NOTES TO THE ABBREVIATED ACCOUNTS  
FOR THE YEAR ENDED 28 FEBRUARY 2015

1. **ACCOUNTING POLICIES**

**Basis of preparing the financial statements**

The company relies on the continued support of the director and its major creditors. The financial statements have been prepared on a going concern basis on the understanding that the director and the creditors will not withdraw their loans and credit to the detriment of the company.

**Accounting convention**

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

**Turnover**

Turnover represents the amounts derived from the provision of goods and services falling within the company's ordinary activities, after deduction of trade discounts, value added tax and any other other taxes.

**Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures, fittings and equipment	- 25% on reducing balance
Motor vehicles	- 25% on reducing balance
Computer equipment	- Straight line over 3 years

**Stocks**

Stocks and work-in-progress are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow-moving items. Cost includes all direct expenditure and a proportion of fixed and variable overheads where appropriate.

**Deferred tax**

Deferred tax arises as a result of including items of income and expenditure in taxation computations in period different from those in which they are included in the company's accounts. Deferred tax is provided in full on timing differences which result in an obligation to pay more (or less) tax at a future date, at the average tax rates that are expected to apply when the timing differences reverse, based on current tax rates and laws.

Deferred tax is not provided on timing differences arising from the revaluation of fixed assets where there is no commitment to sell the asset.

Deferred tax assets and liabilities are not discounted.
