1.3 Investments

Fixed asset investments are stated at cost less provision for diminution in value.

1.4 Deferred taxation

Deferred taxation is provided at appropriate rates on all timing differences using the liability method only to the extent that, in the opinion of the directors, there is a reasonable probability that a liability or asset will crystallise in the foreseeable future.

The company's accounting records are maintained in Pounds Sterling.

Transactions in other currencies are converted at the rate ruling at the date of the transaction.
