## **Report of the Directors**

The Director presents his report together with the audited Financial Statements for the year ended 31 March 2013

### **1. Principal Activities**

Slough Domestic Electricity Limited's principal activity had previously been the operation of out-of-area private electricity distribution networks and electricity supply to industrial and commercial customers. From 1 April 2009 all of the company's activities were novated to and have subsequently been being conducted by other SSE Group companies. All companies are related parties and all are 100% owned subsidiaries of their ultimate parent, SSE plc.

As the director does not intend to acquire a replacement trade, the financial statements have not been prepared on a going concern basis. The effect of this is explained in note 1.

### **2. Results and Dividends**

The profit for the year amounted to £4,000 (2012 - £3,000). The directors do not recommend the payment of a dividend, (2012 - £nil).

### **3 Directors**

The Directors who served during the period were as follows:

Brandon Rennet (resigned 13 March 2013)  
Paul Smith

### **4 Political and Charitable Donations**

During the period no charitable or political donations were made (2012 - £nil).

### **5. Financial Instruments**

It is the company's policy to avoid complex financial instruments.

### **6. Auditor**

The director who held office at the date of approval of this director's report confirms that, so far as he is aware, there is no relevant audit information of which the Company's auditor is unaware, and he has taken all the steps that ought to have been taken as a director to be aware of any relevant audit information and to establish that the company's auditor is aware of that information.

Pursuant to Section 487 of the Companies Act 2006, the auditor will be deemed to be reappointed and KPMG Audit Plc will therefore continue in office.

- select suitable accounting policies and then apply them consistently,
- make judgments and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and

The director is responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable him to ensure that the financial statements comply with the Companies Act 2006. ### **Notes on the Financial Statements for the year ended 31 March 2013**

#### **1. Principal accounting policies**

##### **Basis of preparation**

The Financial Statements have been prepared in accordance with all applicable United Kingdom accounting standards. The principal accounting policies are summarised below and have been applied consistently. The Financial Statements have been prepared under the historical cost convention.

The director has not prepared the Financial Statements on a going concern basis in the current year or prior year. From 1 April 2009 all of the company's activities were novated to and have subsequently been being conducted by other SSE Group companies. As the director does not intend to acquire a replacement trade, the financial statements have not been prepared on a going concern basis. Under Financial Reporting Standard 1 (FRS 1), the Company is exempt from the requirement to prepare a cash flow statement on the grounds that the ultimate parent undertaking includes the Company in its own published consolidated Financial Statements.

As the Company is a wholly owned subsidiary of SSE plc, it has taken advantage of the exemption contained in FRS 8 and has therefore not disclosed transactions or balances with entities which form part of the SSE plc Group.

##### **Interest**

Interest receivable comprises interest earned on funds invested. Interest paid comprises interest paid on borrowings and the release of discounting on provisions. Interest income and costs are recognised in the profit and loss as they accrue, on an effective interest method.

##### **Taxation**

The charge for taxation is based on the profit for the period and takes into account deferred taxation.

Current tax, including UK corporation tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted, or substantially enacted, by the balance sheet date.

#### **2. Operating loss**

Audit fees for the Slough Heat and Power Group of £13,000 (2012: £10,000) are borne by the parent company Slough Heat and Power Limited. £1,000 (2012: £1,000) of this was in relation to the audit of Slough Domestic Electricity Limited.

#### **3. Staff costs and numbers**

There are no employees directly employed by the Company (2012: nil).

#### **4. Directors' remuneration**

In the year to 31 March 2013, no director received remuneration in respect of their service to the Company. Both directors are employees of other SSE plc group companies, including all other Slough Heat and Power group companies.
