The Diana, Princess of Wales Memorial Fund (No 1) Limited

Directors' report for the year ended 31 December 2008

The directors of The Diana, Princess of Wales Memorial Fund (No 1) Limited ("No 1 Ltd") present their report and audited financial statements for the year ended 31 December 2008.

Principal activity

The principal activity of the company is to act as a trading subsidiary to raise funds exclusively for and on behalf of The Diana, Princess of Wales Memorial Fund ("the Fund").

Review of business and future developments

The company has covenanted approximately £19 million to the Fund since its formation in 1997.

During the year income directly linked to approved products was variable with some licences proving more productive and some underperforming against expectations. The profits generated from commercial activity some considerable time after the death of Diana, the Princess of Wales remained modest.

As previously reported, in consultation with the Trustee of the Fund, the Trustees of the Estate and other stakeholders, the directors have ceased new commercial activity and new licensing arrangements during the year, having taken account of any risks in continuing the operation. The directors have also decided to put the company into Members' Voluntary Liquidation.

The company has traded profitably during 2008.

In 2008 the final amount owed to the Fund of £50,000 was paid over in full. In addition there was an amount of £38,853 owed to the Fund that represents the profits payable under Deed of Covenant which will be settled before 30 September 2009.

The company has executed a Deed of Covenant under which 100% of taxable profits for the period are payable to the Fund. The company has made a Deed of Covenant payment to the Fund of £38,853 (2007: £76,821). The directors do not recommend the payment of a dividend.

Subsidiary undertaking

The company has one subsidiary, The Diana, Princess of Wales Memorial Fund (Tribute Album) Ltd, which has ordinary shares of £1 each, is incorporated and operates in Great Britain, and is registered in England and Wales. It carries on trading activities in respect of the "Diana, Princess of Wales Tribute" compilation CD and album.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations. Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required to give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business. See Accounting Policies (Note 1) which explains why the company's financial statements are being prepared on a non going concern basis.

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INFORMATION MADE AVAILABLE TO AUDITORS

Each of the directors has confirmed that, so far as they are aware, there is no relevant audit information of which the company's auditors are unaware, and that they have taken all reasonable steps as a director to make themselves aware of any relevant audit information and to establish that the company's auditors have been made aware of such information.

AUDITORS

Given the company is expected to be wound up before the next accounts are due to be filed, no proposal is made to re-appoint auditors.

By order of the board

on 17 March 2009.
