Share capital

3. The authorised share capital of the Company is £296,166 divided into:
 - 450,000 preference shares of 1 penny each
 - 102,083 A ordinary shares of £1 each
 - 189,583 ordinary shares of £1 each.

Dividends

4. The profits of the Company available for distribution shall be used to pay dividends in the following order of priority:-
 - 4.1 First, in paying to the holders of the preference shares a dividend ('the Preference Dividend') as follows:

Amount : 6 pence per share per annum for the period from 1 January 2000 to 31 December 2000, 8 pence per share per annum for the period from 1 January 2001 to 30 June 2002 and 10 pence per share per annum from and after 1 July 2002.

Accrual date : accruing from 1 January 2000

Payment dates : half yearly on 30 June and 31 December each year, the first payment to be made on 30 June 2000.

- 4.2 Second, in paying to the holders of the A ordinary shares as a class in respect of each financial year of the Company a dividend ('the Participating Dividend') as follows:

Amount: a sum equal to 10% of Net Profit

Accrual date: accruing from the date of subscription. The first Participating Dividend will be pro rated to reflect the number of days in the financial year during which the A ordinary shares have been in issue.

Payment date: not later than 4 months after the end of the relevant accounting period or within 14 days after the audit report on the accounts of the Company for the period is signed by the Company's auditors, whichever is the earlier.

- 4.3 Third, in paying to the holders of the A ordinary shares in respect of each financial year of the Company a dividend ('the Compensatory Dividend') as follows:

Amount: a sum per share equivalent to and calculated by dividing the Excess Benefits by the number of ordinary shares held by Relevant Directors on the last day of the relevant financial year (if there is no Excess Benefits no Compensatory Dividend is payable)

Accrual date: accruing from the commencement of the relevant financial year in which the Excess Benefits are paid.

Payment date: the due date for payment of the Participating Dividend.

4.4 Fourth, in paying to the holders of the ordinary shares a dividend as follows:

Amount: such amount as the directors may determine up to the amount of the Participating Dividend paid on each A ordinary share

Accrual date: dividends do not accrue on ordinary shares. Their payment depends on a recommendation by the directors and satisfaction of each of the conditions set out below

Payment date: at any time during the financial year in which the Participating Dividend by reference to which it is calculated is paid.

4.5 No dividend shall be payable on the ordinary shares in respect of any financial year unless on the proposed payment date each of the following conditions is satisfied:

4.5.1 Profit After Tax is at least three times the total of

- all dividends made or proposed to be made in respect of that financial year, plus
- any Excess Benefits;

4.5.2 the profits of the Company available for distribution following payment of the proposed dividend on the ordinary shares are not less than £200,000;

4.5.3 all preference shares which have fallen due for redemption have been redeemed;

4.5.4 the Participating Dividend (if any) has been paid in full in respect of that financial year and in respect of all previous financial years of the Company;

4.5.5 there are no arrears of any other dividends.

- 4.6 Once all the foregoing dividends have been paid any remaining profits which the Company may determine to distribute shall, if the holders of 75% of the A ordinary shares agree in writing, be distributed amongst the holders of the ordinary and A ordinary shares (pari passu as if the same were one class of share).
- 4.7 Every dividend shall be distributed to the appropriate shareholders pro rata according to the amounts paid up or credited as paid up on the shares held by them respectively and shall accrue on a daily basis. All dividends are expressed net and shall be paid in cash. The Preference Dividend and the A Ordinary Dividends are cumulative.
- 4.8 Unless the Company has insufficient profits available for distribution and the Company is thereby prohibited from paying dividends by the Act the Preference Dividend and the A Ordinary Dividends shall be paid immediately on the due date. Such payment shall be made notwithstanding regulations 102 to 108 inclusive contained in Table A or any other provision of these articles and in particular notwithstanding that there has not been a recommendation of the directors or resolution of the Company in general meeting. If they are not paid on the due date they shall be a debt due by the Company and shall be payable in priority to any other dividend.
- 4.9 If due to delays in the preparation of the audited accounts of the Company the Participating Dividend cannot be calculated by the date it is due for payment then the Company shall (subject to there being sufficient profits available for distribution) forthwith pay an interim dividend in respect of the Participating Dividend of a sum equal to the last Participating Dividend payable. The next and (if appropriate) any subsequent Participating Dividend shall be adjusted to take account of any overpayment or underpayment in respect of the said interim dividend which becomes apparent when the audited accounts are available.
- 4.10 The Company shall procure that each of its subsidiaries which has profits available for distribution shall from time to time and to the extent that it may lawfully do so declare and pay to the Company such dividends as are necessary to permit lawful and prompt payment by the Company of any redemption moneys due on the preference shares and the Preference Dividend and the A Ordinary Dividends.

Return of capital

- 5 On a return of assets on liquidation or capital reduction or otherwise, the assets of the Company remaining after the payment of its liabilities shall be applied in the following order of priority:-
- 5.1 first in paying to the holders of the preference shares £1 per share together with a sum equal to any arrears or accruals of the Preference Dividend calculated down to the date of the return of capital;
 - 5.2 second in paying to the holders of the A ordinary shares £2.449 per share together with a sum equal to any arrears or accruals of the dividends on the A ordinary shares calculated down to the date of the return of capital;
 - 5.3 third in paying to the holders of ordinary shares £2.449 per share; and
 - 5.4 the balance of such assets shall be distributed amongst the holders of the A ordinary shares and ordinary shares (pari passu as if the same constituted one class of share) in proportion to the amounts paid up or credited as paid up on the A ordinary shares and ordinary shares held by them respectively.

Conversion of A ordinary shares

- 6.1 The holders of the A ordinary shares may at any time convert the whole of their A ordinary shares into a like number of ordinary shares. The following provisions of this article shall apply to the conversion.
- 6.2 The conversion shall be effected by notice in writing given to the Company signed by the holders of 75% of the A ordinary shares. The conversion shall take effect immediately upon the date of delivery of such notice to the Company (unless such notice states that conversion is to be effective when any conditions specified in the notice have been fulfilled in which case conversion shall take effect when such conditions have been fulfilled).
- 6.3 Forthwith after conversion takes effect the holders of the resulting ordinary shares shall send to the Company the certificates in respect of their respective holdings of A ordinary shares. The Company shall issue to such holders certificates for the ordinary shares resulting from the conversion.

- 6.4 The ordinary shares resulting from the conversion shall rank from the date of conversion pari passu in all respects with the other ordinary shares in the capital of the Company.
- 6.5 On the date of conversion the Company shall pay a dividend to the holders of the A ordinary shares of a sum equal to any arrears or accruals of the A Ordinary Dividends. The Participating Dividend shall be calculated pro rata according to the profits of the Company and its subsidiaries for the relevant financial year down to the date of such conversion, such profits to be calculated by the Company on a basis reasonably acceptable to the holders of 75% of the A ordinary shares.

Redemption of preference shares

- 7.1 Subject to the provisions of the Act the preference shares shall be redeemed in the proportions and on the dates set out below:-

<u>Redemption date</u>	<u>Number of shares redeemable</u>
31 July 2002	150,000
31 July 2003	150,000
31 July 2004	150,000

and any shares not redeemed upon the due date shall be redeemed forthwith upon redemption becoming permissible under the Act.

- 7.2 The Company shall pay on each of the preference shares redeemed the sum of £1. At the same time it shall pay any arrears or accruals of the Preference Dividend calculated to the date of redemption. In the absence of any direction to the contrary by the holder of the relevant preference share any moneys paid on redemption of such share shall relate first to the said arrears and accruals of Preference Dividend. The Preference Dividend shall cease to accrue from the date of payment of the redemption moneys.
- 7.3 Subject to the provisions of the Act the Company may with the prior written consent of the holders of 75% of the preference shares provided there are no arrears of dividend on the A ordinary shares or preference shares redeem all or (in instalments of not less than 50,000 shares) some of the preference shares in advance of the due date for redemption. In the absence of any contrary agreement between such holders and the Company any

partial early redemption shall be deemed to relate to the shares falling due for redemption in inverse order of maturity.

- 7.4 Subject to the provisions of the Act all of the preference shares shall (unless the holders of 75% of the preference shares give notice in writing to the Company to the contrary) be redeemed immediately upon any of the following dates:-

7.4.1 the date upon which any of the equity share capital of the Company is admitted to the Official List of London Stock Exchange Limited or permission for any of the equity share capital of the Company to be dealt in on a share dealing market of any recognised investment exchange (as defined in section 207 of the Financial Services Act 1986) becomes effective; or

7.4.2 the date upon which a successful offer to purchase 90% or more of the issued equity share capital of the Company (or 90% or more of all such capital including any already held by the offeror) is completed.

- 7.5 On the dates fixed for any redemption the Company shall pay to each registered holder of preference shares the amount payable in respect of such redemption and upon receipt of that amount each such holder shall surrender to the Company the certificate for his shares which are to be redeemed in order that they may be cancelled. If any certificate so surrendered includes any shares not redeemable at that time the Company shall issue a fresh certificate for the balance of the shares not redeemable to the holder.

8. Shares in the Company shall carry votes as follows:

ordinary shares: one vote per share

A ordinary shares: one vote per share

Class rights

9. Whenever the capital of the Company is divided into different classes of shares the special rights attached to any class may be varied or abrogated either whilst the Company is a going concern or during or in contemplation of a winding up, only with the consent in writing of the holders of 75% of the issued shares of that class. Without prejudice to the generality of this article, the special rights attached to the preference shares and the A ordinary shares shall be deemed to be varied:-

9.1 by the Company:

- 9.1.1 altering its memorandum or articles of association; or
- 9.1.2 varying in any way (whether directly or indirectly) the rights attached to any of the shares for the time being in the capital of the Company; or
- 9.1.3 applying by way of capitalisation any sum in or towards paying up any share or loan capital of the Company; or

- 9.2.3 disposing of its undertaking or any substantial part thereof; or
- 9.2.4 disposing of or acquiring any interest in any share in the capital of any company.

Transfer of shares

10. The directors shall refuse to register any transfer of shares made in contravention of the provisions of these articles but (subject to Regulation 24 of Table A) shall not otherwise be entitled to refuse to register any transfer of shares. For the purpose of ensuring that a particular transfer of shares is permitted under the provisions of these articles, the directors may request the transferor, or the person named as transferee in any transfer lodged for registration, to furnish the Company with such information and evidence as the directors may reasonably think necessary or relevant. Failing such information or evidence being furnished to the satisfaction of the directors within a period of 28 days after such request the directors shall be entitled to refuse to register the transfer in question.

Permitted transfers

Permitted transfers to relations

11.1 Notwithstanding any other provision in these articles any member may at any time transfer (or by will bequeath or otherwise dispose of on death) all or any shares held by him to a Privileged Relation or to trustees to be held upon a Family Trust of which he is the settlor without restriction as to price or otherwise and any such transfer shall be registered by the directors provided that any transfer of shares to trustees to be held upon a Family Trust made during the lifetime of such member may only be made with the consent in writing of the holders of 75% of the A ordinary shares.

Criteria for consents to family trusts

11.2 Where the consent of a holder of A ordinary shares is requested to a transfer to a Family Trust such consent shall be given when the holder is satisfied:-

- 11.2.1 with the terms of the trust instrument and in particular with the powers of the trustees;

11.2.2 with the identity of the proposed trustees;

11.2.3 that the proposed transfer will not result in 50% or more in the aggregate of the Company's equity share capital being held by trustees of that and any other trusts; and

11.2.4 that no costs incurred in connection with the setting up or administration of the Family Trust in question are to be paid by the Company.

Permitted transfers by Family Trusts

11.3 Where any shares are held by trustees upon a Family Trust:

11.3.1 on any change of trustees such shares may be transferred to the new trustees of that Family Trust;

11.3.2 such shares may be transferred at any time to the settlor or to another Family Trust of which he is the settlor or to any Privileged Relation of the settlor.

Permitted transfers by 3i

11.4 Notwithstanding any other provisions of these articles a transfer of any shares in the Company held by any member of the 3i Group may be made between the member in the Group holding such shares and any other member in the 3i Group without restriction as to price or otherwise and any such transfer shall be registered by the directors. If any such transferee ceases to be a member of the 3i Group it shall forthwith transfer the relevant shares to a member of the 3i Group.

Transfers with shareholder approval

11.5 Notwithstanding any other provisions of these articles a transfer of any shares approved by the holders of 75% of the ordinary shares and the holders of 75% of the A ordinary shares may be made without restriction as to price or otherwise and any such transfer shall be registered by the directors.

Mandatory transfer if trust ceases to be a 'Family Trust'

11.6 If and whenever any shares held by trustees upon a Family Trust cease to be so held upon a Family Trust (otherwise than in consequence of a transfer to the settlor or to any Privileged Relation of the settlor) or there cease to be any beneficiaries of the Family Trust other than a charity or charities a Transfer Notice (as hereinafter defined) shall be

deemed to have been given in respect of the relevant shares (as hereinafter defined) by the holders thereof and such shares may not otherwise be transferred.

For the purposes of this sub-article the expression 'relevant shares' means and includes the shares originally transferred to the trustees and any additional shares issued or transferred to the trustees by virtue of the holding of the relevant shares or any of them.

Pre-emption rights

Transfer notices

- 12.1 Save as otherwise provided in these articles every member who desires to transfer any shares or any interest in or voting rights over shares (hereinafter called 'the Vendor') shall give to the Company notice in writing of such desire (in these articles called a "Transfer Notice"). Where the Transfer Notice is deemed to have been given it is referred to as a Deemed Transfer Notice. Transfer Notices and Deemed Transfer Notices shall constitute the Company the Vendor's agent for the sale of the shares specified therein (hereinafter called 'the Sale Shares') in one or more lots at the discretion of the directors at the Sale Price.

Calculation of the Sale Price

- 12.2 The Sale Price shall be the price agreed by the Vendor and the directors. If the Vendor and the directors are unable to agree a price within 28 days of the Transfer Notice being given or being deemed to have been given the Sale Price will instead be the price which the Independent Expert shall certify to be in his opinion a fair value thereof. In arriving at his opinion the Independent Expert will value the shares on a going concern basis as between a willing seller and a willing buyer ignoring any reduction in value which may be ascribed to the Sale Shares by virtue of the fact that they represent a minority interest and on the assumption that the Sale Shares are capable of transfer without restriction. The decision of the Independent Expert as to the Sale Price shall be final and binding.

Right of Vendor to reject partial sales

- 12.3 A Transfer Notice (but not a Deemed Transfer Notice) may contain a condition ('a Total Transfer Condition') that unless all the shares comprised therein are sold by the Company pursuant to this article none shall be sold. Any such provision shall be binding on the Company.

Certification of the Sale Price and right of Vendor to cancel

- 12.4 If the Independent Expert is asked to certify the fair value his certificate shall be delivered to the Company. As soon as the Company receives the certificate it shall deliver a copy of it to the Vendor. The Vendor shall be entitled by notice in writing given to the Company within ten days of the service upon him of the copy certificate to cancel the Company's authority to sell the Sale Shares (unless the Shares are to be sold pursuant to a Deemed Transfer Notice). The cost of obtaining the certificate shall be paid by the Company unless the Vendor cancels it in which case the Vendor shall bear the cost.

Pre-emptive offers-general

- 12.5 Once the Sale Price has been determined then unless the Vendor gives a valid notice of cancellation the Sale Shares shall be offered for sale as set out below. All offers made by the Company shall give details of the number and Sale Price of the Sale Shares.

First Offer

- 12.6 As soon as Sale Shares become available they shall be forthwith offered for sale by the Company to all holders of Equity Shares (other than the Vendor) pro rata as nearly as may be to the respective numbers of Equity Shares held by such members.

Any offer made by the Company under this sub-article will invite the relevant members to state in writing the maximum number of the shares offered to them they wish to purchase and will remain open for 21 days ('the First Offer Period').

Second Offer

- 12.7 If at the end of the First Offer Period there are any Sale Shares offered which have not been allocated the Company shall offer such shares to such members as have stated in writing their willingness to purchase all the shares previously offered to them.

This offer will invite the relevant members to state in writing the maximum number of shares they wish to purchase. If there are insufficient Sale Shares to meet the demand then the directors will allocate the Sale Shares pro rata as nearly as may be in proportion to the number of Equity Shares held by the relevant members. This offer will remain open for a further period of 21 days.

Thereafter the Company shall continue to make offers on the same terms while any member continues to state in writing his willingness to purchase all shares offered to him.

Transfer procedure for pre-emptive offers

- 12.8 If the Company finds a purchaser for all or any of the Sale Shares under the terms of this article the Vendor shall be bound upon receipt of the Sale Price to transfer the Sale Shares (or such of the same for which the Company shall have found a purchaser or purchasers) to such persons. If the Vendor defaults in transferring Sale Shares the Company shall if so required by the person or persons willing to purchase such Sale Shares receive and give a good discharge for the purchase money on behalf of the Vendor and shall authorise some person to execute transfers of the Sale Shares in favour of the purchasers and shall enter the names of the purchasers in the Register of Members as the holder of such of the Sale Shares as shall have been transferred to them.

Transfers free of pre-emption

- 12.9 If the Company does not find purchasers for all of the Sale Shares under the terms of this article the Vendor shall at any time within six months after the final offer by the Company to its members be free to sell and transfer such of the Sale Shares as have not been so sold to any person at a price which is no less than the Sale Price. However if the Sale Shares were the subject of a Total Transfer Condition such a sale may only be made of all the shares and not part only.

Effect of non-compliance

- 12.10 Any purported transfer of shares otherwise than in accordance with the provisions of these articles shall be void and have no effect.

Transfer of control

Transfers prohibited absolutely

- 13.1 No sale or transfer of the legal or beneficial interest in any shares in the Company may be made or validly registered without the consent in writing of the holders of 75% of the A Ordinary Shares if as a result of such sale or transfer and registration thereof a Controlling Interest would be obtained in the Company by a company in which one or more of the members of the Company (or persons acting in concert with them) has a Controlling Interest.

Transfers permitted where offer is made for A ordinary shares

- 13.2 No sale or transfer of the legal or beneficial interest in any shares in the Company may be made or validly registered without the consent in writing of the holders of 75% of the A ordinary shares if as a result of such sale or transfer and registration thereof a Controlling Interest would be obtained in the Company by a person or persons who are not Original

Members unless the proposed transferee or transferees or his or their nominees are independent third parties acting in good faith and has or have offered to purchase all the A ordinary shares at the Specified Price (calculated as set out below) and (if not redeemed) all the preference shares at a price per share of at least £1 plus a sum equal to any arrears or accruals of the Preference Dividend calculated down to the date of sale or transfer.

If any part of the Specified Price is to be paid except by cash then the holders of the A ordinary shares may, at their option, elect to take a price per share of such cash sum as may be agreed by them and the proposed transferee having regard to the transaction as a whole.

Calculation of the Specified Price

13.3 In this article the 'Specified Price' means the greater of :

- (1)
 - £2.449 per share, plus
 - all arrears and accruals of the dividends on such share calculated down to the date of sale or transfer

or

- (2)
 - the consideration (in cash or otherwise) per share equal to that offered or paid or payable by the proposed transferee or his or their nominees for the shares being acquired, plus
 - the relevant proportion of any other consideration (in cash or otherwise) received or receivable by the holders of such other shares which having regard to the substance of the transaction as a whole can reasonably be regarded as an addition to the price paid or payable, plus
 - all arrears and accruals of the dividends on such share calculated down to the date of the sale or transfer.

In the event of disagreement the calculation of the Specified Price shall be referred to an Independent Expert whose decision shall be final and binding.

Interpretation

13.4 In this article:

- 13.4.1 the expressions 'transfer' and 'transferee' shall include respectively the renunciation of a renounceable letter of allotment and the renounee under any such letter of allotment;
- 13.4.2 the expression 'shares' includes bearer shares, depository receipts and any other security or instrument into which shares may be converted with a view to a sale;
- 13.4.3 whether or not persons are acting in concert will be determined by the then most recent edition of the City Code on Takeovers and Mergers.

Primacy of article

13.5 All other regulations of the Company relating to the transfer of shares and the rights to registration of transfers shall be read subject to the provisions of this article.

Appointment of directors

14. The directors may appoint a person who is willing to act to be a director, either to fill a vacancy or as an additional director. In addition, the holders of shares representing more than half of the shares which carry the right to attend and vote at general meetings of the Company may by notice to the Company together appoint and remove from office a person who is willing to act to be a director either to fill a vacancy or as an additional director.

3i appointee

15. Notwithstanding any other provisions of these articles, so long as 3i is the holder of any share in the Company, it shall be entitled to appoint as a director of the Company any person approved by the directors (whose approval shall not be unreasonably withheld) and to remove from office any person so appointed and (subject to such approval) to appoint another person in his place. Upon request by 3i the directors shall also procure that the 3i appointee is appointed and acts as Chairman of the board of directors of the Company.
