NOTES TO THE ABBREVIATED ACCOUNTS

FOR THE YEAR ENDED 30 NOVEMBER 2012

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention modified to include the revaluation of freehold land and buildings and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

1.2 Turnover

Turnover represents amounts receivable for consultancy services provided and rents receivable.

1.3 Tangible fixed assets and depreciation

Tangible fixed assets other than investment properties are stated at cost or valuation less depreciation. Depreciation is provided at rates calculated to write off the cost or valuation less estimated residual value of each asset over its expected useful life, as follows:

Land and buildings Freehold Over 10 years

Fixtures, fittings & equipment 33% Reducing balance

The improvements to property are not depreciated.

In accordance with SSAP 19, no depreciation is provided on the company's freehold investment properties. This is a departure from the requirements of Companies Act 2006 that all properties should be depreciated. In the opinion of the directors, this departure is necessary for the financial statements to give a true and fair view, as properties are included in the financial statements at their open market value.

1.4 Stock and work in progress

Work in progress is valued at the lower of cost and net realisable value.

1.5 Investment Properties

In accordance with SSAP 19, investment properties are revalued annually, and any aggregate surplus or deficit is taken to the revaluation reserve. Temporary deficits are deducted from the revaluation reserve, and any permanent diminuation in value is charged to the profit and loss account. No depreciation is provided in respect of investment properties.
