BARNES AMENITY AREA NO 2 MANAGEMENT COMPANY LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 24 DECEMBER 2021

1 General information

Barnes Amenity Area No 2 Management Company Limited (the 'company') is a company limited by guarantee, registered in England and Wales under the Companies Act, and consequently does not have share capital. Each of the members is liable to contribute an amount not exceeding £1 towards the assets of the company in the event of liquidation. The address of the registered office is given on page 1.

2 Accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Going concern

The directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis in preparing the annual financial statements.

Statement of compliance

These financial statements have been prepared in accordance with Financial Reporting Standard 102 Section 1A - 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006.

Basis of preparation

These financial statements have been prepared using the historical cost convention except that as disclosed in the accounting policies certain items are shown at fair value.

The functional currency of the company is considered to be pound sterling (£) because that is the currency of the primary economic environment in which the company operates. The financial statements are presented in pound sterling (£).

Departures from Companies Act requirements

The financial statements depart from the standard format of the Companies Act 2006 in that turnover has been replaced by service charge income, cost of sales has been replaced by service charge expenditure and profit/(loss) has been replaced by surplus/(deficit). This departure, as permitted by s396 of the Companies Act 2006, has arisen because the directors consider that this presentation is more appropriate given the nature of the company's activity. The result for the year is unaffected by the accounting treatment adopted.
