STRATEGIC REPORT

BUSINESS REVIEW

The Company continues to perform well and in line with the Business Plan. Performance is measured by monthly Key Performance Indicators (KPIs) across a range of service measurables. For 2017 and the project to date, Fasttrax has again exceeded all service targets.

The business has reached maturity in terms of development of the main contract deliverables. However, the Company has regenerated several vehicles which have returned from Operational service.

Financial performance in terms of cash flow was better than planned and the outlook is to continue exceeding the plan. Repayments of the Bonds were made in line with the Agreements. Costs are in line or below model, especially Insurance where upside is shared with the Authority. Reported profits were better than planned for the year.

During 2017, Fasttrax generated £24.2m of contract revenues against a plan of £16.9m. The additional revenue, is due to repairs of operational equipment and support to US Forces in Europe.

Cash balances of £14.3m are better than modelled (£6.3m) due to working capital management, interest earned and Insurance cost savings. Furthermore, the expenditure modelled in 2005 of £2.7m from the Change in Law Reserve has been avoided. The cash reserve accounts are fully funded. Debt Service Cover Ratios are within the prescribed limits.

RISKS AND UNCERTAINTIES

The business reviews risks on a regular basis and identifies mitigations. Due to the nature of the project and sub contract structure, risks continue to be managed effectively. Other than Insurance costs and Interest Rates, risks are generally flowed to sub-contractors. The Board of Directors receives quarterly confirmation from the Senior Management Team of the status of the Joint Risk Register which is shared and reviewed with the Client.

Inflation is mitigated by matching revenue and cost escalation applicable to contractual rates which are fixed for the contract duration. There is no exposure to risk of changes to inflation.

The Company has a comprehensive Health and Safety strategy, measured by Zero Harm Statistics. Zero Harm is a stategy managed by the principal operating company to reduce incidents to nil by 2021. In May 2017, the Project was awarded a ROSPA Gold Medal, the seventh year running.

STRATEGIC REPORT (Cont'd)

PERFORMANCE

The period under review, 2017, is the 16th year of the project.

After sixteen years of trading, net revenues from operations after charging operating costs (before debt service and construction costs) were £10.1m above the financial close model of £123m, based on gross fee revenues of £266m compared to £211m modelled.

Key Performance Indicators (KPIs)

Performance is monitored by contractual KPIs. These include:-

- Execution of the Tasking Service
- Vehicle Reliability
- Staff Turnover
- Training Service Delivery
- Management and Information Services
- General Contract Performance

During the year under review, the Company exceeded all KPIs, consistent with the contract to date.

Dated: 11 July 2018

DIRECTORS' REPORT

The directors present their report on the affairs of the company together with the financial statements and auditor's report for the year ended 31 December 2017.

PRINCIPAL ACTIVITY

The company's principal activity is the provision of a Heavy Equipment Transporter, (HET) Service to the Ministry of Defence (MoD).

BUSINESS REVIEW

The business review can now be found in the Strategic Report on Page 3.

RESULTS AND DIVIDENDS

The trading results for the year and the company's financial position at the end of the year are shown in the attached financial statements.

The directors have not recommended a dividend payment to the shareholders for the results of the 2017 year no dividend was paid during the 2017 year, in connection with the results for the 2016 year.

The profit after taxation for the financial year amounted to £3,335,000 (2016 – profit £2,812,000), which is to be transferred to reserves.

The audited financial statements for the year ended 31 December 2017 are set out on pages 10 to 23.

There are no known future events of a material nature likely to impact performance. Some regeneration of vehicles is expected in the next year after which trading levels will be in line with original models.

DIRECTORS

The directors of the company during the year were:

L Henry R Card P Ashbrook J Cavill

FINANCIAL INSTRUMENTS

The company does not undertake financial instrument transactions which are speculative or unrelated to the company's trading activities. The company's funding has been arranged using the principles of project finance with the terms of the financial instruments, and the resulting profile of the debt service costs, tailored to match the expected revenues arising from the contract with the MoD. The company's exposure to the price risk of financial instruments is therefore minimal.

The company does not use hedge accounting. The directors do not consider any other risks attaching to the use of financial instruments to be material to an assessment of its financial position or profit.

DIRECTORS' REPORT (Cont'd)

POLITICAL CONTRIBUTIONS

There were no political contributions made during the year (2016 - [Nil).

PROVISION OF INFORMATION TO THE AUDITOR

As far as each of the Directors is aware, at the time this report was approved:

- There is no relevant available information of which the auditor is unaware; and
- They have taken all steps that ought to have been taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

The auditor, BDO LLP UK, Statutory Audit Firm, and have indicated their willingness to continue in office and a resolution to reappoint BDO LLP UK will be proposed at the next annual general meeting.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the strategic report, directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements, which comprise the balance sheet, the income statement and statement of comprehensive income, the statement of cash flows, the statement of changes in equity and the related notes, in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

BY ORDER OF THE BOARD

R Card Director

Dated: 11 July 2018

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF FASTTRAX LIMITED

Opinion

We have audited the financial statements of Fasttrax Limited for the year ended 31 December 2017 which comprise the Income Statement and Statement of Comprehensive Income, the Balance Sheet, the Statement of Changes in Equity, the Statement of Cash Flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2017 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF FASTTRAX LIMITED (Cont'd)

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report or the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of directors

As explained more fully in the directors' responsibilities statement set out on page 6, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF FASTTRAX LIMITED (Cont'd)

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

ACCOUNTING POLICIES For the year ended 31 December 2017

The financial statements are prepared under the historical cost convention, and in accordance with applicable accounting standards. These financial statements for the year ended 31 December 2017 comply with FRS 102.

Fasttrax Limited is a company incorporated in England & Wales under the Companies Act. The registered office is shown on page 4, the principal place of business is Wing House, Marlborough Road, Bulford, SP4 9LZ.

A summary of the principal accounting policies, all of which have been applied consistently throughout the current and preceding year, are set out below.

i) Basis of Preparation:

The financial statements have been prepared under the historical cost convention and on a going concern basis, which assumes that the Company will continue in operational existence for the foreseeable future.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the principal accounting policies.

These financial statements are prepared on the going concern basis. The Company operates in line with a financial model based on its contractual arrangements with the Ministry of Defence. This model forecasts that cash will be available to fund repayment of the Company's long and short term liabilities as they fall due.

ii) Fixed Assets:

Tangible fixed assets are stated at historical cost, net of depreciation and any provision for impairment. Historical costs includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management. From July 2004, Full Service Date, depreciation has been charged on a straight line basis over the remaining contract life of 20 years.

iii) Capitalised Interest and Fees:

The interest cost of financing the Company's obligations under its contract with the MoD has been capitalised, as part of the tangible assets balance, during the construction phase.

iv) Deferred Taxation:

The tax expense for the period comprises current and deferred tax. Tax is recognised in profit or loss, except that a charge attributable to an item of income or expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the Company's subsidiaries operate and generate taxable income.

Deferred balances are recognised in respect of all timing differences that have originated but not reversed by the balance sheet date, except:

- The recognition of deferred tax assets is limited to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits;
- Any deferred tax balances are reversed if and when all conditions for retaining associated tax allowances have been met; and
- Where timing differences relate to interests in subsidiaries, associates, branches and joint ventures and the group can control their reversal and such reversal is not considered probable in the foresceable future.

Deferred tax balances are not recognised in respect of permanent differences. Deferred income tax is determined using tax rates and laws that have been enacted or substantively enacted by the reporting date.

ACCOUNTING POLICIES (Cont'd)

v) Turnover:

Turnover represents amounts receivable for the rendering of services and vehicle regeneration costs as stipulated under contract and provided in the normal course of business, net of trade discounts, VAT and other sales-related discounts. Turnover amounts receivable in respect of the provision of services is recognized when the service is rendered. Regeneration is the program of reinstating a vehicle, by repair, to its original condition after it has been utilized by the client outside of normal operating activities. Regeneration turnover amounts receivable are recognized on a percentage complete basis.

vi) Functional and Presentation Currency:

Items included in the financial statements of each of the group's entities are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in 'sterling', which is the Company's functional and presentation currency.

vii) Financial Assets and Liabilities:

The Company initially recognises receivables at the date that they are originated. All financial assets and financial liabilities are recognised initially on the trade date at which the Company becomes a party to the contractual provisions of the instrument.

Financial assets include trade debtors, accrued income, cash and the HET receivable.

Trade debtors represent short term receivables.

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, on receipt of cash, or it transfers the rights to receive the contractual cash flows on the financial asset in a transaction in which substantially all the risks and rewards of ownership of the financial asset are transferred. Any interest in transferred financial assets that is created or retained by the Company is recognised as a separate asset or liability.

The Company classifies its financial liabilities into several categories. Financial liabilities include trade payables, senior debt, loan note, sub debt and bonds.

The Company derecognises a financial liability when its contractual obligations are discharged, cancelled, paid or expired. Financial assets and liabilities are offset and the net amount presented in the statement of financial position when, and only when, the Company has a legally enforceable right to set off the recognised amounts and intends either to settle on a net basis or to realise the asset and settle the liability simultaneously. The Company currently has a legally enforceable right to set off if that right is not contingent on a future event and enforceable both in the normal course of business and in the event of default, insolvency or bankruptcy of the Company and all counterparties.

viii) Indexation:

The carrying amount of bond liabilities subject to indexation is adjusted to reflect the applicable index at the year end. The adjustment is recognised in the profit and loss account as part of interest paid. Any gains arising on indexation are not recognised if it is clear that the gain has arisen from a temporary decrease in the underlying index, and that the decrease in the index has been reversed by the balance sheet date. The bond liabilities are initially recognised at fair value and then are stated at amortised cost.

ix) Reserves

The Company's reserves are as follows:

- Called up share capital reserve represents the nominal value of the shares issued.
- Profit and loss account represents cumulative profits or losses, net of dividends paid and other adjustments.

x) Dividends

Equity dividends are recognised when they become legally payable. Final equity dividends are recognised when approved by the shareholders at an annual general meeting.

ACCOUNTING POLICIES (Cont'd)

xi) Estimates and Judgements:

In the application of the Company's accounting policies, management is required to make judgements, estimates and assumptions about the carrying value of assets and liabilities that are not readily apparent from other sources. The estimates and underlying assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions in accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods

NOTES TO FINANCIAL STATEMENTS For the year ended 31 December 2017

•	23,124	30,496

The senior debt balance is made up of Bond Certificates issued as follows:

Class A 3.459% Index Linked Bonds - £56,000,000 due 2021 Prudential Annuities Limited.

Class A Indexation rolled into the Bond for its term - for the year £715,000 (Cumulative £21,558,000).

Class B 5.91% Fixed Rate Bonds - £7,680,000 due 2021 Prudential Assurance Company Limited.

Class B 5.91% Fixed Rate Bonds - £9,000,000 due 2021 Prudential Retirement Income Limited.

All Classes of Bond are repayable by instalments between March 2005 and the due dates noted above.

All are entered in the register of The Bank of New York as the Registered Holders. Issue is subject to and with benefit of a trust deed dated 14 December 2001 between Fasttrax Limited (the Issuer), Ambac Assurance UK Limited and Law Debenture Trustees Limited as trustee for the holders of the Bonds. The Law Debenture Trust Corporation Plc has a fixed and floating charge over the undertaking and all property and assets present and future.

A Class B Bond - £4,000,000 is registered but not issued to The Bank of New York and is being held in reserve.

The amount of principal and indexation outstanding on the Class A Bonds as 31st December 2017 is £21,397,000.

The amount of principal outstanding on the Class B Fixed Rate Bonds as 31st December 2017 is £4,098,000.
