Short particulars

The attached Schedule contains certain covenants by and restrictions on the Chargor which protect and further define the Charge and which must be read as forming part of the Security

The charge creates a fixed charge over all the "Deposit(s)" referred to in the schedule (including all or any part of the money payable pursuant to such Deposit(s) and the debts represented thereby), together with all interest from time to time accruing thereon

It also creates an assignment by the Chargor, for the purposes of and to give effect to the security, over the right of the Chargor to require repayment of such Deposit(s) and interest thereon

Schedule

Details of the Charged Deposit(s)

In the security the expression "Deposit(s)" is defined to mean all sums of money in any currency

- (a) deposited or paid by the Chargor now or at any time after the date of the charge to the credit of the account(s) (if any) with the Bank specified below and/or (where the context permits) any additional and/or substitute account(s) hereafter opened with the Bank for the deposit or holding of all or part of the money or interest subject to the security, and
- (b) deposited or paid by the Chargor with or to the Bank or held by the Bank on behalf of the Chargor pursuant to the deposit contract(s) (if any), short particulars of which are given below, and
- (c) deposited or paid by the Chargor with or to the Bank or held by the Bank on behalf of the Chargor (whether in an account or otherwise) now or at any time during the currency of the security, unless the Bank agrees in writing before such deposit or payment is made that it shall not be subject to the security (provided that this paragraph shall not extend to any money in any current account) and
