3.3 Fixed Security

Clause 3.1 (Fixed Charges) and clause 3.2 (Security Assignment) shall be construed as creating a separate and distinct mortgage, fixed charge or security assignment over each relevant asset within any particular class of assets specified in this deed. Any failure to create effective fixed security (for whatever reason) over an asset shall not affect the fixed nature of the security on any other asset, whether within the same class of assets or not.

- (c) Paragraph (b) above does not apply if the floating charge created under this deed is a floating charge referred to in section A52(4) of Part A1 of the Insolvency Act 1986.

the floating charge created under this deed over the relevant Floating Charge Asset will automatically and immediately be converted into a fixed charge.

3.7 Interests In Existing JVs

- (a) Unless otherwise expressly agreed in writing by the relevant Chargor, there shall be excluded from the security created by clause 3.1 (Fixed Charges) and from the operation of clause 4 (Further Assurance) the shares or membership interests in the Existing JVs; and

- (c) Forthwith upon receipt of the relevant waiver or consent, the relevant formerly Excluded Property shall stand charged to the Security Agent under clause 3.1 (Fixed Charges). If required by the Security Agent at any time following receipt of that waiver or consent, the relevant Chargor will forthwith execute a valid legal mortgage in such form as the Security Agent shall reasonably require.

3.9 Intellectual Property Restricting Charging

- (a) There shall be excluded from the charge created by clause 3.1 (Fixed Charges) and from the operation of clause 4 (Further Assurance) any Intellectual Property in which a Chargor has an interest under any licence or other agreement which either precludes absolutely or conditionally (including requiring the consent of any third party) that Chargor from creating any charge over its interest in that Intellectual Property (each an **Excluded Intellectual Property**) until the relevant condition or waiver has been satisfied or obtained.
- (b) For each Excluded Intellectual Property, each relevant Chargor undertakes to apply for the relevant consent or waiver of prohibition or condition within 14 days of the date of this deed (or, as the case may be, the date of the acquisition of the relevant Excluded Intellectual Property) and, in respect of any licence or agreement which provides that the relevant third party will not unreasonably withhold its consent to charging, to use its reasonable endeavours to obtain such consent as soon as possible and to keep the Security Agent informed of the progress of its negotiations.

 - (ii) until the consent of the relevant third party has been obtained, this deed shall secure all amounts which that Chargor may receive, or has received, under that document but exclude any fixed security over, or any assignment of, those rights;
 - (iii) (other than with respect to any Existing JV) if the Security Agent so requires, that Chargor shall use reasonable endeavours to obtain the consent of the relevant third party to the creation of fixed security over or, as the case may be, an assignment of, those rights under this deed as soon as reasonably practicable; and
 - (iv) on the date on which the consent of the relevant third party is obtained, the fixed security over or, in respect of an asset expressed to be subject to an assignment, the assignment of, those rights under this deed shall attach to those rights.
- (b) Subject to paragraph (c) below, the requirement in paragraph (a)(iii) above for a Chargor to use reasonable endeavours to obtain the consent of the relevant third party to the creation of fixed security over or, as the case may be, an assignment of, those rights under this deed as soon as reasonably practicable shall be subject to the relevant asset being material in the context of the business of the Group and if the Chargor determines (acting reasonably and by reference to the Group's commercial interest)

that such reasonable endeavours will not involve placing the commercial relationship with the relevant third party in jeopardy.

- (c) Notwithstanding the fact that the consent of a third party might be required to create fixed security over, or an assignment of, the rights of a Chargor in relation to any shares or membership interests it holds in any Permitted Joint Venture, paragraph (a) above shall not operate to exclude such shares or membership interests from the security created over, or the assignment of any, shares or membership interests pursuant to this clause 3 (Charging Clause).

4 Further assurance

- (a) Subject to the Agreed Security Principles, each Chargor shall promptly do all such acts or execute all such documents (including assignments, transfers, mortgages, charges, notices and instructions) as the Security Agent may reasonably specify (and in such form as the Security Agent may reasonably require in favour of the Security Agent or its nominee(s)):

20.6 Waiver of Defences

The obligations of each Chargor under this deed will not be affected by an act, omission, matter or thing which, but for this provision, would reduce, release or prejudice any of its obligations under this deed (without limitation and whether or not known to it or any Secured Party) including:

If the Security Agent or any other Secured Party receives notice of any subsequent Security or other interest affecting any of the Charged Property (except as permitted by the Facilities Agreement) it may open a new account for the relevant Chargor in its books. If it does not do so then (unless it gives express notice to the contrary to the Obligors' Agent), as from the time it receives that notice, all payments made by the relevant Chargor to it shall (in the absence of any express appropriation to the contrary) be treated as having been credited to a new account of the relevant Chargor and not as having been applied in reduction of the Secured Obligations.

20.10 Redemption of Prior Charges

The Security Agent may, at any time after a Declared Default has occurred, redeem any prior Security on or relating to any of the Charged Property or procure the transfer of that Security to itself, and may settle and pass the accounts of any person entitled to that prior Security. 23.1 Assignment by the Security Agent

The Security Agent may at any time assign or otherwise transfer all or any part of its rights under this deed in accordance with the Finance Documents.

23.2 Changes to Parties

Each Chargor authorises and agrees to changes to parties under clause 26 (Changes to the Lenders), clause 27 (Changes to the Obligors) of the Facilities Agreement and authorises the Security Agent to execute on its behalf any document required to effect the necessary transfer of rights or obligations contemplated by those provisions.

23.3 Consent of Chargors

Each Chargor consents to the accession to this deed of additional Chargors and agrees that any such accession will in no way prejudice the Security granted by it, or affect the covenants given by it, in this deed.

24 Currency

24.1 Conversion

All monies received or held by the Security Agent or any Receiver under this deed may be converted into any other currency which the Security Agent considers necessary to discharge any obligations and liabilities comprised in the Secured Obligations in that other currency at a market rate of exchange then prevailing.

24.2 No Discharge

No payment to the Security Agent, (whether under any judgment or court order or otherwise) shall discharge any obligation or liability in respect of which it was made unless and until the Security Agent has received payment in full in the currency in which the obligation or liability is payable or, if the currency of payment is not specified, was incurred. To the extent that the amount of any such payment shall on actual conversion into that currency fall short of that obligation or liability expressed in that currency, the Security Agent shall have a further separate cause of action in relation to the shortfall and shall be entitled to enforce the security constituted by this deed to recover that amount.

25 Miscellaneous

25.1 Certificates Conclusive

A certificate or determination of the Security Agent as to any amount or rate under this deed is, in the absence of manifest error, conclusive evidence of the matter to which it relates.

25.2 Invalidity of any Provision

If any provision of this deed is or becomes invalid, illegal or unenforceable in any respect under any law, the validity, legality and enforceability of the remaining provisions shall not be affected or impaired in any way.

25.3 Counterparts

This deed may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this deed.

25.4 Failure to Execute

Failure by one or more parties (**Non-Signatories**) to execute this deed on the date hereof will not invalidate the provisions of this deed as between the other parties who do execute this deed. Such Non-Signatories may execute this deed on a subsequent date and will thereupon become bound by its provisions.

25.5 Covenant to Release

Once all the Secured Obligations have been paid in full and none of the Security Agent nor any Secured Party has any actual or contingent liability to advance further monies to, or incur liability on behalf of, any member of the Group, the Security Agent and each Secured Party shall, at the request and cost of each Chargor, take any action which is necessary to release the Charged Property from the security constituted by this deed and return all documents of title to the relevant Chargor previously delivered by it to the Security Agent under this deed.

26 Governing law and jurisdiction

- (a) This deed and any non-contractual obligations arising out of or in connection with it shall be governed by English law.
- (b) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this deed (including a dispute regarding the existence, validity or termination of this deed or any non-contractual obligation arising out of or in connection with this deed) (a **Dispute**).
- (c) The parties to this deed agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no party will argue to the contrary.
- (d) Notwithstanding paragraphs (b) and (c) above, no Finance Party or Secured Party shall be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Finance Parties and Secured Parties may take concurrent proceedings in any number of jurisdictions.

In witness whereof this deed has been duly executed and delivered on the above date first above written.

1 Definitions and Interpretation

1.1 Definitions

Terms defined in the Debenture have the same meaning when used in this deed.

1.2 Construction

Clause 1.2 (Construction) of the Debenture will be deemed to be set out in full in this deed, but as if references in that clause to the Debenture were references to this deed.

2 Accession of new chargor

2.1 Accession

The New Chargor agrees to be a Chargor for the purposes of the Debenture with immediate effect and agrees to be bound by all of the terms of the Debenture as if it had originally been a party to it as a Chargor.

2.2 Covenant to Pay

[Subject to any limits on its liability specifically recorded in the Finance Documents,] the New Chargor as primary obligor covenants with the Security Agent (for the benefit of itself and the other Secured Parties) that it will pay on demand the Secured Obligations when they fall due for payment.

2.3 Fixed Charges

The New Chargor, as security for the payment and discharge of the Secured Obligations, charges in favour of the Security Agent with full title guarantee all of its right, title and interest in the following assets, both present and future, from time to time owned by it or in which it has an interest and, in each case, all Related Rights:

- (a) by way of first legal mortgage, all Material Property (including as specified in schedule 1 (Material Property)); and
- (b) by way of first fixed charge:
 - (i) all other interests (not effectively charged under clause 2.3(a)) in the Material Property;
 - (ii) all Subsidiary Shares (including as specified in schedule 2 (Subsidiary Shares));
 - (iii) all Investments (other than the Subsidiary Shares);
 - (iv) all Equipment;

- (a) the Assigned Agreements (including as specified in schedule 5 (Assigned Agreements)); and
- (b) the Insurances (including as specified in schedule 8 (Insurance Policies)),

provided that on payment or discharge in full of the Secured Obligations the Security Agent will at the request and cost of the New Chargor re-assign the relevant rights, title and interest in the assigned assets to the New Chargor (or as it shall direct).

2.5 Fixed Security

Any failure to create effective fixed security (for whatever reason) over an asset shall not affect the fixed nature of the security on any other asset, whether within the same class of assets or not.

2.6 Floating Charge

As further security for the payment and discharge of the Secured Obligations, the New Chargor charges with full title guarantee in favour of the Security Agent by way of first floating charge all its assets, both present and future, not effectively charged by way of first fixed charge under clause 2.3 (Fixed Charges) or assigned under clause 2.4 (Security Assignment) and, in each case, all Related Rights.
