Directors' Responsibilities

Company law requires the directors to prepare, for each financial year, financial statements which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that year

In preparing those financial statements, the directors are required to

Select suitable accounting policies and then apply them consistently,

Make Judgements and estimates that are reasonable and prudent,

Follow applicable accounting standards

Prepare the financial statements on a going concern basis unless it is inappropriate to presume that the company will continue in business

The director's are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company, and enable them to ensure that the financial statements comply with the Companies Act 2006 relating to the preparation of accounts

Report of the Director for the Year Ended 31st March 2011

They are responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities

Accountants

J Joseph & Co would continue to act as the company's accountants and a resolution to re-appoint them would be passed at the annual general meeting

1 Accounting Policies

The following Accounting policies have been used consistently in dealing with items which are considered material in relation to the Company's Accounts

Basis of Accounting

Items are stated in the Accounts under the historical cost convention and accordance with applicable Accounting standards

Cash Flow

The accounts do not include a cash flow statement because the company, as a small reporting entity, is exempt from the requirements to prepare such a statement under Financial Reporting Standard 1 "Cash Flow Statements"

Stocks

Stock and work in progress are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving times. Cost includes all direct expenditure and an appropriate proportion of fixed and variable overheads.

Depreciation

Depreciation is calculated so as to write off the cost of tangible fixed assets by equal instalments over their estimated useful lives at the following rates

Tools and equipment	25% on written down value
Motor van	25% on written down value
Office equipment	25% on written down value
Fixture and fitting	20% on written down value

Deferred Taxation

Provisions is made at current rates for taxation deferred in respect of all material timing differences except to the extent that, in the opinion of the directors, there is reasonable probability that the liability will not arise in the foreseeable future

2 Turnover

Turnover represents amounts invoiced by the company in respect of services provided during the year excluding Value Added Tax

3 Profit Before Taxation

Profit Before taxation is stated after charging the following
