### **Notes to the financial statements for the year ended 30 November 2010**

#### **1. Accounting policies**

The principal accounting policies applied in the preparation of these financial statements are set out below. The financial statements have been prepared under the historical cost convention, in compliance with the requirements of the Companies Act 2006 and in accordance with applicable International Financial Reporting Standards (IFRS). There are no accounting policies where the use of assumptions and estimates are determined to be significant to the financial statements.

A statement of comprehensive income, a statement of changes in equity and a statement of cash flows are not presented in these financial statements as these would show nil amounts for the current and preceding financial years.
