1 Introduction

- 1.1 I refer to my appointment as Joint Supervisor of F-M UK Holding Ltd and Federal-Mogul Global Growth Ltd (the Companies) CVAs, together with my partners, J Gleave and S Mackellar on 11 October 2006.
- 1.2 This is my final report on the implementation of the CVA in accordance with Rules 1.26 and 1.29 of the Insolvency Rules 1986. At Appendix A, I have provided an account of my Receipts and Payments for the year ended 10 October 2009 together with a Cumulative Account since my appointment.

2 Realisation of Assets

Indemnities

- 2.1 As stated in my last report, neither of the Companies had any assets at the date that the CVAs became effective. As such, the CVA proposals provided for two indemnities which were used to fund the payment of creditor dividends. The first indemnity was provided by Federal-Mogul Corporation, the Parent Company. This was made available to fund payment of allowed preferential claims, allowed general unsecured claims, Chapter 11 costs claims and Cooper claims.
- 2.2 The second indemnity was provided by Federal-Mogul Corporation and Federal-Mogul Limited (formerly T&N Limited) (FM Ltd) to fund the payment of allowed Revenue Claims against the Companies.

Bank Interest

- 2.3 Since my last report a total of £6 has been realised in respect of bank interest. No further realisations are expected in this regard.

3 Creditors' Claims

Preferential Creditors

- 3.1 There are no preferential creditors' claims within either arrangement.

Unsecured Creditors

Trade & Expense Creditors

- 3.2 No claims have been received from any trade creditors of either of the Companies.
- 3.3 Since my last report, a total of £14,564 has been paid to HM Revenue & Customs in respect of allowed Revenue Claims.
- 3.4 The surplus funds representing accrued bank interest, following payment of the Companies' creditors in full, has been paid to FM Ltd.

4 Supervisors' Remuneration

- 4.1 The CVA provides that my remuneration will be based upon the time costs of the Joint Supervisors and their staff in executing the Arrangement.
- 4.2 The Joint Supervisors' time costs as at 10 October 2009 total £71,916. This represents 351 hours at an average rate of £205 per hour. To date, £77,855 plus VAT has been drawn on account which represents fees of £71,275 plus disbursements of £6,580.
- 4.3 As stated in my last report, in respect of the Companies all time incurred in executing the CVA has been charged to one time code, in order to simplify time recording and billing procedures. In addition, time relating to the execution of the CVAs of the Federal Mogul

Dormant Companies of which there were 29, have also been included within this time code.

- 4.4 As previously advised, a Remuneration Reserve was established to pay the Joint Supervisors' remuneration. As a result, the Joint Supervisors' fees have had no impact on the level of dividends available to the Companies' creditors.
- 4.5 Attached as Appendices B and C are Time Analyses for the period since my last report, together with a Cumulative Account for the duration of the CVAs. The Time Analyses are produced in accordance with the provisions of Statement of Insolvency Practice 9 (SIP9), which provides details of the activity costs incurred by staff grade to date.
- 4.6 Attached, as Appendix D is additional information in relation to my policy on staffing, the use of sub-contractors and re-charging of disbursements.

5 Closure of the CVA

- 5.1 Finally at Appendix E, I attach a Notice of Completion of the Voluntary Arrangement, Form 1.4.

Should you require further information at any time, please do not hesitate to contact Robert Hart of this office.

Yours faithfully

Anne O'Keefe
Joint Supervisor

Appendix D

1 Policy

Detailed below is Zolfo Cooper's policy in relation to:

- staff allocation and the use of sub-contractors;
- professional advisors; and
- disbursements.

1.1 Staff Allocation and the use of Sub-contractors

Our general approach to resourcing our assignments is to allocate staff with the skills and experience to meet the specific requirements of the case.

The constitution of the case team will usually consist of a Partner, Senior Associate, Associate and Analyst. The exact constitution of the case team will depend on the anticipated size and complexity of the assignment and on the experience requirements of the assignment. On larger, more complex cases, several staff at all grades may be allocated to meet the demands of the case. Our charge out rate schedule below provides details of all grades of staff and their experience level.

With regard to support staff, we would advise that time spent by cashiers in relation to specific tasks on an assignment is charged. Only if there is a large block of time incurred by a member of the secretarial team, eg, report compilation and distribution, do we seek to charge and recover our time in this regard.

We have not utilised the services of any sub-contractors in this case.

1.2 Professional Advisors

On this assignment we have used the professional advisors listed below. We have also indicated alongside, the basis of our fee arrangement with them, which is subject to review on a regular basis.

Name of Professional Advisor	Basis of Fee Arrangement
Denton Wilde Sapte (legal advice)	Hourly rate and disbursements

Our choice was based on our perception of their experience and ability to perform this type of work, the complexity and nature of the assignment and the basis of our fee arrangement with them.

1.3 Disbursements

Category 1 disbursements do not require approval by creditors. The type of disbursements that may be charged as a Category 1 disbursement to a case generally comprise of external supplies of incidental services specifically identifiable to the case, such as postage, case advertising, invoiced travel and external printing, room hire and document storage. Also chargeable will be any properly reimbursed expenses incurred by personnel in connection with the case.
