Statement of the director's responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Profit and loss account

for the year ended 30 June 2012

During the financial period and the preceding financial period the company has not traded on its own account and has received no income and incurred no expenditure. Consequently, during these periods the company has made neither a profit nor a loss.

There are no recognised gains and losses other than the result for the period as shown above.

Director's responsibilities,

- a) The members have not required the company to obtain an audit of its accounts for the year in question in accordance with section 476,
- b) The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts

These financial statements were approved by the board of directors on 15th March 2013 and were signed on its behalf by

SGL Jonsson
Director

Notes

(forming part of the financial statements)

1 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements

Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules. The financial statements have been prepared on a going concern basis which assumes the company will continue to trade, given the continued support of the parent company. If the company were unable to trade, adjustments would have to be made to reduce the value of assets to their recoverable amount and to provide for any liabilities which might arise.

Under Financial Reporting Standard 1 the company is exempt from the requirement to prepare a cash flow statement on the grounds that the parent undertaking includes the company in its own published consolidated financial statements.

As the company is a wholly owned subsidiary of Clytha Holdings Limited, the company has taken advantage of the exemption contained in Financial Reporting Standard 8 and has therefore not disclosed transactions or balances with entities which form part of the group. The consolidated financial statements of Clytha Holdings Limited, within which this company is included, can be obtained from the address included in note 5.
