1. INTRODUCTION

1.1 Introduction

This report has been prepared in accordance with Rule 2 110 of the Rules to provide creditors with a summary of the administrations of the Companies

Given the information previously provided to creditors in our earlier reports, we have not included detailed background information in respect of the Companies and have focused on the progress of the administrations subsequent to those reports

The Joint Administrators' proposals together with a summary of progress in respect of them, are detailed in Section 2.1 below

A schedule of statutory information in respect of the Companies is attached at Appendix 1

1.2 Details of the appointment of the Administrators

Nicholas Guy Edwards, Robert James Harding and Neville Barry Kahn of Deloitte were appointed Joint Administrators of the Companies by their directors on 15 January 2013

The Court having conduct of the proceedings is the High Court of Justice, Chancery Division (cases 322 and 323 of 2013)

For the purposes of Paragraph 100(2) of Schedule B1 of the Act, the Administrators confirm that they have been authorised to carry out all functions, duties and powers by either of them jointly and severally

1.3 Electronic communication with creditors

In the effort to reduce the costs of the administrations, all future communications with creditors including updates and progress reports have been posted onto a website, which has been set up specifically for this purpose. The web address is http://www.deloitte.com/uk/hmv

In respect of Record Shop 2, consent of the Court has been obtained to enable the website to be updated without the need for further postal communication to be given. All creditors' statutory notices will be retained on the website for at least 12 months from being uploaded to the site. Hard copies of any of the correspondence on the website are available on written request.

2. ADMINISTRATORS' PROPOSALS

2.1 Introduction

At the date of the appointment, the Joint Administrators had concluded that the Companies had significant secured and unsecured creditor liabilities and the first purpose of an administration, as described under paragraph 3(1)(a) of Schedule B1 of the Act, of rescuing the company as a going concern (in other words, a restructuring which keeps the actual entity whole) was not achievable

Consequently, the Joint Administrators have performed their functions in accordance with the second objective as set out in paragraph 3(1)(b) of Schedule B1 of the Act, which is to achieve a better result for creditors than would be obtained through an immediate liquidation of the Companies

2.2 Progress on and achievement of the approved proposals

We have summarised below the outcome in respect of each of the approved proposals

Proposal	Current status
1 The Joint Administrators continue to manage the affairs and any remaining assets of the Companies and the settlement of all administrative expenses	The Joint Administrators have continued to manage the affairs and remaining assets of the Companies
2 The Joint Administrators continue with their enquiries into the conduct of the directors of the Companies and continue to assist any regulatory authorities with their investigation into the affairs of the Companies	As part of the Joint Administrators' statutory duties, an investigation into the conduct of the Companies' directors was completed and confidential reports were submitted to The Insolvency Service on 12 July 2013
3 The Joint Administrators be authorised to agree the claims of the secured, preferential and unsecured creditors against each of the Companies unless the Joint Administrators conclude, in their reasonable opinion, that a company will have no assets available for distribution	The Joint Administrators have now agreed the claim made by GCIL (see section 4). The preferential creditors in HMV Group and Record Shop 2 have not yet been agreed. The unsecured creditor claims in respect of the Companies have not yet been agreed.
4 The Joint Administrators be authorised to distribute funds to the secured and preferential creditors as and when claims are agreed and funds permit and, in relation to distributions to unsecured creditors, if the Court gives permission following an appropriate application	

5 That, in the event the creditors of each company so determines, at meetings of creditors, a Creditors' Committee be appointed in respect of each or any company comprising of not more than five or not less than three creditors of that company or Companies

No Creditors' Committee was appointed in respect of either of the Companies

6 That, if a Creditors' Committee is not appointed, the secured and preferential creditors (where applicable) of company shall be asked to fix the basis of the Joint Administrators' remuneration in accordance with Rule 2 106(5A)(b), to be fixed by reference to the time properly given by the Joint Administrators and their staff in attending to matters arising administrations, calculated at the prevailing standard hourly charge out rates used by Deloitte at the time when the work was performed, plus VAT In addition, those creditors shall also be asked to agree the Joint Administrators' expenses of which the Joint Administrators' expenses for mileage be calculated by reference to mileage properly incurred by the Joint Administrators and their staff in attending to matters arising in the administrations at the prevailing standard mileage rate used by Deloitte at the time when the mileage is incurred, plus VAT where applicable

The secured and preferential (where applicable) creditors have fixed the basis of the Joint Administrators' remuneration in accordance with Rule 2 106(5A)(b) of the Rules by reference to the time properly given by the Joint Administrators and their staff

7 That, if a Creditors' Committee is not appointed, the Joint Administrators' pre administration costs, as detailed in section 5 of the Joint Administrators' Proposals be approved

The secured and preferential (where applicable) creditors have approved the Joint Administrators' pre-administration costs

8 That, following the realisation of assets and resolution of all matters in the administrations, and as quickly and efficiently as is reasonably practicable, the Joint Administrators implement the most cost effective steps to formally conclude the This may include the administrations distribution of funds to unsecured creditors (provided Court permission is obtained) and then the dissolution of the Companies or alternatively, seeking to put each or any of the Companies into Creditors' Voluntary Liquidation ("CVL") or Compulsory Liquidation, depending on which option will result in a better realisation for creditors

9 That, if each or any of the Companies were to be placed into CVL, the Joint Administrators propose to be appointed Joint Liquidators and any Creditors' Committee appointed will become the Liquidation Committee pursuant to Rule 4 174A of the Rules and that the basis of the Joint Liquidators' remuneration be fixed by reference to the time given in attending to matters arising in the Liquidations As per paragraph 83(7) of Schedule B1 of the Act and Rule 2 117(A)(2)(b) of the Rules, the creditors may nominate a different person to Joint Liquidator(s) provided nomination is made before the proposals are

10 In the absence of a Creditors' Committee, the secured and preferential creditors of each company agree that the Joint Administrators be discharged from liability per Paragraph 98 of Schedule B1 of the Act immediately upon the Joint Administrators filing their final report to creditors and vacating office

approved by creditors For the purpose of Section 231 of the Act, the Joint Liquidators will be authorised to carry out all functions, duties and powers either jointly or severally

The Companies are moving to CVL following the filing of this final report

Nicholas Guy Edwards, Robert James Harding and Neville Barry Kahn will become the Joint Liquidators of the Companies

The secured and preferential creditors (where applicable) have approved that the Joint Administrators be discharged from liability in accordance with Paragraph 98 of Schedule B1 of the Act, immediately upon the Joint Administrators' filing their final report to creditors and vacating office

Further information in respect of the realisation of assets, the status of liabilities and the estimated outcome for creditors is contained in the following sections of this report

3. STEPS TAKEN DURING THE ADMINISTRATIONS

3.1 Securing assets

As previously reported, following an initial assessment of the Companies' financial position and on-going business prospects, the Joint Administrators decided to continue to trade in the short term in order to facilitate a sale of the business to maximise realisations for the benefit of creditors

3.2 Sale of business and realisation of assets

Following their appointment, it became apparent to the Joint Administrators that although the HMV-branded stores and Fopp-branded stores were purportedly traded by different legal entities, in practice, all trade of the Companies was transacted through Record Shop 2 Accordingly, throughout the appointment, the Joint Administrators have treated all trade related assets and transactions as originating in Record Shop 2, as reflected in the receipts and payments account provided at Appendix 2

3.3 Meeting of creditors

No meetings of creditors were held The Administrators' proposals were deemed approved following the issue of the notice under Paragraph 52(1) of Schedule 31 of the Act on 11 March 2013 and the expiry of 8 business days thereafter

3.4 Distributions to creditors

Distributions totalling £45 9m have been made to the secured creditor, GCIL. It is anticipated that the preferential creditors in Record Shop 2 and HMV Group will be paid in full in the liquidation

The Joint Administrators anticipate that there could potentially be the maximum PP (£600,000) available for distribution to unsecured creditors of Record Shop 2. A PP distribution may also be available in HMV Group, however, the quantum cannot yet be estimated because the total level of floating charge realisations remains uncertain

3.5 Exit

HMV Group and Record Shop 2 will be moving into CVL, following the filing of this final report

3.6 Investigations

As part of the Administrator's statutory duties, an investigation into the conduct of the Companies' directors was completed and confidential reports were submitted to The Insolvency Service on 12 July 2013

3.7 EC regulations

As stated in the administration appointment documents in respect of the Companies, Council Regulation (EC) No 1346/2000 applies and these are the main proceedings as defined in Article 391) of that regulation

4 ADMINISTRATORS' RECEIPTS AND PAYMENTS ACCOUNT

4.1 Introduction

Attached at Appendix 2 are receipts and payments accounts for each company covering the period 1 June 2014 to 16 July 2014, together with cumulative details of the transactions from the date of appointment in accordance with SIP7 (E&W)

In this section, we have summarised the main asset realisations during the period since our last progress report to creditors

4.2 Asset realisations

HMV Group

Bank interest received for the period totalled £642

Record Shop 2

Bank interest received for the period totalled £3k

4.3 Unrealised assets

The only remaining asset is the transfer of funds received from Record Shop 1 into Record Shop 2 as a result of the existence of the agency agreement between Record Shop 1 and Record Shop 2

Actions to realise possible future assets within HMV Group which relate to potential claims against third parties continue to be investigated

4.4 Outcome for creditors

The secured creditor has received £45 9m to date. It is anticipated that the preferential creditors in HMV Group and Record Shop 2 will be paid in full in the liquidation. It is also anticipated that a distribution will be made to the unsecured creditor of HMV Group and Record Shop 2 under the PP

Consequently, the Administrators have performed their functions in relation to HMV Group and Record Shop 2 with the objective set out in paragraph 3(1)(b) of the Schedule B1 of the Act, which is to achieve a better result for creditors than would be achieved through and immediate liquidation of the Companies

5. DISTRIBUTIONS TO CREDITORS

5.1 Secured creditors

As previously reported, the claim of the Previous Lending Group was £127 2m which was reduced to £110 3m after set off of the £16 9m cash balances on appointment. The Joint Administrators have agreed the Previous Lending Group's claim at £110 3m (shown as £109 6m in the directors' Statement of Affairs)

In February 2013, the Previous Lending Group's secured debt was purchased by GCIL

To date, distributions of £45 9m have been made to GCIL

In addition to GCIL there are two other secured creditors, the Group's defined benefit pension fund and EMI Group plc, both of whom benefit from subordinated security rights in respect of the Group. These secured creditors rank behind GCIL for the purposes of distributions and the Joint Administrators do not estimate that either creditor will receive a distribution.

It is currently considered unlikely that GCIL will be repaid in full from asset realisations

5.2 Preferential creditors

Preferential claims are currently estimated to be as follows

Company	Directors' SoA (£)	Estimated (£)
HMV Group	40,000	54,584
Record Shop 2	1,400,000	405,901

The preferential creditors of HMV Group and Record Shop 2 will be paid in full

5.3 Prescribed Part

The Prescribed Part (section 176A of the Insolvency Act 1986 (Prescribed Part) Order 2003) applies where there are floating charge realisations, net of costs to be set aside for unsecured creditors. For any company, the prescribed part equates to

- 50% of net property up to £10,000,
- plus, 20% of net property in excess of £10,000, and
- subject to a maximum of £600,000

The Joint Administrators anticipate that there could potentially be the maximum PP (£600,000) available for distribution to unsecured creditors in Record Shop 2. A PP distribution may also be available in HMV Group, however, the quantum cannot yet be estimated as the total level of floating charge realisations is uncertain

As detailed in the Joint Administrators' proposals dated 11 March 2013, there is an agency agreement between Record Shop 1 and Record Shop 2. The effect of the agency agreement is that liabilities that purport to be owed by Record Shop 1 under contracts with third parties are likely to be liabilities of Record Shop 2. If a person/company with a claim against Record Shop 1 was unaware of the agency agreement that person/company may elect to claim against Record Shop 2 (as principle under the agency agreement). Further information on how to submit a claim can be found at Section 5.5 of this report.

5.4 Unsecured creditors

The Companies' unsecured creditors as at 15 January 2013, per the directors' Statement of Affairs (excluding any shortfall to floating charge holders), together with details of the claims received to date are summarised in the table below

Company	Directors' SoA (£)	Claims received to date (£)
HMV Group	88,843,000*	2,387,677
Record Shop 2	146,573,000	157,173,628
Total	235,416,000	159,561,305

^{*}Amount includes liabilities to the Group's estimated pension deficit and intercompany balances

No distributions have been made to the unsecured creditors of either of the Companies

5.5 Claims process

Due to possible distributions to unsecured creditors under the PP from HMV Group and Record Shop 2, in the event that you have a claim, you are requested to submit the relevant Proof of Debt form(s) to the address on the front of this report

Proof of Debt forms are available to download from http// www deloitte com/uk/hmv

As detailed in section 5 3, if you believe you have a claim against Record Shop 1, you may elect to claim against Record Shop 2 and, as such, you should complete the Record Shop 2 Proof of Debt form

6. OTHER MATTERS AND INFORMATION TO ASSIST CREDITORS

6.1 Extensions to initial appointment period

The secured and preferential creditors approved an extension of the administrations for a period of six months from 14 January 2014 to allow negotiations to continue regarding the realisation of shareholdings and other assets, and facilitate the completion of various lease assignments

6.2 Administrators' Discharge

In the absence of a Creditors' Committee, the secured and preferential creditors of each company agree that the Joint Administrators be discharged from liability per Paragraph 98 of Schedule B1 of the Act immediately upon the Joint Administrators filing their final report to creditors and vacating office

6.3 SIP 2 – Initial Assessment of Potential Recoveries

As previously advised, we are obliged to review all of the information available to us and conduct an initial assessment of whether there are any matters that might lead to a recovery for the benefit of creditors of the Companies. This initial assessment includes making enquiries into any potential claims that may be brought against parties either connected to or who have had past dealings with the Companies.

Having completed this review, we identified no further avenues of recovery. If you have any information that you feel we should be made aware of in relation to the above, please contact us as a matter of urgency.

6.4 SIP13 (E&W) – Transactions with connected parties

As previously reported, save for the intercompany relationship potentially arising from the interaction caused by the agency agreement of Record Shop 2 and Record Shop 1, the Joint Administrators are not aware of any additional transactions that have taken place that should be disclosed to creditors in accordance with SIP13 (E&W)

Should creditors have information regarding transactions with connected parties, they should forward details in writing to the Joint Administrators to the address on the front of this report

7. PRE-ADMINISTRATION COSTS

Included within the Joint Administrators' proposals dated 11 March 2013 was a Statement of Pre-Administration Costs, in accordance with rule 2 33(2)(ka) of the Rules
