### **Statement of Directors' Responsibilities**

---

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with UK Generally Accepted Accounting Practice (UK Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### **Opinion on other matter prescribed by the Companies Act 2006**

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

### **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or

**I Accounting policies**

**Basis of preparation**

The financial statements have been prepared in accordance with the Companies Act 2006 and applicable accounting standards.

The financial statements have been prepared under the historical cost convention modified by the revaluation of certain fixed asset investments.

The accounts do not include a cash flow statement because the company, as a small reporting entity, is exempt from the requirements to prepare such a statement.

**Going concern**

The directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the annual report and accounts.

**Other operating income**

Other operating income consists of distributions received from the limited partnership, The 160QVS LP.

**Fixed asset investments**

The investment in the limited partnership represents the company's share of capital and loan accounts as shown in the financial statements of the partnership prepared under the historical cost convention, modified by the revaluation of investment property within the limited partnership.

Investment properties are included within the limited partnership at open market values based on annual valuations. Such valuations are undertaken by independent valuers at least once every five years and by the directors in the interim periods.

All changes in the open market values of these investment properties are taken to the statement of total recognised gains and losses, being a movement on the revaluation reserve.

Joint venture investments are included at cost.

**Deferred tax**

The charge for taxation is based on the profit for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes.

Deferred tax is recognised without discounting in respect of all timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date, except as otherwise required by FRS 19 Deferred Taxation.
