## **Statement of directors' responsibilities**

United Kingdom Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Company as at the end of the financial year and of the profit or loss of the Company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for the system of internal control, for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## **Independent auditors' report to the members of NCP South East & East Anglia Limited**

We have audited the financial statements of NCP South East & East Anglia Limited for the 52 weeks ended 24 December 2004 which comprise the profit and loss account, the balance sheet and the related notes 1 to 14. These financial statements have been prepared under the accounting policies set out therein.

This report is made solely to the Company's members, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

### **Respective responsibilities of directors and auditors**

As described in the statement of directors' responsibilities, the Company's directors are responsible for the preparation of the financial statements in accordance with applicable United Kingdom law and accounting standards. Our responsibility is to audit the financial statements in accordance with relevant United Kingdom legal and regulatory requirements and auditing standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report if, in our opinion, the directors' report is not consistent with the financial statements, if the Company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the Company is not disclosed.

We read the directors' report for the above period and consider the implications for our report if we become aware of any apparent misstatements.

### **Basis of audit opinion**

We conducted our audit in accordance with United Kingdom auditing standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

### **Opinion**

In our opinion the financial statements give a true and fair view of the state of the Company's affairs as at 24 December 2004 and of its profit for the 52 weeks then ended and have been properly prepared in accordance with the Companies Act 1985.

## Notes to the financial statements 52 weeks ended 24 December 2004

### 1. Accounting policies

The following accounting policies have been applied consistently both in the current and preceding periods in dealing with items which are considered material in relation to the Company's financial statements.

#### **Basis of accounting**

The financial statements have been prepared in accordance with applicable United Kingdom accounting standards and under the historical cost accounting convention.

#### **Cash flow statement**

Under the provision of Financial Reporting Standard No. 1 (Revised) the Company has not presented a cash flow statement, as its ultimate parent Company, Parking International Holdings Limited, a Company registered in England and Wales, prepares consolidated financial statements which include the results of the Company and contain a cash flow statement.

#### **Turnover**

The Company's turnover comprises gross rents receivable derived from activities performed within the United Kingdom and from a single class of business.

#### **Tangible fixed assets**

Tangible fixed assets comprise properties in which NCP South East & East Anglia Limited holds the beneficial ownership. Although legal title is held by fellow Group Companies, the risks and rewards of ownership are held by NCP South East & East Anglia Limited.

#### **Operating properties**

Properties which are leased to other Group Companies, for use in the Group's trading, are regarded as operating properties, and are stated in the financial statements at cost less accumulated depreciation. Provisions in respect of impairment in value of operating properties are charged or released to the profit and loss account.

#### **Depreciation**

##### *Properties*

Depreciation is provided on a straight-line basis over the estimated useful lives of the properties after deducting the expected residual value at the end of that life. The following rates of property depreciation are applied:

##### *Operating properties:*

Long leasehold	-	2%
Short leasehold	-	Over term of the lease

Leasehold properties with an unexpired term of greater than 50 years are classified as long leasehold properties. Other leasehold properties are classified as short leasehold properties.

#### **Taxation**

The charge for taxation is based on the profit for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes.

Deferred taxation is provided in full on timing differences that result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in financial statements. Deferred tax is not provided on timing differences arising from the revaluation of fixed assets where there is no binding contract to dispose of these assets. Deferred tax assets are recognised to the extent that it is regarded as more likely than not that they will be recovered. Deferred tax assets and liabilities are not discounted.

#### **Leases**

Rentals under operating leases are charged on a straight-line basis over the lease term.
