TRUSTEES' ANNUAL REPORT

for the year ended 31st March 2021

Objects and Activities

Aims

DiGS provides a free service to non-statutory homeless, people at risk of homelessness and inadequately housed people, assisting them to secure and sustain, suitable good quality private rented accommodation in Cumbria by underwriting the security deposits required by private landlords.

We do this by offering a guarantee against damage or loss to the property or furnishings (other than fair wear and tear) to private landlords. Prospective tenants must be in housing need, have insufficient means to pay a deposit themselves and have a local connection.

We work in partnership with other agencies to ensure the best use of available resources and to ensure value for money. The scheme is accessed via a large network of referral agencies made up of statutory and voluntary agencies throughout the county.

Recruitment and appointment of trustees

The number of trustees shall not be less than three but is not subject to any maximum. Trustees are appointed either by the recommendation of existing trustees or by area committee. The organisation endeavours to maintain a board of trustees with a skill base relevant to the company's objects and aims.

Activities in 2020/21

The Deposit Guarantee Scheme's mission is to remove barriers to enable people in housing need to gain access to and sustain suitable good quality, private rented accommodation in Cumbria. Over the last year we have assisted 321 households to secure accommodation as well as providing security and peace of mind for their landlords.

We end the period with significant uncertainty. The impact of COVID-19 has been felt deeply by the Cumbrian Community. We are already being challenged by diminishing reserves. However, despite the successive lockdowns DiGS has continued to offer stability for its tenants and landlords continuing to provide services and advice throughout.

When the emergency funding being poured into local authorities to house people in temporary accommodation dries up, as it inevitably will, we feel that our scheme will be needed more than ever and hope to provide our services to the Cumbrian community for as long as we are able.

We continue to administer the scheme with a staff of only two, one of whom is still only part time.

321 deposits were guaranteed during 2020/21 amounting to £118,473. Barrow remains far and away the greatest user of the scheme and accounts for over three quarters of our activity. The breakdown of deposit guarantees by area is detailed below:

Breakdown of deposits guaranteed during the year by area

Area	Number of Guarantees	Value of Guarantees
Allerdale	1	£400
Barrow	244	£88,021
Carlisle	58	£21,956

ACCOMMODATION DEPOSIT GUARANTEE SCHEME (CUMBRIA)**TRUSTEES' ANNUAL REPORT****for the year ended 31st March 2021****Public benefit**

The trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives they have set.

Key management personnel

The trustees consider the Board of Trustees and the Manager as comprising the key management personnel of the charity, in charge of directing and controlling the charity and running the operation of the charity on a day to day basis.

All trustees give of their time freely and no remuneration was paid in the year.

The pay of the charity's Manager is reviewed annually and assessed in accordance with average earnings. The remuneration is also benchmarked with charities of a similar size and activity to ensure that the remuneration set is fair and not out of line with that generally paid for similar roles.

Risk Management

The trustees have examined the major strategic, business and operational risks which the charity faces and confirm that systems have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen these risks.

Covid-19 pandemic

The trustees have considered the potential impact of the Covid-19 pandemic to the charity and in their opinion there remains no material uncertainties about the charity's ability to continue as a going concern.

Review of the Transactions and Financial Position of the Charity

The accompanying Statement of Financial Activities, Balance Sheet, Cash Flow Statement and Notes on pages 6 to 21 disclose the financial details of the year ended 31st March 2021.

Funds and Reserves

The charity had funds of £96,858 (2020: £81,085) on endowment funds, £1,580 (2020: £6,875) on restricted funds and a deficit of £6,602 (2020: Surplus of £44,411) on general unrestricted funds at 31st March 2021. It is the policy of the charity to attempt to maintain unrestricted general funds, which are the free reserves of the charity at a level which equates to approximately 12 months unrestricted expenditure. At this level, the trustees feel that they would be able to continue the current activities of the charity in the event of a significant drop in funding. At 31 March 2021 there was a deficit of £6,602 on unrestricted funds, however the trustees are working towards eliminating this and consider that there are currently no material uncertainties about the charity's ability to continue as a going concern for the next 12 months.

ACCOMMODATION DEPOSIT GUARANTEE SCHEME (CUMBRIA)**TRUSTEES' ANNUAL REPORT****for the year ended 31st March 2020****Responsibilities of the trustees**

The trustees (who are also directors of Accommodation Deposit Guarantee Scheme (Cumbria) for the purpose of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Company law requires the trustees to prepare financial statements that give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:-

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and which enable them to ensure that the accounts comply with the Companies Act 2006 so far as applicable to the company. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Small Company Exemptions

This report has been prepared in accordance with the special provisions for small companies under Part 15 of the Companies Act 2006.

Accommodation Deposit Guarantee Scheme (Cumbria)
(A company limited by guarantee)

Independent examiner's report to the trustees on the unaudited financial statements of Accommodation Deposit Guarantee Scheme (Cumbria).

I report on the accounts of Accommodation Deposit Guarantee Scheme (Cumbria) for the year ended 31st March 2021 set out on pages 6 to 20.

Respective responsibilities of trustees and independent examiner

The charity's trustees (who are also the directors of the company for purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act), and that an independent examination is needed. It is my responsibility to examine the accounts under section 145 of the Charities Act, as amended; to follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the Charities Act, and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (i) which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep proper accounting records in accordance with section 386 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charitieshave not been met; or
- (ii) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Notes to financial statements
for the year ended 31st March 2021

1. Accounting policies

The principal accounting policies adopted, judgments and key sources of estimation uncertainty in the preparation of the financial statements are summarised below.

1.1. Basis of accounting

The financial statements are prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 and the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The company constitutes a public benefit entity as defined by FRS 102.

The trustees have considered the uncertainties, including the Covid-19 pandemic, which the charity is facing and in their opinion there are currently no material uncertainties about the charity's ability to continue as a going concern.

The presentational currency of the company is UK sterling.

1.2. Income

All income is included in the statement of financial activities once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of donations and gifts and is included in full in the Statement of Financial Activities when receivable. Income or grants received in advance are held in deferred income. Any grants restricted to future accounting periods are deferred and recognised in those accounting periods. Gifts donated for resale are included as income when they are sold. Donated assets are included at the value to the charity where this can be quantified and a third party is bearing the cost. The value of services provided by volunteers has not been included.

Income from investments is included in the year in which it is receivable.

1.3. Expenditure

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support costs are those costs incurred directly in support of expenditure on the objects of the charity and include costs allocated with meeting the constitutional and statutory requirements of the charity including accountancy fees and costs linked to the strategic management of the charity.

Accommodation Deposit Guarantee Scheme (Cumbria)
(A company limited by guarantee)

Notes to financial statements
for the year ended 31st March 2021

1.4. Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less accumulated depreciation. Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Fixtures, fittings and equipment - 25% straight line

1.5. Investments

Investments held as fixed assets are revalued at mid-market value at the balance sheet date and the gain or loss taken to the statement of financial activities.

1.6. Defined contribution pension schemes

The pension costs charged in the financial statements represent the contribution payable by the charity during the year.

1.7. Fund accounting

General funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity. Designated funds are unrestricted funds earmarked for a particular project.

Restricted funds are funds subject to specific restrictive conditions imposed by the funders.

Any donations which are required to be retained as capital in accordance with the donor's wishes are accounted for as endowment funds, being permanent or expendable according to the nature of the restriction.

All income and expenditure is shown in the Statement of Financial Activities.

1.8. Taxation

As a registered charity the company is not liable to corporation tax and, consequently, no provision for such tax is included in the accounts.

1.9. Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.
