DIRECTORS' REPORT

The Directors submit their report together with the audited financial statements for the year ended 31 December 2011

The company's registration number is 3400222

Principal activities and review of the business

The Company acts or acted as a holding company for companies which are corporate members of Lloyd's, a Lloyd's Managing Agency and a Lloyd's Members' Agency

On 10 March 2003 the Group sold its Grenville Underwriting subsidiaries to Dimpton Limited

The Group's remaining underwriting subsidiary, Service Corporate Capital Limited, closed its last year of account at 31 December 2003

Until 24 November 2003 the Group managed Syndicates 994 and 1923 and the run-off of Syndicates 923, 2923, 947, 2947 and 1222. It managed capacity of £53m for the 2003 year of account. On 24 November 2003 the Group transferred its holdings in its managing agent to GMA Imagine Limited, pursuant to an agreement with Imagine Insurance Company.

The Group continued to run off its remaining members' agency business in 2011. Most Names were transferred to Lloyd's Members Agents Services Limited in 2002 and the Group has not acted for any Names in respect of the 2003, 2004, 2005, 2006 or 2007 years of account. Greenwich Lloyd's Underwriting Limited was deregistered as a members' agent in January 2012.

The results for 2011 were in line with expectations. The directors will continue to wind down the Group's affairs as efficiently as possible.

Share Capital

Changes to share capital during the year are fully explained in note 12 to the accounts.

Results and dividends

The result for the year is as shown in the profit and loss account on page 9. No dividend is proposed on the ordinary shares of the Company.

Financial instruments

The Group has little exposure to risks arising from financial instruments. The only area where the Group is exposed to risk is that of liquidity and cash flow. This is the risk that the Group will not have sufficient funds to meet its obligations as they fall due. Robust liquidity management forms an important component of the Group's financial management practices and systems are in place to both measure and monitor the potential sources of liquidity risk that have been identified. A liquid asset buffer is maintained to cover contingencies.

DIRECTORS' REPORT (continued)**Directors**

The Directors who served throughout the year and their beneficial interests in the share and loan capital of the Company are detailed below

At 1 January 2011

	Ordinary 5p shares directly held	Ordinary 5p shares indirectly held	Share options issued 31 March 1999
CJ Hodgson	426,754	128,500	100,000
GP Nash	22,000	-	100,000
AT West	-	-	-

At 31 December 2011

	Ordinary 5p shares directly held	Ordinary 5p shares indirectly held	Share options issued 31 March 1999
CJ Hodgson	426,754	128,500	100,000
GP Nash	22,000	-	100,000
AT West	-	-	-

The share option scheme is an unapproved scheme and was adopted by the board on behalf of the Company in March 1999. A total of 1,140,000 options to purchase ordinary 5p shares have been issued to certain employees and directors. The exercise price of the option is £1 and the exercise is dependent on the achievement of performance criteria.

Directors' and Officers' liability insurance

The Company did not renew the liability insurance for its Directors and Officers.

Supplier payments

Due to the discontinued nature of the group's business, suppliers are not applicable. The main expenses incurred are management and professional fees, which are paid when billed.

Charitable and political contributions

Charitable contributions amounting to £nil (2010: £nil) were made during the year.

DIRECTORS' REPORT (continued)

Disclosure of information to Auditors

Under the Companies Act 2006 section 418, we confirm that

(a) so far as we are aware, there is no relevant audit information of which the Company's auditors are unaware, and

(b) we have taken all the steps that we ought to have taken as directors in order to make us aware of any relevant information and to establish that the Company's auditors are aware of that information

Auditors

Mazars LLP will continue in office in accordance with CA 2006, s 487(2)

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The Directors are responsible for preparing the Director's Report and the financial statements in accordance with applicable law and regulations

Company law requires the Directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and Group and of the profit or loss of the Group for that period. In preparing these financial statements, the Directors are required to

select suitable accounting policies and then apply them consistently,

make judgements and estimates that are reasonable and prudent,

state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and

prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and Group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF GREENWICH INSURANCE HOLDINGS PLC

We have audited the financial statements of Greenwich Insurance Holdings PLC for the year ended 31/12/2011 which comprise the Group Profit and Loss Account, the Group and Parent Company Balance Sheets, the Group Cash Flow Statement, the Group Statement of Total Recognised Gains and Losses and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Respective responsibilities of directors and auditors

As explained more fully in the Directors' Responsibilities Statement set out on page [x], the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors. This report is made solely to the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body for our audit work, for this report, or for the opinions we have formed.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the APB's web-site at www.frc.org.uk/apb/scope/UKNP

Opinion on the financial statements

In our opinion the financial statements

- give a true and fair view of the state of the group's and the parent company's affairs as at 31/12/2011 and of the group's loss for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Emphasis of matter - Going concern

In forming our opinion on the financial statements, which is not modified, we have considered the adequacy of the disclosures made in note 19 to the financial statements concerning the Group's ability to continue as a going concern. The matters explained in note 19 indicate the existence of a material uncertainty which may cast significant doubt over the Group's ability to continue as a going concern. The financial statements do not include the adjustments that would result if the Group was unable to continue as a going concern.

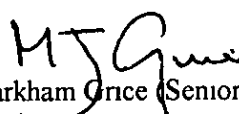

**INDEPENDENT AUDITORS' REPORT
TO THE MEMBERS OF GREENWICH INSURANCE HOLDINGS PLC (continued)**

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

adequate accounting records have not been kept by the parent company, or returns adequate for our audit have not been received from branches not visited by us, or
the parent company financial statements are not in agreement with the accounting records and returns,
or

certain disclosures of directors' remuneration specified by law are not made, or
we have not received all the information and explanations we require for our audit

NOTES TO THE FINANCIAL STATEMENTS
For the year ended 31 December 2011

1 Principal accounting policies

(a) Basis of preparation

The consolidated financial statements are prepared in accordance with the provisions of section 339 of the Companies Act 2006 and Statutory Instrument 2008 / 410 Schedule 6

The consolidated financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules and on the going concern basis. Notwithstanding the matters and uncertainties referred to in note 19, the directors consider the going concern basis to be appropriate.

The balance sheet of the Company has been prepared in accordance with the provisions of Section 394 of the Companies Act 2006 and Statutory Instrument 2008 / 410 Schedule 1. The Company is exempt from the requirement to publish its entity profit and loss account under section 408 of Companies Act 2006.

The particular accounting policies adopted are described below.

(b) Basis of consolidation

The Group financial statements consolidate the financial statements of the Company and its subsidiary undertakings made up to 31 December (or the date of disposal if earlier) and its share of the results and post-acquisition reserves of associated undertakings.

The profits and losses of subsidiary and associated undertakings other than Greenwich Holdings Limited (and its subsidiary undertaking Greenwich Lloyd's Underwriting Limited) (see note 14), are consolidated from the date of acquisition to the date of disposal using the acquisition method of accounting. When the Company's shares are issued in respect of an acquisition, the share premium is computed on the basis of the market value of the shares at the date of acquisition. The difference between the cost of acquisition of shares in these subsidiaries and the fair value of the separable net assets acquired is capitalised as goodwill and amortised over its estimated useful life.

In respect of Greenwich Holdings Limited (and its subsidiary undertaking Greenwich Lloyd's Underwriting Limited) the Group's financial statements have been prepared in accordance with the principles of merger accounting.

NOTES TO THE FINANCIAL STATEMENTS (continued)
For the year ended 31 December 2011

1 Principal accounting policies (continued)

(c) Investments

Listed investments are valued at middle market prices

(d) Agency fees

Agency fees are recognised in the year to which the fee relates

(e) Investment income and expenses

Dividends from investments declared payable up to the balance sheet date and interest from securities are included on an accruals basis

(f) Taxation

Taxation is based on the taxable result for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes. Provision is made for deferred tax at the rates of tax expected to apply when the timing differences reverse.

A deferred tax asset is only recognised in respect of trading losses to the extent that it is more likely than not that there will be future trading profits against which the losses can be relieved.

(g) Interest

Interest is accounted for on a receivable basis

(h) Foreign currency transactions

Transactions in foreign currency, whether of a revenue or capital nature, are translated into sterling at the rates of exchange ruling on the dates of such transactions. Revenue items accrued and other monetary foreign currency assets and liabilities at the balance sheet date are translated into sterling at the rates of exchange ruling on that date. Any gain or loss arising from a change in exchange rates subsequent to the date of the transaction is included as an exchange gain or loss in the profit and loss account.

10 Provisions for liabilities and charges (continued)

Loan stock provision

Some of the outstanding amounts due from loan stock holders are expected to be paid directly to or for the benefit of the Grenville Underwriting companies under the terms of their membership of Lloyd's. The Grenville Underwriting companies may not be in a position to repay these sums to the Company or the Group and so a provision has been made to cover this commitment of funds. When amounts are paid directly to or for the benefit of the Grenville Underwriting Companies, the corresponding loan stock provision is released and replaced by a provision for bad and doubtful debts against the increased sum owed by the relevant Grenville Underwriting Company.

EIR provision

Pursuant to the agreement reached with European International Reinsurance Company Limited (EIR) in respect of the guarantees given by the Company and Group (see note 19) the Company and Group has agreed that certain specific payments will be made to EIR on the receipt of the remaining sales proceeds in respect of the Grenville Underwriting companies and the repayment of the subordinated loan to Greenwich Managing Agency Limited.

11 Share capital (continued)

No shares have been issued since 31 December 2011

All loan stock was converted at the rate of one 5p share per £1 of loan stock

During 2011 no D Loan Stock was converted

An unapproved share option scheme was adopted on behalf of the Company in March 1999

A total of 1,140,000 options to purchase ordinary shares of 5p have been issued to certain employees and Directors. The exercise price is £1 and the exercise is dependent on the achievement of certain performance criteria.

Given the circumstances of the Company, it is unlikely the loan stock will be converted and therefore a provision is held against the loan stock debtor as detailed in note 10.

16 Pension schemes

The Group has operated a money purchase scheme. The scheme's funds are administered by the trustees and are independent from the Group's finances.

As at 31 December 2011 no contributions (2010: £nil) were payable by the Group.

17 Financial commitments

At 31 December 2011 the Group had no annual commitments (2010: £nil) under non-cancellable leases.

18 Guarantees

On 31 December 1998 Greenwich Insurance Holdings PLC gave European International Reinsurance Company Ltd ("EIR") a floating charge over the assets of Group companies to secure the various amounts payable to European International Reinsurance Company Ltd by the Grenville Underwriting companies under the reinsurance agreements which enabled the Group's former underwriting subsidiaries to underwrite at Lloyd's on a 4 to 1 gearing ratio.

At 31 December 2011, the Grenville Underwriting companies owed £8,431,000 (2010: £8,341,000) to EIR. The companies are not currently able to pay these as they fall due and, but for the agreement described below, EIR would be entitled to enforce its security over the Group's assets.

EIR has agreed not to enforce its security provided the Company continues to make all reasonable efforts to maximise its realisable value. Provision has been made for specific payments to EIR (see note 10).

On 27 October 2006 EIR further agreed to release its charge over the Company's interest in GMA Imagine Limited (and any proceeds from the disposal of this interest) on receipt of £50,000.

A payment of £100,000 was made to EIR on 26 November 2010, the floating charge was subsequently released on this date.

19 Going concern

The financial statements have been prepared on a going concern basis. However, the financial statements of certain subsidiaries of the Group have not been prepared on a going concern basis, as they have net liabilities.

Whilst the directors consider that it remains appropriate for the Financial Statements to be prepared on a going concern basis at present, these matters indicate material uncertainty over the Group's ability to be able to realise its assets and discharge its liabilities in the normal course of business and therefore to continue as a going concern.
