Directors' Responsibilities

Company law requires the directors to prepare accounts for each financial year which give a true and fair view of the state of the company's affairs and of the profit or loss for that year. In preparing these accounts the directors:

Select suitable accounting policies and then apply them consistently;

Make judgements and estimates that are reasonable and prudent;

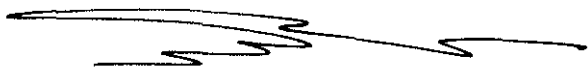

State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts;

AUDITORS' REPORT TO THE SHAREHOLDERS OF GREYCOAT TOWER LIMITED

We have audited the accounts on pages 4 to 9 which have been prepared under the historical cost convention and on the basis of the accounting policies set out on page 6.

Respective Responsibilities of Directors and Auditors

As described on page 2, the company's directors are responsible for the preparation of the accounts in accordance with applicable United Kingdom law and accounting standards. It is our responsibility to form an independent opinion, based on our audit, on those accounts and report our opinion to you. Our responsibilities as independent auditors are established in the United Kingdom by statute, the Auditing Practices Board and by our profession's ethical guidance.

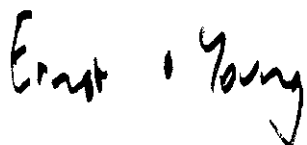

Basis of Opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the accounts. It also includes an assessment of the significant estimates and judgments made by the directors in the preparation of the accounts, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of the information in the accounts.

Opinion

In our opinion the accounts give a true and fair view of the state of the company's affairs as at 30 June 2000 and of its profit for the period then ended and have been properly prepared in accordance with the Companies Act 1985.
