DIRECTORS' REPORT

The directors herewith their annual report, together with the financial statements of the company for the year to 31 March 2013

STATEMENT OF TRUSTEES' RESPONSIBILITIES

Directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires directors to prepare financial statements for each financial year. Under that law directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and accounting estimates that are reasonable and prudent,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities

RESULTS

The deficit for the year was £974 (2012 £523). The directors propose to cover this deficit from reserves.

REVIEW OF THE BUSINESS

The principal object of the company is to provide a sports pavilion and other facilities in memory of James Hill, for the village of Osmotherley. The company's policies in pursuit of this objective have not changed throughout the year. The directors do not consider the state of affairs of the company to be satisfactory as future funding is giving rise to concern. The company is assisted by unpaid volunteers. The funds and resources are used entirely for the principal objective. Funds are received from donations and from the surplus of activities organised on behalf of the company.
