BE YOUR BEST FOUNDATION

PATRON'S STATEMENT FOR THE YEAR ENDED 30 JUNE 2006

2006 has been an extremely successful year for Be Your Best Foundation. The numbers of schools participating rose to 212 from 188 last year, and again we had two categories, premier and open division. The total number of students who participated in this year's shows was 15,864 and the tour took in some new venues such as Eastbourne's Congress Hall.

I was delighted to be invited last autumn to become the patron of Be Your Best Foundation, and I attended both the Southern Premier Final in Portsmouth and the Northern Premier Final in Grimsby. The standard of performance was incredibly high, and the levels of support for the competing schools was really fantastic. I am already looking forward to next year's shows in eager anticipation.

As ever, Be Your Best Foundation is grateful to the Hampshire Constabulary along with our many other supporters both financial and in kind for their continuing enthusiasm for the event. I would also like to mention the wonderful volunteers who turn up year on year giving their support and dedication to the charity.

After three successful years as chair of the Board, Derek Thompson has decided to retire at the end of this season, and hand over the reins to Mervyn Bishop. We all owe him a huge debt of gratitude for his untiring work and campaigning on behalf of the Foundation, and for his unfailingly enthusiastic support for the participating students and teachers. His wise counsel will be greatly missed.

Finally, many thanks to all our supporters, friends, backroom staff and to our hard working General Manager, David Beal. I look forward to seeing you all again next year.

Baroness Henig of Lancaster DL
(Patron)

Risk Management

The Trustees have conducted a review of the major risks to which the charity is exposed. As a result measures have been incorporated in the business plan to mitigate those risks. Significantly external risks to funding have led to the development of new marketing and fundraising strategies. Internal risks are minimised by the implementation of procedures for authorisation of all transactions and projects and to ensure consistent quality of delivery for all operational aspects of the charitable company. These procedures will be reviewed annually to ensure they still meet the needs to the Charity.

Trustee Training

When a potential trustee is identified the application is discussed at the next board meeting. If accepted relevant checks are performed before the new trustee can take office. At present trustees receive induction training under existing local format and are encouraged to undergo training to enable them to fulfil their duties as trustees. Trustees appointed during the year are required to seek re-election at the next Annual General Meeting.

Organisational Structure

The responsibility to ensure appropriate management of the charity is vested in the Board of Directors. Since the appointment of a new Chairman a sub-committee has been established to review the strategic development and strategies. The Vice Chair of the Foundation chairs the sub committee.

BE YOUR BEST FOUNDATION

TRUSTEES' REPORT

OBJECTIVES AND ACTIVITIES

Principle Activities

During the year subject of this report the Rock Challenge® has remained the main project supported by Be Your Best Foundation. Be Your Best Foundation has one employee, David Beal who acts as General Manager and is responsible for the day to day running of the Charity as well as fundraising and Stage Managing the events themselves. On 28th June 2004 David was joined by Natalie Buckley who is the Development Manager, her post being employed by the Hampshire Constabulary. Otherwise Global Rock Challenge® Limited provides the production function through a service agreement, and various contracted companies and individuals. The Trustees of Be Your Best Foundation are responsible for the policy and financial decisions affecting the operation of the Rock Challenge® in the United Kingdom.

The functions of Be Your Best Foundation in relation to the Rock Challenge® are to:

- Secure national and local, statutory, commercial and charitable funding for the event.
- To facilitate the formation of partnerships between relevant national and local commercial, statutory and charitable agencies.
- To build suitable networks through which the Rock Challenge® can be consolidated and extended towards the interim target of involving 500 schools by 2008.

These functions continue throughout the year and lead up to the production of the Rock Challenge® events that take place annually between February and June.

The Rock Challenge®

This is an international anti-drug and crime prevention initiative that takes the form of a performing arts competition for secondary schools. It was introduced into the UK by the Hampshire Constabulary in 1996 and has since grown to the extent that this year 16,000 8 to 18 year old students from 218 secondary school teams performed in 32 events staged throughout England, Scotland and Northern Ireland.

The Rock Challenge® delivers anti-drug and crime prevention messages to the heart of teenage culture by using music, dance, fashion and media images that are familiar and attractive to large numbers of young people. The event captures the imagination of young people, providing them with an exciting and unique opportunity to experience the 'drug free high' of performing in a supportive and professional environment with over 100 of their contemporaries.

ACHIEVEMENTS AND PERFORMANCE

This report should be considered in conjunction with the 2006 Sponsor Report that has been widely distributed and contains full details of the event, it's benefits, evaluations, partnerships involved, 2006 results and publicity achieved. Amongst this there were however some aspects of the 2006 tour that deserve special mention.

Expansion

There has been a steady rise in the number of participating schools as the benefits of participation have become evident to school communities. Most choose to return to the event each year and there was a significant expansion in 2006 with 46 new schools taking part. The demand from schools led to an increase in the number of events from 21 in 2002 to 32 in 2006 and 36 are planned for 2007.

BE YOUR BEST FOUNDATION

TRUSTEES' REPORT

International Involvement

The prime aims of Be Your Best Rock Challenge® are drug and crime prevention but the 2006 tour demonstrated the potential of the event to bring together young people and communities from very different national and cultural backgrounds. We are pleased to report that the event continued to attract entries from England, Wales, Scotland and Northern Ireland, whilst the Global Rock Challenge® has spread into Germany, South Africa and Japan.

Disadvantage

Through the production of the Rock Challenge® Be Your Best Foundation seeks to provide its benefits to all young people regardless of their ability or their social and economic situation.

The Trustees are therefore particularly pleased to report the involvement of 10 schools for pupils with special needs in 2006. This demonstrates the accessibility of the event and its ability to provide equal and unique opportunities to every young person. Young people from these schools were able to take part on an equal basis with mainstream pupils and the quality of their performances and the enthusiastic response of the audiences bore testament to their ability and the dedication of their teachers and families.

In furtherance of the aims of Be Your Best Foundation the Trustees continue to be keen to sustain and extend the Rock Challenge® in areas that are acknowledged to be particularly disadvantaged or deprived.

Evaluation Outcomes

The 2006 tour has been evaluated in two ways through a survey carried out among liaison teachers and a survey amongst participants. Summaries of these evaluations are contained in the 2006 Sponsor Report. Positive outcomes of the Rock Challenge® include:

- The development of partnerships between statutory and commercial agencies and school communities.
- The development of support networks e.g. students, teachers, families and local business and community leaders.
- An opportunity for students to develop their leadership qualities and employment attributes through participation and the organisation of their entry.

The Trustees of Be Your Best Foundation are very pleased with these results as they demonstrate the effectiveness of the Rock Challenge® in addressing many of the wider issues that affect drug misuse and crime among young people. They also show how this initiative addresses issues, which are currently of high public concern such as social inclusion and citizenship.

BE YOUR BEST FOUNDATION

TRUSTEES' REPORT

Partnerships

Be Your Best Foundation seeks to build partnerships in each participating community by involving students, teachers, parents, community leaders, local business, the police and the media. The local events are linked to form an international network by securing national commercial sponsorship, the endorsement of relevant central government agencies and national media support.

A school's entry into the Rock Challenge® provides an ideal focus for community safety partnership activities. Full details of 2006 partnerships are contained in the Sponsor Report.

Be Your Best Foundation is most grateful to its main sponsors, Ansvar Insurance Co. Ltd, the Humberside Police Lifestyle project, the Hampshire Police Authority, Hampshire Constabulary and the Hampshire Drug Action Team.

Commercial Radio:

Partnerships were also established with commercial radio in most areas where the event was staged, which is most important, as the resulting on-air promotions add credibility to the event for its young participants. In this respect valued support was received from Power FM in Portsmouth and Southampton, Viking FM in Humberside, Northsound FM in Aberdeen, Mercury FM in Crawley, Southern FM in Eastbourne, Chiltern FM in St Albans, The Pulse in Bradford, Lincs FM in Grantham, Downtown Radio in Belfast.

Funding

This event has been staged annually in the United Kingdom since 1996 and during that time has gradually expanded. Unfortunately the resources available to meet the considerable demand have been limited due to the difficulty in obtaining funding. If Be Your Best Rock Challenge® is to continue and be able to extend its proven benefits to the maximum number of communities it is essential that its value is recognised and supported by secure and substantial on-going funding.

FINANCIAL REVIEW

Results for the Year

The Foundation is extremely pleased with the results this year both financially and statistically with more schools and thus more students participating in more events than ever before. The results of the annual evaluation were up to their usual high standard and have proved extremely useful when fundraising.

Review of Financial Position

The financial position of the Be Your Best Foundation improves year on year and a small surplus is now being achieved. Planning for the future the Foundation has now opened two high interest bank accounts. The financial situation is reviewed by the trustees at every Board meeting.

Principal Funding Source

The principal funding source of the Be Your Best Foundation is ticket sales which accounts for around 30% of the annual income. Major donors through grants and sponsorship include Humberside Police, Hampshire Police Authority, Hampshire Drug and Alcohol Action Team, Ansvar Insurance and The Northern Ireland Drug and Alcohol Strategy Team.

Reserves

The Trustees are confident that if the financial position remains the same they will soon be in their target position of having sufficient reserves to run the organisation for three months without any income.

TRUSTEES' REPORT

Plans for future periods

At the time of preparing this report Be Your Best Foundation is planning to meet the increasing demand for the Rock Challenge® by staging up to 36 events in 2007 involving 18,000 students from 250 schools.

The Trustees are seeking to build on the success of the 2006 tour and extend the benefits of the Rock Challenge® to the most disadvantaged and deprived areas and communities. Building partnerships which will be mutually beneficial to expand the Rock Challenge® and to help agencies fulfil their own aims is key in the development of the event. The medium term aim is to involve 300 schools and 30,000 young people by 2010.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2006

1 ACCOUNTING POLICIES

The following accounting policies have been used consistently in dealing with items which are considered material in relation to the Company's and Groups financial statements.

Basis of accounting

The financial statements have been prepared on the historical cost basis of accounting and in accordance with applicable accounting standards and "Accounting and Reporting by Charities: Statement of Recommended Practice (Revised 2005)".

The statement of financial activities (SOFA) and balance sheet consolidate the financial statements of the charity and its subsidiary undertaking. The results of the subsidiary are consolidated on a line by line basis.

No separate SOFA has been presented for the charity alone as permitted by Section 230 of the Companies Act 1985 and paragraph 304 of the SORP.

Fund accounting

Unrestricted funds comprise accumulated surpluses and deficits on the general fund. They are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes.

Grants

Grants received towards the cost of specific shows are treated as restricted income and credited to the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified.

Income

Income represents grants from government bodies, commercial sponsorship, sale of tickets for Rock Challenge shows, student participation fees and sales of merchandise, and is dealt with on an accruals basis.

Expenditure

All expenditure is included on an accruals basis and is recognised when there is a legal or constructive obligation to pay for expenditure. All costs have been directly attributed to one of the functional categories of resources expended in the SOFA.

Cost of charitable activities

This comprises all expenditure incurred by the Charity in the provision of their services including the support costs directly related to such provision.

Cost of generating funds

These are costs which are directly related to the raising of voluntary donations and grants and publicising the activities of the Charity.

Governance costs

These are costs which are incurred in the management of the Company as a whole together with the costs of constitutional and statutory requirements and administration with respect to members.
