation is provided in full in respect of timing differences between the recognition of income and expenditure for accounting and taxation purposes. Deferred taxation is not provided in respect of unrealised revaluation surpluses where there is no commitment to sell the asset. Deferred tax credits are recognised to the extent that it is regarded as more likely than not that the related assets will be recovered. Deferred tax assets and liabilities are not discounted. As described above, whilst the deferred tax charge or credit is recognised in the profit and loss account of the company, the related deferred tax assets and liabilities are recorded in the balance sheet of Grosvenor Limited.

#### **2. Turnover**

Turnover and profit before tax are attributable to the one principal activity of the company and arise entirely in the United Kingdom.

#### **3. Operating Loss**

Auditors' remuneration for the audit of the financial statements of the company for 2014 is £ 5,125 (2013 - £ 5,000) and has been borne by Grosvenor Estate Management Limited, a fellow subsidiary undertaking.

No fees were payable to Deloitte LLP and its associates for non-audit services to the company during the current or preceding year.

#### **4. Particulars of Employees**

No fees or other emoluments were paid to the directors of the company during either the current or the preceding year in respect of their services to the company. The directors are paid by Grosvenor Estate Management Limited.

There were no employees of the company for the current or preceding year.
