NCP South West & Wales Development Limited

DIRECTORS' REPORT

The directors present their report and the audited financial statements for NCP South West & Wales Development Limited ("the Company") for the period from 31 March 2012 to 29 March 2013

PRINCIPAL ACTIVITIES

The Company did not trade during the current period. The directors do not envisage that the Company will trade in the forthcoming period.

RESULTS AND DIVIDENDS

The results of the Company are shown in the profit and loss account on page 5.

As at 29 March 2013, the Company had net assets of £28.0 million (30 March 2012: £25.8 million).

The directors do not recommend the payment of a dividend (period ended 30 March 2012: £nil).

GOING CONCERN AND FINANCIAL RESTRUCTURING

The Company is a guarantor to Group borrowings as disclosed in note 11. The Group comprises MEIF II CP Holdings 1 Limited and its subsidiaries. As a result of the ongoing difficult economic situation and trading environment, the Group was required to seek (and successfully obtained) the consent of its senior lenders and swap counterparties to a temporary deferral of its September 2011 and March 2012 financial covenant tests and certain payments that would otherwise have fallen due under the relevant facilities.

On 27 April 2012, the Group successfully completed negotiations with its shareholder, lenders and landlords, which the directors believe has placed the Group on a sustainable capital structure. The financial restructuring included a waiver of all known (or ascertainable) defaults under the Group's debt facilities. Details are provided in note 13 to these financial statements.

As part of the financial restructuring process detailed Group cash flow forecasts have been produced for a period of 18 months from the date of this report and a number of downside business case scenarios have been used as sensitivities. Based on these forecasts, the directors have concluded that preparing the financial statements on a going concern basis is appropriate.

DIRECTORS

The directors who held office throughout the period and up to the date of signing the financial statements were as follows:

J L Cooper
J P Scott

DIRECTORS' INDEMNITIES

The company has maintained qualifying third party indemnity insurance throughout the period and up to the date of the signing of the financial statements on behalf of its directors and officers.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial period. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or

NOTES TO THE FINANCIAL STATEMENTS

For the period from 31 March 2012 to 29 March 2013

1 ACCOUNTING POLICIES

Basis of accounting

The following accounting policies have been applied consistently in both the current and preceding periods in dealing with items which are considered material in relation to the Company's financial statements. These financial statements are prepared on the going concern basis, under the historical cost accounting convention and in accordance with the Companies Act 2006 and applicable accounting standards in the United Kingdom. The principal accounting policies are set out below.

Basis of preparation - going concern

These financial statements have been prepared on a going concern basis, which assumes that the Company will be able to meet its liabilities as they fall due for the foreseeable future.

The Company acts as a guarantor in respect of Group borrowings as disclosed in note 11. The Group comprises MEIF II CP Holdings 1 Limited and its subsidiaries. As a result of the ongoing difficult economic situation and trading environment, the Group was required to seek (and successfully obtained) the consent of its senior lenders and swap counterparties to a temporary deferral of its September 2011 and March 2012 financial covenant tests and certain payments that would otherwise have fallen due under the relevant facilities.

On 27 April 2012, the Group successfully completed negotiations with its shareholder, lenders and landlords, which the directors believe has placed the Group on a sustainable capital structure. The restructuring included a waiver of all known (or ascertainable) defaults under the Group's debt facilities. Details are provided in note 13 to these financial statements.

As part of the financial restructuring process detailed Group cash flow forecasts have been produced for a period of 18 months from the date of this report and a number of downside business case scenarios have been used as sensitivities. Based on these forecasts, the directors have concluded that continuing to prepare the financial statements on a going concern basis is appropriate.

Cash flow statement

Under the provision of Financial Reporting Standard 1 'Cash flow statements' (revised 1996), the Company has not presented a cash flow statement, as its intermediate parent company, MEIF II CP Holdings 1 Limited, a company registered in England and Wales, prepares publicly available consolidated financial statements which include the results of the Company and contain a cash flow statement.

Taxation

Current tax, including UK corporation tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes.
