# 1 General information

Concentrate Capital Partners Limited is a private company limited by shares and incorporated in England and Wales under company number 03460170.

The address of its registered office is: 5 Market Yard Mews 194 - 204 Bermondsey Street London SE1 3TQ

# 2 Summary of significant accounting policies

# Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards including Section 1A of Financial Reporting Standard 102 (2015) "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (FRS102) and the Companies Act 2006.

# Going concern

The financial statements have been prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value, despite the fact that the balance sheet indicates a net current liability position of £709,255 (2017: net current liabilities of £2,486).

The going concern basis has been supported by a letter of financial support from DRA Global Limited, whereby DRA Global Limited will continue to provide financial support and resources in order for the company to continue trading in the foreseeable future and meet its liabilities as they fall due, and for a period of at least twelve months from the date of the signing of these financial statements.

The presentation currency is £ sterling.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented, unless otherwise stated.

# Group accounts not prepared

The company has not prepared group financial statements as it is exempt from the requirement to do so by section 401 of the Companies Act 2006 as it is included in the consolidated financial statements of DRA Global Limited, a company registered in Australia, whose financial statements are prepared in accordance with International Financial Reporting Standards.

The financial statements of DRA Global Limited may be obtained from its registered office at Level 8, 256 Adelaide Terrace, Perth WA6000, Australia.

# Investments

Investments in equity shares which are publicly traded or where the fair value can be measured reliably are initially measured at fair value, with subsequent changes to fair value recognised in profit or loss. Investments in equity shares which are not publicly traded and where fair value cannot be measured reliably are measured at cost less impairment.

Interest income on debt securities, where applicable, is recognised in income using the effective interest method. Dividends on equity securities are recognised in income when receivable.

# Debtors

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are subsequently measured at amortised cost using the effective interest method, less any impairment.

# Concentrate Capital Partners Limited Annual Report and Financial Statements Notes to the Financial Statements for the year ended 31 December 2018

#### Creditors

Short term creditors are measured at transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and are subsequently measured at amortised cost using the effective interest method.

# Foreign currency

Transactions in foreign currency are translated at the spot rate at the date of the transaction. Assets and liabilities denominated in foreign currencies are retranslated at the rate of exchange at the balance sheet date. All exchange differences are taken to the profit and loss account.

# 3 Employees

The average number of persons employed by the company (including directors) during the year was as follows:
