BUSINESS REVIEW

.:

The profit and loss account on page 9 of the financial statements provides a summary of the company's trading results for the year. The directors are satisfied with the results of the business, which highlight the increasing growth of the financial returns.

The directors continue to review the business and industry to minimise or mitigate the risks that are prevalent in a commercial environment. The company continues to develop its product range and sales markets throughout the European Union and the rest of the world.

PRINCIPAL RISKS AND UNCERTAINTIES

The company's principal risks are considered to be the economic environment in which it operates, supply chain management and operational efficiency. These risks are reviewed and managed through the company's business performance and risk management processes.

The company's operations expose it to a variety of financial risks that include the effects of changes in credit risk, liquidity risk and cash flow risk, plus price and exchange rate risk.

The company has in place a risk management programme that seeks to limit the possible adverse effects on the financial performance of the company by monitoring levels of cash.

The directors have not delegated the responsibility of monitoring financial risk management and the company's finance department implements the policies set by the company's board of directors. The department has specific guidelines agreed by the directors to manage credit risk.

Credit risk

The company has implemented policies that require appropriate credit checks on potential customers before new accounts are accepted.

Liquidity and cash flow risk

The directors consider the company to have sufficient available funds for operations and planned growth.

Price risk

Expenditure made by the company is authorised prior to it being made by management in order to ensure that goods and services are not obtained at a higher price than necessary.

Exchange rate risk

The company receives income in Euros and pays costs in US dollars and as such is exposed to the changes in foreign currency exchange rates. It is the company's policy to continually monitor movements in the exchange rates and take appropriate action as necessary.

DIRECTORS' RESPONSIBILITIES STATEMENT FOR THE PERIOD ENDED 30 SEPTEMBER 2013

The directors are responsible for preparing the Strategic report, the Directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITORS' REPORT TO R J B STONE LIMITED UNDER SECTION 449 OF THE COMPANIES ACT 2006

We have examined the abbreviated accounts set out on pages 9 to 18, together with the financial statements of R J B Stone Limited for the period ended 30 September 2013 prepared under section 396 of the Companies Act 2006.

This report is made solely to the company in accordance with section 449 of the Companies Act 2006. Our work has been undertaken so that we might state to the company those matters we are required to state to it in a special Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company, for our work, for this report, or for the opinions we have formed.

RESPECTIVE RESPONSIBILITIES OF DIRECTORS AND AUDITORS

The directors are responsible for preparing the abbreviated accounts in accordance with section 445 of the Companies Act 2006. It is our responsibility to form an independent opinion as to whether the company is entitled to deliver abbreviated accounts to the Registrar of Companies and whether the abbreviated accounts have been properly prepared in accordance with the regulations made under that section and to report our opinion to you.

We conducted our work in accordance with Bulletin 2008/4 issued by the Auditing Practices Board. In accordance with that Bulletin we have carried out the procedures we consider necessary to confirm, by reference to the financial statements, that the company is entitled to deliver abbreviated accounts and that the abbreviated accounts are properly prepared.

OPINION ON FINANCIAL STATEMENTS

In our opinion the company is entitled to deliver abbreviated accounts prepared in accordance with section 445(3) of the Companies Act 2006, and the abbreviated accounts on pages 9 to 18 have been properly prepared in accordance with the regulations made under that section.

OTHER INFORMATION

On 11 November 2014 we reported as auditors to the members of the company on the financial statements prepared under section 396 of the Companies Act 2006 and our audit report was as follows:

We have audited the financial statements of R J B Stone Limited for the period ended 30 September 2013, set out on pages 8 to 19. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

RESPECTIVE RESPONSIBILITIES OF DIRECTORS AND AUDITORS

As explained more fully in the Directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

INDEPENDENT AUDITORS' REPORT TO R J B STONE LIMITED UNDER SECTION 449 OF THE COMPANIES ACT 2006

SCOPE OF THE AUDIT OF THE FINANCIAL STATEMENTS

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Strategic report and the Directors' report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

BASIS FOR QUALIFIED OPINION ON FINANCIAL STATEMENTS

With respect to stock having a carrying value of £1,005,394, the audit evidence available to us was limited because we did not observe the counting of the physical stock as at 1 October 2012, since that date was prior to our appointment as auditor of the company. Owing to the nature of the company's records, we were unable to obtain sufficient appropriate audit evidence regarding the stock quantities by using other audit procedures.

OUALIFIED OPINION ON FINANCIAL STATEMENTS

Except for the possible effects of the matters described in the Basis for Qualified Opinion paragraph, in our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 30 September 2013 and of its profit for the period then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

OPINION ON OTHER MATTER PRESCRIBED BY THE COMPANIES ACT 2006

In our opinion the information given in the Strategic report and the Directors' report for the financial period for which the financial statements are prepared is consistent with the financial statements.

INDEPENDENT AUDITORS' REPORT TO R J B STONE LIMITED UNDER SECTION 449 OF THE COMPANIES ACT 2006

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

In respect solely of the limitation on our work relating to stock, described above:

- we have not obtained all the information and explanations that we considered necessary for the purposes of our audit; and
- we were unable to determine whether adequate accounting records had been kept.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made.

OTHER MATTER

The comparative figures disclosed in these financial statements for the balance sheet as at 1 October 2012 and the profit and loss account for the period then ended were not audited.

NOTES TO THE ABBREVIATED ACCOUNTS FOR THE PERIOD ENDED 30 SEPTEMBER 2013

1. ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The full financial statements represent the 52 week period ended 30 September 2013 (2012 - 52 week period ended 1 October 2012).

The comparative values in the full financial statements for the period ended 1 October 2012 were not subject to audit.

1.2 Turnover

Turnover comprises revenue recognised by the company in respect of goods and services supplied during the period, exclusive of Value Added Tax and trade discounts.

1.3 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Land and buildings leasehold

term of lease

Motor vehicles

25% reducing balance

Fixtures and fittings

25% reducing balance and 3 years straight line

1.4 Operating leases

Rentals under operating leases are charged to the Profit and loss account on a straight line basis over the lease term.

Benefits received and receivable as an incentive to sign an operating lease are recognised on a straight line basis over the period until the date the rent is expected to be adjusted to the prevailing market rate.

1.5 Stocks

Stock is valued at the lower of cost and net realisable value.

1.6 Deferred taxation

Full provision is made for deferred tax assets and liabilities arising from all timing differences between the recognition of gains and losses in the financial statements and recognition in the tax computation.

A net deferred tax asset is recognised only if it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax assets and liabilities are calculated at the tax rates expected to be effective at the time the timing differences are expected to reverse.

Deferred tax assets and liabilities are not discounted.

NOTES TO THE ABBREVIATED ACCOUNTS FOR THE PERIOD ENDED 30 SEPTEMBER 2013

1. ACCOUNTING POLICIES (continued)

1.8 Comparative amounts

The directors have recognised the appropriate treatment of amounts included within debtors resulting from payments made historically in the form of rent deposits. Comparatives have been restated accordingly. The effect of this reclassification is to increase other debtors brought forward, due after more than one year, by £107,267 and to reduce other debtors brought forward, due within one year, by the same amount.
