DIRECTORS' AND TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2019

Public Benefit statement

The Charity's objectives and principal activities for the year under review were raising support for workers and compassion ministries in Asia and educating and mobilising the Church in the United Kingdom and Europe. Our Trustees believe that these objectives and activities exceed the general guidelines for public benefit set by the Charity Commission.

Key Activities

The key activities during the year were:

- a) To help provide education to indigenous Christian workers to ensure their effectiveness in Christian ministry and the accurate teaching of the Christian orthodoxy.
- b) To support indigenous Christian workers in their efforts to share the love of Christ to their own countries and help provide them with needed ministry tools.
- c) To help underprivileged children in Asia through Bridge of Hope Centres that provide food, clothing, medical care, education, and the expression of Christ's love for them.
- d) To help demonstrate Christ's love through disaster relief, drilling wells, and helping poor families break the cycle of poverty with income producing aid.
- e) To spread Good News through radio broadcasts in 113 languages, mobile film teams, and printed literature.
- f) To educate the UK and European church in an orthodox, Biblical understanding of following Christ and encourage lives filled with a practical expression of Christ's love.

In setting the objectives and planning activities for the period, the trustees have given careful consideration to the Charity Commission's general guidance on public benefit, as laid out in section 4 of the 2011 Charities Act, at the Trustees meetings.

Review of the Business

During the year under review the Trustees met five times (2018 - 4 times). The results for the year under review and financial position of the company are as shown in the financial statements on pages 9 to 20.

The Statement of Financial Activities on page 9 details the financial position of the charity for the year ended 31st March 2019 and the accumulated funds at the year end.

During the year the charity received charitable donations, legacies, and investment income amounting to £1,571,779 (year ended 31 March 2018 £1,565,432). Charitable grants made to Believers Eastern Church, the charities mission field partner amounted to £2,561,700 (2018 £nil) . Further detail is given in Note 3 to the accounts.

The Charity's aims and objectives going forward are to continue the Key Activities above.

Appointment/Election of Trustees and Retirement of Trustees by Rotation

Trustees are appointed/elected following the procedures laid out in Articles 25 to 27 of the Memorandum and Articles of Association.

Methods for the Recruitment and Appointment of Trustees

The Trustees are believers in Jesus Christ who adhere to the Charity's Statement of Faith. Any person who approaches the Charity wishing to be a Trustee is advised to learn fully about GFA World through the free downloadable materials on their website. New trustees are nominated and seconded by meeting attendees and recorded in the minutes. New trustees are then given a handover to fully explain their role by an existing trustee or by the outgoing trustee.

Tangible fixed assets

Details of movements in fixed assets are set out in Note 6 to the Accounts.

Powers and Responsibilities of Trustees

These powers and responsibilities are laid out in Articles 7 to 13 of the Memorandum and Articles of Association.

Reserves

It is the policy of the Charity to maintain, where possible, unrestricted funds, which amount to no less than approximately six months expenditure on managing and administering the Charity. This provides sufficient funds to cover management and administration costs in the event of a significant drop in income which will enable the Trustees to consider how to replace the income.

As at 31 March 2019 total unrestricted general income funds carried forward were in deficit by £44,347 (2018 surplus £8,368). The Trustees are carefully monitoring the situation to ensure the Charity's obligations are met as they fall due. At a Trustees board meeting held on 1st July 2019 it was agreed to implement the policy in respect of the receipt of restricted income donations, whereby an element of these donations was to be allocated towards the meeting of operating costs and obligations of the charity. This has ensured all obligations of the charity have been met as they fall due.

Risk management

The Trustees actively review the major risks which the Charity faces on a regular basis and combined with an annual review over key financial systems will provide sufficient resources in the event of adverse conditions. The Trustees have also examined other operational and business risks faced by the Charity and confirm that they have established systems in place to mitigate the significant risks.

Organisational Structure

The Trustees are responsible for the strategic direction of the Charity. Day to day responsibility for the administration of the Charity's funds rests with the Chief Executive (Mr J P Dao) who reports directly to the Trustees. The arrangements for setting the remuneration of the Chief Executive and administration staff are undertaken by the Trustees.

The Trustees are also responsible for the maintenance and integrity of the corporate and financial information included on the company's website.

(A COMPANY LIMITED BY GUARANTEE)

DIRECTORS' AND TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2019

Organisational Structure (continued)

GFA World is a separate legal entity from Gospel For Asia (US) and as such there is no direct control over the day to day operations of GFA World. The Board of GFA World does include Kadappilaril Yohannan Punnose and Daniel Punnose, both of whom sit on the Gospel For Asia (US) board. Support and advice is provided by Gospel For Asia (US) to GFA World when this is considered appropriate, but the overall corporate governance and financial management arrangements are determined by the board of GFA World.

Volunteers

During the year under review, the charity continued to utilise the services of a number of volunteers covering all aspects of the charities organisation.

Trustees' Responsibilities

Company law requires the charity trustees to prepare financial statements for each financial period which give a true and fair view of the charity's financial activities during the period and of its financial position at the end of the period. In preparing financial statements giving a true and fair view, the trustees should follow best practice and:

- ~ select suitable accounting policies and then apply them consistently;
- ~ observe the methods and principles in the Charities SORP;
- ~ make judgements and estimates that are reasonable and prudent;
- ~ state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements; and
- ~ prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Act 2006.

They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Statement of Disclosure to Auditors

So far as the directors are aware, there is no relevant audit information of which the company's auditors are unaware. Additionally, the directors have taken all the necessary steps that they ought to have taken as directors in order to make themselves aware of all relevant audit information and to establish that the company's auditors are aware of that information.

This report has been prepared in accordance with the special provisions relating to small companies within Part 15 of the Companies Act 2006.

This includes an assessment of: whether the accounting policies are appropriate to the Charity's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Trustees; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Trustees' Annual Report to identify any material inconsistencies with the audited financial statements. NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019

1 ACCOUNTING POLICIES

a) Basis of Preparation of Accounts

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The company meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

b) Reconciliation with previous Generally Accepted Accounting Practice

In preparing the accounts, the trustees have considered whether in applying the accounting policies required by FRS 102 and the Charities SORP FRS 102 the restatement of comparative items was required. The reported financial position and the financial performance for the previous period are not affected by the transition to FRS 102.

c) Company Status

The Charity is a company limited by guarantee, incorporated in England and Wales. The sole member of the Charity is Believers Eastern Church. In the event of the Charity being wound up, the liability in respect of the guarantee is limited to £10 per member of the Charity.

d) Cash Flow

The accounts do not include a cash flow statement because the Company, as a small reporting entity, is exempt from the requirement to prepare such a statement under Section 1A of FRS 102.

e) Incoming Resources

Voluntary income and donations are included in incoming resources when they are receivable, except when donor's conditions have not been fulfilled, then the income is deferred. No amounts are included in the financial statements for services donated by volunteers. The income from fundraising ventures is shown gross, with the associated costs included in fundraising costs.

f) Resources Expended

Resources expended are included in the Statement of Financial Activities on an accruals basis, inclusive of any VAT.

Expenditure which is directly attributable to specific activities has been included in these cost categories. Where costs are attributable to more than one activity, these have been apportioned across the cost categories on a basis consistent with the use of these resources.

g) Funds

GFA World has been analysed over the different types of fund, which are:

Unrestricted Funds:

Unrestricted funds are those which are not subject to any special restriction and they can be used as the trustees decide. All gift aid receipts are treated as unrestricted funds. Designated funds are part of unrestricted funds and are amounts the trustees have set aside to cover particular expenditure.

Restricted Funds:

Restricted funds are those where the donor has imposed restrictions on how the fund may be used, but which do not prevent the fund being spent. GFA World aims to honour donor gift preferences but retains discretion on how the funds are allocated. If needed, the mission partners may use a portion of donations received for a similar ministry project or to cover their overheads in administering ministry projects in Asia.

h) Taxation

No corporation tax has been provided in these accounts because trustees believe that the income and gains of the Charity are within the exemption granted by Section 505 of the Income and Corporation Taxes Act 1988.

i) Shares

The company is limited by guarantee and no shares have been issued.

j) Value added tax

Value added tax is not recoverable by the Charity, and as such is included in the relevant costs in the Statement of Financial Activities.

k) Volunteers

The value of services provided by volunteers is not incorporated into these Financial Statements.

Office Furniture and Equipment	10% Reducing Balance
Computer Equipment	20% on Cost
Motor Vehicle	25% Reducing Balance

The costs of minor additions or those costing below £100 are not capitalised.

m) Foreign Currency Translation

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. n) Operating Leases

NOTES TO THE FINANCIAL STATEMENTS (Continued) FOR THE YEAR ENDED 31 MARCH 2019

During the year the charity received charitable donations, legacies, and investment income amounting to £1,571,779 (year ended 31 March 2018 £1,565,432). During the year £2,561,700 (2018 £nil) was transferred to charities having licence tenure which had approval of Believers Eastern Church, the charity's mission field partner, to further the Charity's objectives. There were no fund transfers made to Believers Church India during the previous year as the charity's licence to transfer funds to India was going through it's standard 5-yearly renewal process. The timing of this renewal process being completed meant that it was not possible to transfer funds prior to the previous year end.
