Directors' report

The directors present their annual report and financial statements for the year ended 30 June 2004.

Principal activities

The company acts as the Trustee for the Dalgety Group Pension Scheme and has not traded since the date of its incorporation on 13 February 1998.

Details of directors

The names of the directors who served during the period are given on page 3. None of the directors in place at the end of the year had any interest in the shares of the company during the year. The directors' interests in the shares of the ultimate parent undertaking, Arable Holdings Limited (formerly Dalgety Group Limited) are included in the financial statements of Arable Holdings Limited.

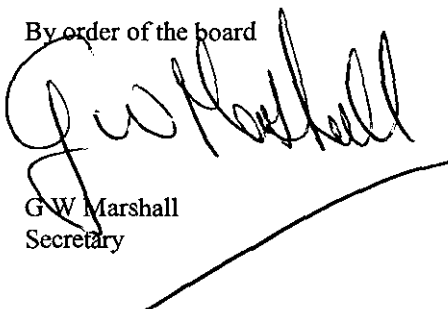

Statement of directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.
