#### Report of the Directors

The directors present their report and financial statements for the year ended 31 December 2002.

### Review of the Business and Future Developments

The principal activity of Aequanimiter Ltd is that of a holding company for a group of companies whose primary activity was that of Lloyd's members' agents. It also acts as company secretary for a number of Namecos where CBS Private Capital Ltd, a fellow subsidiary of CBS Insurance Holdings PLC acts as members' agent.

The business of the main trading company, Christie Brockbank Shipton Ltd, was transferred with effect from 1 January 2001 to CBS Private Capital Ltd.

#### Results and Dividends

The results for the year and the state of the company's affairs as at 31 December 2002 are shown in the financial statements. The directors do not recommend the payment of a dividend (2001:£2.65 million).

#### Directors

The following have served as directors during the period from 1 January 2002 to the date of this report.

DJ Ewart CAA Harbord-Hamond Mrs EL Royds TH Holbech

### Statement of Directors' Responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- comply with applicable accounting standards subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### Independent auditor's report to the members of Aequanimiter Limited

We have audited the financial statements on pages 4 to 9.

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

### Respective responsibilities of directors and auditors

The directors are responsible for preparing the directors' report and, as described on page 2, the financial statements in accordance with applicable United Kingdom law and accounting standards. Our responsibilities, as independent auditors, are established in the United Kingdom by statute, the Auditing Practices Board and by our profession's ethical guidance.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

## Basis of audit opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

### **Opinion**

In our opinion, the financial statements give a true and fair view of the state of the company's affairs as at 31 December 2002 and of its loss for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

#### Notes to the Financial Statements for the year ended 31 December 2002

### 1. Accounting Policies

- a) The financial statements are prepared under the historical cost convention and in accordance with applicable Financial Reporting Standards and Statements of Standard Accounting Practice.
- b) Investment income is dealt with on an accruals basis.
- c) Other income and expenses are dealt with on an accruals basis.
- d) Group accounts have not been prepared because the company is an intermediate parent company. The results of the company and its subsidiaries have been consolidated into the accounts of the ultimate parent company, CBS Insurance Holdings PLC.
- e) CBS Insurance Holdings PLC owns 100% of the company's voting rights; therefore the company has taken advantage of the exemption from the related party disclosure requirements given in Financial Reporting Standard 8.
- f) The company has relied on the exemption given in Financial Reporting Standard 1 (Revised) not to prepare a cashflow statement on the grounds that a parent undertaking includes the company in its own published consolidated financial statements.
- g) The charge for taxation is based on the profit for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes. Deferred tax is recognised, without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date, except as otherwise required by FRS 19.

### 2. Operating Loss

Operating Loss is stated after charging:
