## Statement of the director's responsibilities

Company law requires the director to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss for that period. In preparing those financial statements, the director is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The director is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. He has general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

## Notes

*(forming part of the financial statements)*

### 1 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

#### *Basis of preparation*

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules. The financial statements have been prepared on a going concern basis which assumes the company will continue to trade, given the continued support of the parent company. If the company were unable to trade, adjustments would have to be made to reduce the value of assets to their recoverable amount and to provide for any liabilities which might arise.

Under Financial Reporting Standard 1 the company is exempt from the requirement to prepare a cash flow statement on the grounds that the parent undertaking includes the company in its own published consolidated financial statements.

As the company is a wholly owned subsidiary of Clytha Holdings Limited, the company has taken advantage of the exemption contained in Financial Reporting Standard 8 and has therefore not disclosed transactions or balances with entities which form part of the group. The consolidated financial statements of Clytha Holdings Limited, within which this company is included, can be obtained from the address included in note 5.
