DIRECTORS' AND TRUSTEES' REPORT
31 MAY 2001

The trustees, who are also directors of the charity for the purposes of the Companies Act, present their report and the audited financial statements for the year ended 31 May 2001. The trustees have adopted the Provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" issued in October 2000 in preparing the annual report and financial statements of the charity.

Governing document and principal activity

The charity, Castle Vale Community Care Partnership is constituted as a company limited by guarantee. It is governed by the Memorandum and Articles of Association of the company. The principal activity of the company is to promote the benefit of the inhabitants of Castle Vale, Birmingham, West Midlands and surrounding areas of the Kingsbury Electoral ward ("the Area of Benefit") and in particular: -

- to provide a community centre for the use and benefit of the inhabitants of the Area of Benefit;
- to provide social and recreational facilities in the interests of social welfare with the object of improving the conditions of life of the inhabitants of the Area of Benefit or such of them as need those facilities because of their youth, age, infirmity, disability, poverty or social or economic circumstances;
- to promote the health, care, nursing and general well being of men, women and children who are chronically ill, sick, injured or elderly people who are permanently disabled or who are or have been mentally handicapped and people who have health related problems, especially, in all cases, those of limited means;
- to relieve sickness generally and in particular through providing facilities for primary health care;
- to promote good health (both mental and physical) among the inhabitants of the Area of Benefit;
- to relieve poverty;
- to advance education.

Review of activities and achievements

Since inception the Board structure has evolved to that set out below. The Board is committed to the principles of good corporate governance and will maintain appropriate policies in connection with this issue.

- Finance sub-committee
- Personnel sub-committee
- Fundraising sub-committee

The charity commenced leasing the community centre building on the 10 August 1999. By February 2000, the building was fully functional.

The charity is governed by its Board of Trustees which is responsible for formulating its strategies and policies including the approval of budgets and the exercising of financial controls.

Review of finances

The results for the year are shown in the statement of financial activities on page 8. The financial statements indicate that assets are available and adequate to meet the obligations of the charity.

DIRECTORS' AND TRUSTEES' REPORT
31 MAY 2001
(continued)

Treasurer's Report

During the year, the most important measure has been that The Sanctuary has been fully occupied by our Tenant Partners, who have provided essential, front line services, to an ever increasing number of our community.

During the year ended 31 May 2001, Castle Vale Community Care Partnership made a deficit of £779 before transfers to other reserves, however this was after the benefit of a one off donation of £13,397 from the Community Fund.

Also in the year ended 31 May 2002 our income from Birmingham Health Authority will be lower by £11,870.

The major challenge facing the Board of Castle Vale Community Care Partnership remains the establishment of secure funding. There is now a degree of urgency in this respect, given that the current Birmingham Health Authority grant expires in only 5 months time, February 2002. This will in effect reduce income by £40,000 from 2001 levels.

The Board remains committed to securing replacement funding and additional revenue to ensure the sustainability of Castle Vale Community Care Partnership and a full strategic review is currently underway to ensure that Castle Vale Community Care Partnership plays its full part in the continued development of the Community of Castle Vale.

Directors and trustees

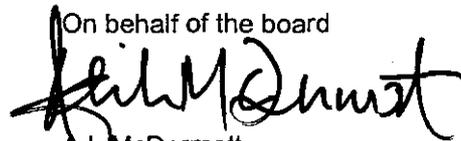

The directors of the company (who are also the trustees of the charity) during the year were as follows:

Dr P G Beighton	C Gaffan
P Hanlon	S Craddock
R Woolgrove	B Lunn
R Temple Cox (resigned November 2000)	J Hill
I Bingham (resigned 31 October 2000)	The Reverend D Miller
J Newton	L Horton (appointed December 2000, deceased)
A L McDermott	H A Gillis (resigned 6 July 2000)
B Houle	E Horton (appointed December 2000)
D Douglas (appointed December 2000)	

Auditors

Clement Keys have agreed to offer themselves for re-appointment as auditors of the company.

CHAIRMAN'S REPORT FOR YEAR ENDING 31 MAY 2001

I am delighted to have been given this opportunity to chair Castle Vale Community Care Partnership over the last twelve months and I am encouraged by the progress that has been made. Aply managed by Debbie Bigwood and with thought provoking direction from the Board, we have made considerable progress in setting the direction for the next period ahead.

We have set up an enhanced staffing structure and have contracts to sustain. We have begun the process of reducing operating costs. The Board has devised sub groups to focus on personnel, strategy, fund raising and finance. We are pro-actively looking at and revising our Business plan and reviewing our lease arrangements with the tenants. We have a close working and prospering relationship with Father Darren Miller and the Church Urban Fund, which has resulted in many successful ventures this last year, ably lead by Howard Drummond.

However, we are most mindful that our funding from Birmingham Health Authority runs out in February 2002. The Board is actively pursuing alternative sources of funding to ensure the sustainability of The Sanctuary, and from this we can build further our long-term strategy.

Much good work has been generated from the many organisations at the Sanctuary over the last year and for this and the work of the Board I would like to thank Debbie, her team, the tenants and Board members for their own time and effort in making this happen!

Thank you

Chris Gaffan
Chairman

STATEMENT OF DIRECTORS' AND TRUSTEES' RESPONSIBILITIES

Company and charity law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for that period.

In preparing those financial statements, the trustees have:

- (a) select suitable accounting policies and then applied them consistently;
- (b) made judgments and estimates that are reasonable and prudent;
- (c) stated whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- (d) prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the accounting regulations.

**AUDITORS' REPORT TO THE MEMBERS' OF CASTLE VALE COMMUNITY CARE PARTNERSHIP
(A Company Limited by Guarantee)**

We have audited the financial statements on pages 7 to 14 which have been prepared under the historical cost convention and on the basis of the accounting policies set out on page 9 and 10.

Respective responsibilities of directors and auditors

As described on page 5 the directors, (who also act as trustees for the charitable activities of The Castle Vale Community Care Partnership) are responsible for the preparation of financial statements in accordance with United Kingdom law and accounting standards. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the judgments made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the charitable company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance as to whether the financial statements are free from material misstatement, whether caused by fraud, or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of affairs of the charitable company as at 31 May 2001 and of incoming resources and application of resources including its income and expenditure in the year then ended and have been properly prepared in accordance with the Companies Act 1985.

CASTLE VALE COMMUNITY CARE PARTNERSHIP
(A Company Limited by Guarantee)
NOTES TO THE FINANCIAL STATEMENTS
31 MAY 2001

1 Accounting policies

The following policies have been applied consistently in preparing the accounts of the company.

(a) Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with applicable Accounting Standards.

The financial statements have been prepared in accordance with the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" published in October 2000 and applicable accounting standards.

(b) Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements. Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the accounts.

(c) Grants

Grants in respect of capital expenditure are treated as deferred income and credited to profit and loss account over the expected useful economic lives of the relevant assets.

Grants relating to revenue items are credited to profit and loss account in the same period as that in which the related expenditure is charged.

(d) Incoming resources

All incoming resources are included in the SOFA when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

Gifts in kind donated for distribution are included at valuation and recognised as income when they are distributed to the projects. Gifts donated for resale are included as income when they are sold. Donated facilities are included at the value to the charity where this can be quantified and a third party is bearing the cost. No amounts are included in the financial statements for services donated by volunteers.

(e) Resources expended

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs relating to that category. Management and administration costs are those incurred in connection with administration of the charity and compliance with constitutional and statutory requirements.

(f) Depreciation

Tangible fixed assets are capitalised and included at cost including any incidental expenses of acquisition.

Depreciation continued...

Depreciation is provided at the following annual rates on a straight line basis to write off the cost less the estimated residual value of the assets over their expected useful economic lives:

Office equipment	25%
Fixtures & Fittings	25%
Plant & Machinery	25%

(g) Leasing

Payments under an operating lease are charged to the income and expenditure account on a straight line basis over the term of the lease.
