In preparing these financial statements, the Directors are required to:

- (a) select suitable accounting policies and then apply them consistently;
- (b) make judgements and accounting estimates that are reasonable and prudent; and
- (c) prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
