#### NOTES TO THE ACCOUNTS - 30 JUNE 1999.

#### 1 ACCOUNTING POLICIES

The financial statements have been prepared under the historical cost convention, the accounting policies set out below and in accordance with applicable accounting standards.

#### a) Tangible fixed assets

Tangible fixed assets, where appropriate, are stated at cost less depreciation.

#### b) Turnover

Turnover represents restaurant cash and credit card receipts excluding value added tax, all of which arises entirely within the United Kingdom.

#### c) Depreciation

Depreciation is calculated on a reducing balance basis using rates applied to opening cost calculated to write off each asset over its estimated life, commencing from the date when it is first used. Freehold land and buildings are not depreciated as they are maintained to a high standard and refurbishment is still ongoing. Plant and machinery are written off at a fixed annual rate of 10% reducing balance.

#### d) Goodwill

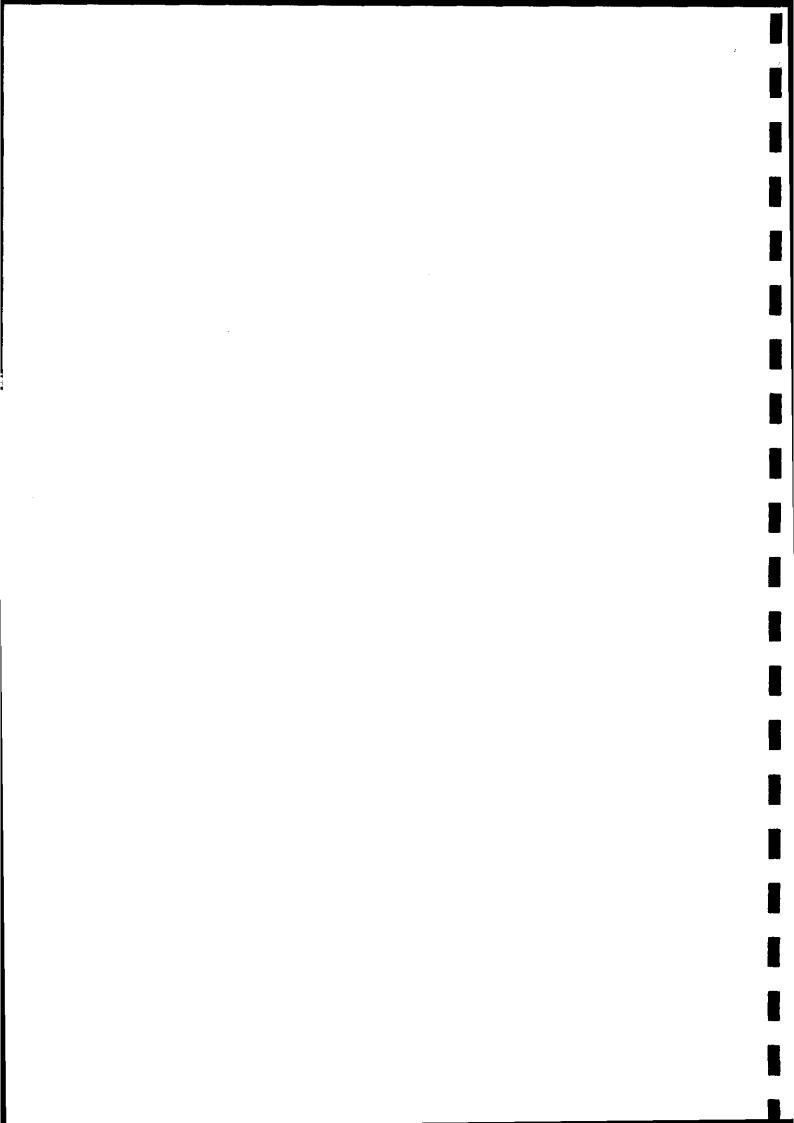

Goodwill which represents the excess of cost of acquisitions of businesses over the value attributed to their net assets, is amortised through the profit and loss account by equal instalments over its estimated useful economic life of 20 years.

#### e) Deferred taxation

Provision is made for deferred taxation on the liability method to the extent that a liability is expected to arise in the foreseeable future.

#### f) Cash flow statement

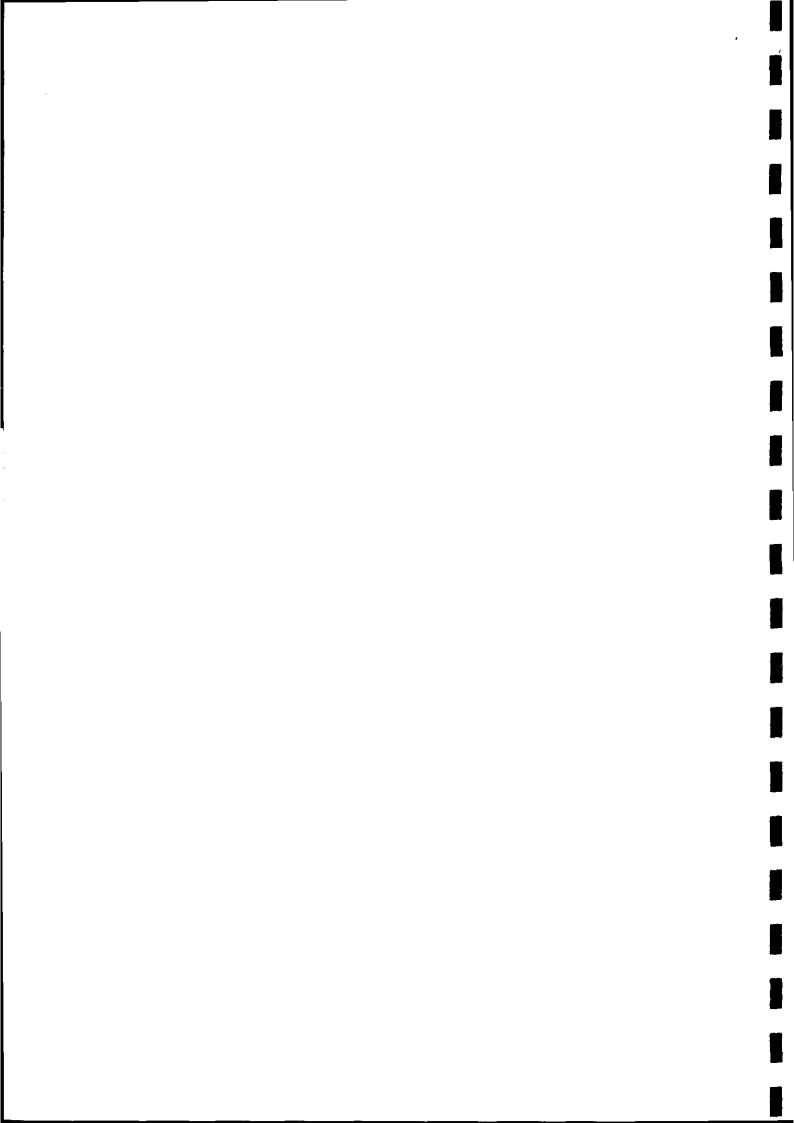

The directors have taken advantage of the exemptions allowed under FRS1 (Revised) not to prepare a cashflow statement as the company falls within the definition of a small company under the Companies Act 1985.
