LEONARD CURTIS POLICY REGARDING FEES, EXPENSES AND DISBURSEMENTS

The following Leonard Curtis policy information is considered to be relevant to creditors:

Staff Allocation and Charge Out Rates

We take an objective and practical approach to each assignment which includes active director involvement from the outset. Other members of staff will be assigned on the basis of experience and specific skills to match the needs of the case. Time spent by secretarial and other support staff on specific case related matters, e.g. report despatching, is not charged.

Where it has been agreed by resolution that the office holders' remuneration will be calculated by reference to the time properly given by the office holders and their staff in attending to matters as set out in a fees estimate, then such remuneration will be calculated in units of 6 minutes at the standard hourly rates given below. In cases of exceptional complexity or risk, the insolvency practitioner reserves the right to obtain authority from the appropriate body of creditors that their remuneration on such time shall be charged at the higher complex rate given below.

The following hourly charge out rates apply to all assignments undertaken by Leonard Curtis:

6 Jan 2014 onwards	Standard	Complex	1 Aug 2019 onwards	Standard	Complex
	£	£		£	£
Director	450	562	Director	525	656
Senior Manager	410	512	Senior Manager	445	556
Manager 1	365	456	Manager 1	395	494
Manager 2	320	400	Manager 2	345	431
Administrator 1	260	325	Administrator 1	280	350
Administrator 2	230	287	Administrator 2	250	313
Administrator 3	210	262	Administrator 3	230	288
Administrator 4	150	187	Administrator 4	165	206
Support	0	0	Support	0	0

Office holders' remuneration may include costs incurred by the firm's in-house legal team, who may be used for non-contentious matters pertaining to the insolvency appointment.

Subcontractors

Where we subcontract out work that could otherwise be carried out by the office holder or his/her staff, this will be drawn to the attention of creditors in any report which incorporates a request for approval of the basis upon which remuneration may be charged. An explanation of why the work has been subcontracted out will also be provided.

Professional Advisors

Details of any professional advisor(s) used will be given in reports to creditors. Unless otherwise indicated the fee arrangement for each is based on hourly charge out rates, which are reviewed on a regular basis, together with the recovery of relevant disbursements.

The choice of professional advisors is based around a number of factors including, but not restricted to, their expertise in a particular field, the complexity or otherwise of the assignment and their geographic location.

Expenses

We are required to provide creditors with an estimate of the expenses we expect to be incurred in respect of an assignment and report back to them on actual expenses incurred and paid in our periodic progress reports. There are two broad categories of expenses: standard expenses and case specific expenses. These are explained in more detail below:

- a) Standard Expenses – this category includes expenses which are payable in order to comply with legal or regulatory requirements and therefore will generally be incurred on every case. They will include:

Disbursements

Included within both of the above categories of expenses are disbursements, being amounts paid firstly by Leonard Curtis on behalf of the insolvent entity and then recovered from the entity at a later stage. These are described as Category 1 and Category 2 disbursements.

- a) Category 1 disbursements: These are costs where there is specific expenditure directly referable both to the appointment in question and a payment to an independent third party. These may include, for example, advertising, room hire, storage, postage, telephone charges, travel expenses (excl. mileage), and equivalent costs reimbursed to the office holder or his or her staff. Category 1 disbursements may be drawn without prior approval.
- b) Category 2 disbursements: These are costs that are directly referable to the appointment in question but not to a payment to an independent third party. They may include shared or allocated costs that can be allocated to the appointment on a proper and reasonable basis, for example, business mileage. In the event of charging for category 2 disbursements the following items of expenditure are recharged on this basis and are believed to be in line with the cost of external provision.

Internal photocopying	10p per copy
General stationery, postage, telephone etc	£100 per 100 creditors/ members or part thereof
Storage of office files (6 years)	£81.25 per box
Business mileage	45p per mile

Category 2 disbursements may be drawn if they have been approved in the same manner as an office holder's remuneration.
