2. By clause 3.5 (*Crystallisation of Floating Charge*) of the Debenture the Company agreed that the floating charge created by it under clause 3.1(o) (*Charging Clause*) of the Debenture may be crystallised into a fixed charge by notice in writing by the Security Trustee to the Company given:-
- (i) at any time whilst an Event of Default is Continuing; or
 - (ii) in respect of any Charged Property whilst the security over it is in jeopardy or which is in danger of seizure.

Such crystallisation shall take effect over such Floating Charge Assets or class or classes of Floating Charge Assets as shall be specified in the notice. If no Floating Charge Assets are so specified, it shall take effect over all Floating Charge Assets.

3. By clause 3.6 (*Automatic Crystallisation*) of the Debenture, the Company agreed that excepting Permitted Encumbrances, if the Company, without the Security Trustee's prior written consent, resolves to take or takes any step to charge (whether by way of fixed or floating charge) or otherwise encumber any of its Floating Charge Assets or to create a trust over any such Floating Charge Asset or to dispose of any such Floating Charge Asset except by way of sale or other disposition in the ordinary course of the Company's business or as otherwise permitted by clause 14.4 (*Restrictions on Disposals*) of the Facilities Agreement, or if any person resolves to take or takes any step to levy any distress, execution, sequestration or other process against any Floating Charge Asset, then the floating charge created by clause 3.1(o) (*Charging Clause*) of the Debenture shall be automatically crystallised (without the necessity of notice) into a fixed charge over such Floating Charge Asset instantly on the occurrence of such event.
4. By clause 3.7 (*Floating charge Assets acquired after Crystallisation*) of the Debenture, the Company agreed that except as otherwise stated in any notice given under clause 3.5 (*Crystallisation of Floating Charge*) of the Debenture or unless such notice relates to all Floating Charge Assets, Floating Charge Assets acquired by the Company after crystallisation has occurred under clause 3.5 (*Crystallisation of Floating Charge*) of the Debenture or 3.6 (*Automatic Crystallisation*) of the Debenture shall continue subject to the floating charge created by clause 3.1(o) (*Charging Clause*) of the Debenture, so that the crystallisation shall be effective only as to its Floating Charge Assets in existence at the date of crystallisation.
5. 7. By clause 3.11 (*Future Security subject to this Debenture*) of the Debenture, the Company agreed that any debentures, mortgages or charges (fixed or floating) created in the future by the Company (except those in favour of the Security Trustee) shall be expressed to be subject to the Debenture and shall rank in order of priority behind the charges created by the Debenture.
8. By clause 4.1 (*Deposit of Title Deeds and other Documents*) of the Debenture, the Company agreed that subject to the rights of any prior mortgagee and, except as otherwise expressly agreed by the Security Trustee, the Company shall:-

- 9. By clause 4.2 (*Voting Rights*) of the Debenture, the Company agreed that unless and until the Debenture becomes enforceable:-
 - (a) all voting and other rights (including the right to receive dividends) attaching to Securities shall continue to be exercised by the Company for so long as it remains their registered owner, Provided that the Company undertakes not to exercise any voting or other rights in a way which may prejudice the value of the Securities or otherwise jeopardise the security constituted by the Debenture; and
 - (b) if Securities are registered in the name of the Security Trustee's nominee, all voting and other rights attaching to them shall be exercised by the nominee in accordance with instructions in writing from time to time received from the Company concerned, Provided that the Company undertakes not to give any instructions to exercise any voting or other rights in a way which may prejudice the value of the Securities or otherwise jeopardise the security created by the Debenture; in the absence of any such instructions, the nominee shall refrain from exercising any such rights.
- 10. By clause 5.1 (*Treatment of Receivables*) of the Debenture, the Company agreed that it shall collect and realise all Receivables and shall pay into such account of the Company as the Security Trustee may direct, which at the date of the Debenture shall be the Company's designated collection account with the Working Capital Bank (a "**Collection Account**") all money which it may receive in respect of them immediately on receipt. The Company shall, pending such payment, hold all money so received upon trust for the Security Trustee and shall not, without the prior written consent of the Security Trustee, charge, factor, discount, assign, postpone, subordinate, release or waive its rights in respect of any Receivable in favour of any other person or purport to do so. The Collection Account shall be operated by the Beneficiary with which it is maintained as trustee for the Security Trustee and in accordance with the Security Trustee's instructions from time to time.
- 11. By clause 5.2 (*Preservation of Charges upon Factoring*) of the Debenture, the Company agreed that if the Security Trustee releases, waives or postpones its rights in respect of any Receivables for the purpose of enabling the Company to factor or discount them to a third party, the charges created by the Debenture shall in all other respects remain in full force and effect. In particular all amounts becoming due to the Company from the third party and any Receivables re-assigned, or due to be re-assigned, by the third party to the Company shall be subject to the relevant fixed charge created by clause 3.1 (*Charging Clause*) of the Debenture, subject only to any defences or rights of set-off which the third party may have against the Company.
- 12. By clause 6.1 (*Negative Pledge and other Restrictions*) of the Debenture, the Company agreed that it shall not, without the prior written consent of the Security Trustee (during the continuance of the Facilities Agreement but without prejudice to the Company's rights with regard to Permitted Encumbrances and the terms of clause 14.4 (*Restrictions on Disposals*) of the Facilities Agreement):-
 - (a) create, or agree or attempt to create, or permit to subsist, any mortgage, fixed or floating charge, pledge or other security of any kind (including any security conferring

- (b) sell, assign, lease, license or sub-license, or grant any interest in, its Land, Securities, Receivables or Intellectual Property Rights, or purport to do any such act, or part with possession or ownership of them, or allow any third party access to them or the right to use a copy of any such Intellectual Property Rights; or
 - (c) permit any person other than one of the Charging Companies, the Security Trustee or its nominee to be registered as holder of any Securities or any part thereof.
