### 2 Floating Charge

#### 2.1 Creation of floating charge

Each Chargor, with full title guarantee, charges to the Security Agent as security for the payment or discharge of all Liabilities, by way of floating charge:

2.1.1 all its Assets (other than Excluded Land and Excluded Assets), except to the extent that such Assets are for the time being effectively assigned by way of security by virtue of paragraph 1.1 (*Assignments*) or charged by any fixed charge contained in paragraph 1.2 (*Fixed security*), including any Assets comprised within a charge which is reconverted under paragraph 3.4 (*Reconversion*) of Note (1) below; and

2.1.2 without exception, all its Assets in so far as they are for the time being situated in Scotland or otherwise governed by Scots law,

but in each case so that such Chargor shall not create any Security (except Permitted Security) over any Floating Charge Asset (whether having priority over, or ranking *pari passu* with or subject to, this floating charge) or take any other step referred to in Clause 8 (*Negative pledge and other restrictions*) of the Debenture, as set out in Note 4 below, with respect to any Floating Charge Asset, and such Chargor shall not, without the consent of the Security Agent, sell, transfer, part with or dispose of any Floating Charge Asset unless expressly permitted by the terms of any Finance Document.

Note (1): The Debenture provides that:

### 1 Priority

1.1 Any fixed Security created by a Chargor and subsisting in favour of the Security Agent shall (save as the Security Agent may otherwise declare at or after the time of its creation) have priority over the floating charge created by paragraph 2.1 above (*Creation of floating charge*).

1.2 Any Security over the Assets created in the future by a Chargor (except in favour of the Security Agent) shall be expressed to be subject to the Debenture and shall rank in order of priority behind the charges created by the Debenture.

### 2 Qualifying Floating Charge

The floating charges created by the Chargor under paragraph 2.1 above (*Creation of floating charge*) are "qualifying floating charges" for the purposes of Schedule B1 to the Insolvency Act 1986 and paragraph 14 of Schedule B1 to the Insolvency Act 1986 shall apply to the Debenture.

### 3 Crystallisation

#### 3.1 Crystallisation by notice

The floating charge created by each Chargor in paragraph 2.1 (*Creation of floating charge*) may be crystallised into a fixed charge by notice in writing given at any time by the Security Agent to the relevant Chargor (or to TBG CareCo Investments 2 Limited on its behalf) if:

3.1.1 an Event of Default has occurred and in respect of which the Agent has given notice under Clause 23.22 (*Acceleration*) of the Facilities Agreement;

**Short particulars of all the property mortgaged or charged**

- 3.1.2 an Event of Default under Clause 23.6 (*Insolvency*) or Clause 23.7 (*Insolvency Proceedings*) of the Facilities Agreement in relation to that Chargor has occurred and is continuing; or
- 3.1.3 the Security Agent in good faith considers that any of the Floating Charge Assets may be in jeopardy or in danger of being seized or sold pursuant to any form of legal process; or
- 3.1.4 the Security Agent in good faith considers that such crystallisation is desirable in order to protect the priority of its Security.

Such crystallisation shall take effect over the Floating Charge Assets or class of Floating Charge Assets specified in the notice. If no Floating Charge Assets are specified, it shall take effect over all Floating Charge Assets of the relevant Chargor.

**3.2 Automatic crystallisation**

If, without the Security Agent's prior written consent:

- 3.2.1 any Chargor resolves to take or takes any step other than in the ordinary course of business or as expressly permitted by the Finance Documents to:
  - (i) charge or otherwise encumber (other than by way of Permitted Security) any of its Floating Charge Assets;
  - (ii) create a trust over any of its Floating Charge Assets except as permitted in the Facilities Agreement; or
  - (iii) dispose of any Floating Charge Asset except as permitted in the Facilities Agreement; or
- 3.2.2 any person resolves to take or takes any step to seize or sell any Floating Charge Asset pursuant to any form of legal process; or
- 3.2.3 a resolution is passed by the relevant Chargor or documents are filed at court by that Chargor for the winding up of that Chargor or any liquidator, receiver, administrator or other similar office is appointed in respect of that Chargor,

then the floating charge created by paragraph 2.1 above (*Creation of floating charge*) shall be automatically and instantly crystallised (without the necessity of notice) into a fixed charge over such Floating Charge Asset or, in the case of paragraph 3.2.3 above into a fixed charge over all Floating Charge Assets of the relevant Chargor.

**3.3 Future Floating Charge Assets**

Except as otherwise stated in any notice given under paragraph 3.1 (*Crystallisation by notice*) or unless the crystallisation relates to all its Floating Charge Assets, prospective Floating Charge Assets acquired by any Chargor after crystallisation has occurred under paragraph 3.1 (*Crystallisation by notice*) or 3.2 (*Automatic crystallisation*) shall become subject to the floating charge created by paragraph 2.1 (*Creation of floating charge*), so that the crystallisation shall be effective only as to the specific Floating Charge Assets affected by the crystallisation.

**3.4 Reconversion**

Any charge which has crystallised under paragraph 3.1 (*Crystallisation by notice*) or 3.2 (*Automatic crystallisation*) may, by notice in writing given at any time by the Security Agent to the relevant Chargor (or to TBG CareCo Investments 2 Limited on its behalf), be reconverted into a floating charge in relation to the Assets or class of Assets specified in such notice.
