**1 Statutory information**

Staplefell Limited is a private company, limited by shares, registered in England and Wales, registration number 03386346. The registered office is Stockwell Farm, Birdlip, Gloucester, GL4 8JZ, United Kingdom.

**2 Compliance with accounting standards**

The accounts have been prepared in accordance with the provisions of FRS 102 Section 1A Small Entities. There were no material departures from that standard.

**3 Accounting policies**

The principal accounting policies adopted in the preparation of the financial statements are set out below and have remained unchanged from the previous year, and also have been consistently applied within the same accounts.

***Basis of preparation***

The accounts have been prepared under the historical cost convention as modified by the revaluation of certain fixed assets.

***Presentation currency***

The accounts are presented in £ sterling.

***Turnover***

Turnover represents net invoiced sales of goods, excluding value added tax.

***Tangible fixed assets policy***

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives:

Land & buildings	Estimated period to replacement
Plant & machinery	10-20% Reducing Balance

***Stocks***

Stocks and work-in-progress are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items. Cost includes all direct expenditure and an appropriate proportion of fixed and variable overheads.

***Deferred taxation***

Deferred tax arises as a result of including items of income and expenditure in taxation computations in periods different from those in which they are included in the company's accounts. Deferred tax is provided in full on timing differences which result in an obligation to pay more (or less) tax at a future date, at the average tax rates that are expected to apply when the timing differences reverse, based on current tax rates and laws.

Deferred tax is not provided on timing differences arising from the revaluation of fixed assets where there is no commitment to sell the asset.

Deferred tax assets and liabilities are not discounted.
