2. GUARANTEE AND INDEMNITY

2.1 Guarantee and indemnity

Each Company irrevocably and unconditionally jointly and severally:

- (a) guarantees to each Secured Party punctual performance by each other Company of all that Company's obligations under the Loan Note Documents;
- (b) undertakes with each Secured Party that whenever another Company does not pay any amount when due under or in connection with any Loan Note Document, that Company shall immediately on demand pay that amount as if it was the principal obligor; and
- (c) agrees with each Secured Party that if any obligation guaranteed by it is or becomes unenforceable, invalid or illegal, it will, as an independent and primary obligation, indemnify that Secured Party immediately on demand against any cost, loss or liability it incurs as a result of a Company not paying any amount which would, but for such unenforceability, invalidity or illegality, have been payable by it under any Loan Note Document on the date when it would have been due. The amount payable by a Company under this indemnity will not exceed the amount it would have had to pay under this Clause 2.1 if the amount claimed had been recoverable on the basis of a guarantee.

2.2 Continuing guarantee

This guarantee is a continuing guarantee and will extend to the ultimate balance of sums payable by any Company under the Loan Note Documents, regardless of any intermediate payment or discharge in whole or in part.

2.3 Reinstatement

If any discharge, release or arrangement (whether in respect of the obligations of any Company or any security for those obligations or otherwise) is made by a Secured Party in whole or in part on the basis of any payment, security or other disposition which is avoided or must be restored in insolvency, liquidation, administration or otherwise, without limitation, then the liability of each Company under this Clause 2 will continue or be reinstated as if the discharge, release or arrangement had not occurred.

2.4 Waiver of defences

The obligations of each Company under this Clause 2 will not be affected by an act, omission, matter or thing which, but for this Clause 2, would reduce, release or prejudice any of its obligations under this Clause 2 (without limitation and whether or not known to it or any Secured Party) including:

- (a) any time, waiver or consent granted to, or composition with, any Company or other person;
- (b) the release of any other Company or any other person under the terms of any composition or arrangement with any creditor of any Company;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Company or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;

- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of a Company or any other person;
- (e) any amendment, novation, supplement, extension restatement (however fundamental and whether or not more onerous) or replacement of a Loan Note Document or any other document or security including, without limitation, any change in the purpose of, any extension of or increase in any facility or the addition of any new facility under any Loan Note Document or other document or security;
- (f) any unenforceability, illegality or invalidity of any obligation of any person under any Loan Note Document or any other document or security; or
- (g) any insolvency or similar proceedings.

2.5 Company intent

Without prejudice to the generality of Clause 2.4 (Waiver of defences) above, each Company expressly confirms that it intends that this guarantee shall extend from time to time to any (however fundamental) variation, increase, extension or addition of or to any of the Loan Note Documents and/or any facility or amount made available under any of the Loan Note Documents for the purposes of or in connection with any of the following: business acquisitions of any nature; increasing working capital; enabling investor distributions to be made; carrying out restructurings; refinancing existing facilities; refinancing any other indebtedness; making facilities available to new borrowers; any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and any fees, costs and/or expenses associated with any of the foregoing.

2.6 Immediate recourse

Each Company waives any right it may have of first requiring any Secured Party (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from that Company under this guarantee. This waiver applies irrespective of any law or any provision of a Loan Note Document to the contrary.

2.7 Appropriations

Until all amounts which may be or become payable by the Companies under or in connection with the Loan Note Documents have been irrevocably paid in full, each Secured Party (or any trustee or agent on its behalf) may:

- (a) refrain from applying or enforcing any other moneys, security or rights held or received by that Secured Party (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and no Company shall be entitled to the benefit of the same; and
- (b) hold in an interest-bearing suspense account any moneys received from any Company or on account of any Company's liability under this Clause 2.

2.8 Deferral of Companies' rights

Until all amounts which may be or become payable by the Companies under or in connection with the Loan Note Documents have been irrevocably paid in full and unless the Security Trustee otherwise directs, no Company will exercise any rights which it may have by reason of performance by it of its obligations under the Loan Note Documents or by reason of any amount being payable, or liability arising, under this guarantee:

- (a) to be indemnified by a Company;
- (b) to claim any contribution from any other guarantor of any Company's obligations under the Loan Note Documents;
- (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Secured Parties under the Loan Note Documents or of any other guarantee or security taken pursuant to, or in connection with, the Loan Note Documents by any Secured Party;
- (d) to bring legal or other proceedings for an order requiring any Company to make any payment, or perform any obligation, in respect of which any Company has given a guarantee, undertaking or indemnity under Clause 2.1 (Guarantee and indemnity);
- (e) to exercise any right of set-off against any Company; and/or
- (f) to claim or prove as a creditor of any Company in competition with any Secured Party.

If a Company receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Secured Parties by the Companies under or in connection with the Loan Note Documents to be repaid in full on trust for the Secured Parties and shall promptly pay or transfer the same to the Security Trustee or as the Security Trustee may direct for application in accordance with the Loan Note Documents.

2.9 Release of Companies' right of contribution

If any Company (**Retiring Company**) ceases to be a Company in accordance with the terms of the Loan Note Documents for the purpose of any sale or other disposal of that Retiring Company then on the date such Retiring Company ceases to be a Company:

- (a) that Retiring Company is released by each other Company from any liability (whether past, present or future and whether actual or contingent) to make a contribution to any other Company arising by reason of the performance by any other Company of its obligations under the Loan Note Documents; and
- (b) each other Company waives any rights it may have by reason of the performance of its obligations under the Loan Note Documents to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Secured Parties under any Loan Note Document or of any other security taken pursuant to, or in connection with, any Loan Note Document where such rights or security are granted by or in relation to the assets of the Retiring Company.

2.10 Additional Security

This guarantee is in addition to and is not in any way prejudiced by any other guarantee or security now or subsequently held by any Secured Party.

2.11 Guarantee limitations

This guarantee does not apply to any liability to the extent that it would result in this guarantee constituting unlawful financial assistance within the meaning of sections 678 or 679 of the Companies Act 2006 or any equivalent and applicable provisions under the laws of the jurisdiction of incorporation of the relevant Company and, with respect to any Company which becomes a party to this Deed pursuant to an Accession Deed, is subject to any limitations set out in the Accession Deed applicable to such Company.

3. COVENANT TO PAY

3.1 Covenant to pay

Each Company agrees, as primary obligor and not only as a surety, that it will pay and discharge the Secured Obligations as and when they fall due or, if no time for payment is specified in respect of the same, promptly on demand of the Security Trustee.

3.2 Interest

Any Secured Obligation which is owed by a Company under this Deed (or Accession Deed, as the case may be) and is not paid when due shall bear interest at rate of interest set out in the applicable Loan Note Documents from the due date until the date on which such Secured Obligation is unconditionally and irrevocably paid in full and such interest shall accrue from day to day (after as well as before judgment) and be payable by the relevant Company on demand of the Security Trustee.

4. FIXED CHARGES

- (c) The giving of notice by the Security Trustee pursuant to paragraph (a) above in relation to any of the Secured Assets shall not be construed as a waiver or abandonment of the right of the Security Trustee to serve similar notices in respect of any other of the Secured Assets or of any other of the rights of the Secured Parties (or any of them) under any Loan Note Document.
