### **2 Accounting policies**

#### **Statement of compliance**

These financial statements have been prepared in accordance with Financial Reporting Standard 102 Section 1A - 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006.

#### **Basis of preparation**

These financial statements have been prepared using the historical cost convention except that as disclosed in the accounting policies certain items are shown at fair value.

#### **Revenue recognition**

Turnover comprises the fair value of the consideration received or receivable in respect of maintenance contributions. Turnover is shown net of returns, rebates and discounts.

The company recognises revenue when:

The amount of revenue can be reliably measured;  
it is probable that future economic benefits will flow to the entity;  
and specific criteria have been met for each of the company's activities.

#### **Depreciation**

No depreciation is provided on freehold property. The company follows a programme of refurbishment and maintenance of its property, which includes the reinstatement of the fabric of the building, where necessary, in order to maintain it to a high standard. Accordingly, in the opinion of the directors, any element of depreciation would be immaterial and no provision has been made.

#### **Asset class**

Freehold land and buildings

#### **Depreciation method and rate**

Is not depreciated

### **Financial instruments**

#### ***Classification***

The company holds the following financial instruments:

- Short term trade and other debtors and creditors;
- Cash and bank balances.

All financial instruments are classified as basic.

#### ***Recognition and measurement***

The company has chosen to apply the recognition and measurement principles in FRS102.

Financial instruments are recognised when the company becomes party to the contractual provisions of the instrument and derecognised when in the case of assets, the contractual rights to cash flows from the assets expire or substantially all the risks and rewards of ownership are transferred to another party, or in the case of liabilities, when the company's obligations are discharged, expire or are cancelled.
